

Academic Facility Rental Fee Schedule

This rental fee schedule has been adopted by the Academic Facility Rental Committee and approved by the University President. Fees are subject to change by the Committee, with the President's approval. Fees do not include charges for special accommodations or extra custodial or technical help. Rental fee revenue is used by the Committee for maintaining, refurbishing, and equipping facilities listed. Guidelines for determination of rental rates are available upon request. Appeals of requests for special consideration should be directed to the Committee.
