

Atwood Grill Instructions

Set-up:

1. Check-in at AMC 139 office and pick up cooler for beverages if needed and a cash box.
2. Pick up food cart and refrigerator from Kitchen (AMC- A131).
3. Atwood staff will ignite the grill.
4. **WARNING: Check water level in grease trays and fill as needed Continue checking water level throughout grill time because if the water dries up the potential for grease fire is significant.**
5. Keep cooking area clean.

Take Down:

1. Clean up area and **scrape grease grate while grease still warm**
2. **WARNING: Be sure to turn gas control valve and all gas control knobs off. If gas is not turned off, there will be an additional gas charge of \$15.00.**
3. Return food items and grill utensils to Atwood Lower Level for cleaning.
4. Notify Atwood staff in AMC 139 office that you are finished grilling, clean coolers and return coolers and the cash to AMC 139 for lock up.

Signing below indicates that I have read and understand the instructions above. I will communicate to all students involved with our use of the grill, the warnings listed above.
