MINNESOTA HIGHWAY SAFETY AND RESEARCH CENTER
1805 U.S. Highway 10
Located on 160 acres east of campus, the center’s three miles of paved track and two miles of gravel track host year-round vehicle training. Offerings include driving skills courses for law enforcement personnel and construction truck operators. The center is north of Sand Prairie Wildlife Management Area on U.S. Highway 10.

SAND PRAIRIE WILDLIFE MANAGEMENT AREA
East of campus on U.S. Highway 10
St. Cloud State owns 70 percent of this 700-acre natural area, which is managed by the Department of Natural Resources. Sand Prairie has two restored wetlands, a restored prairie, native prairie brush land and woods. Beaver, deer, fox, green herons, American woodcock, blue-winged teal, sand hill cranes, wild turkey and other wildlife can be seen from the observation deck, boardwalk and trails.

SELKE FIELD
1000 block of University Drive
The former site of St. Cloud State football games and track meets is now the home of Husky softball. Youth soccer teams, club rugby teams and the like use the irrigated turf field. Named for former President George Selke, the 17-acre property is famed for its massive granite walls. It is located five blocks east of campus on University Drive.

ST. CLOUD STATE AT PLYMOUTH
9750 Rockford Rd, Plymouth, MN 55442
St. Cloud State leases space for professional-level graduate programs in the Twin Cities area at this location in Plymouth. Located near the intersection of Highway 169 and Rockford Road, the facility is close to convenience stores and eateries. Program offerings include courses in educational leadership, business management, engineering management and medical device research, quality and regulation.
