

St Cloud Area "Get Moving" River Map

ST. CLOUD AREA "GET MOVING" RIVER MAP

Relaxation and fun come naturally when the Mississippi River is the star of the action!

In, on, and near the water, there are many ways to experience and explore the Mississippi River's natural environment — from walking, running, or biking riverside trails, to paddling or fishing its waters. Just an afternoon or outfitted for a day, it's always an adventure on the MISSISSIPPI RIVER!
