NOTES:

1) Caution about the use of data for a program is advisable when the number of graduates is low or the number of "Status Unknown" exceeds 15% of the total graduates.
2) Graduates or individuals who know the graduates provided this information, including relatedness of employment to program of study.
3) "Related Employment Part-time" includes graduates who reported related employment but did not indicate the number of hours worked per week.
4) "Unavailability for Employment" includes graduates who chose not to seek work, were unable to work, or were international students who returned to their homelands.
5) "Status Unknown" includes graduates who could not be located or did not respond to requests for information.
6) Categories of employment can include some graduates who also reported continuing education but indicated that employment was their preferred classification.
7) "Continuing Education" can include some graduates who also reported employment but indicated that continuing education was their preferred classification.
8) Information on graduates who both worked and pursued further education is available in supplemental materials.
9) Sums of percentages might not equal total percentages due to rounding.
10) N/A ("Not Applicable") is displayed in the "Percent of Available" row when there are no graduates available.
