Notes:

¹An appropriate placement exam score or successful completion of either MATH 115 or both MATH 112 and MATH 113 is required before enrolling in MATH 221 or MATH 271. An appropriate placement exam score or successful completion of either STAT 193 or MATH 112 is required before enrolling in STAT 239.

²MATH 221 and STAT 239 both satisfy Goal Area 4 of the SCSU Liberal Education program.

⁴STAT 304, 360, and 380 are only offered in fall terms. STAT 325, 381, 415, and 421 are only offered in spring terms.

⁵The STAT Electives are chosen from this list: STAT 424, 427, 430, 433, 436, 440. Offering patterns can be found in the table below.

Fall (odd years): STAT 427	Spring (even years): STAT 424 or 436
Fall (even years): STAT 433	Spring (odd years): STAT 430 or 440

A grade of C– or better in each program course is required for graduation. SCSU requires a minimum of 120 semester credits to earn a Bachelor's degree and 40 of these credits must be at the 300 or 400-level. Electives should be chosen to fulfill these requirements.
