| SEMESTER 8: SPRING 12 Credits | |
|----------------------------------|--------|
| 12 | ED 467 |

MTLE Content & Pedagogy Tests required for Licensure, and EDTPA Assessment Completion

LEGEND

Major Courses - Grades of C (Not C-) or higher are required for all Professional Education courses

Liberal Education GOAL AREA Requirements (Minnesota Transfer Curriculum)
Note: with the exception of GOAL 5, 6, & 8; the courses indicated in this planning guide are only suggestions. You are encouraged to select courses that satisfy the Liberal Education Program that best fit your post-graduation plans. See your advisor for more details.

Courses chosen by the student to fulfill a minor program or graduation requirement

Students must participate in priority registration and advising day each semester if they expect to take any art courses the following semester. Students who are undecided or not officially admitted to an art major when they are eligible may take art courses only on a space-available basis after priority registration is completed.

✓ Fulfills GOAL 5, 6, 8, or diversity requirement

The BS Art Education major gives students the training to be art teachers and leads to a PreK-12 teacher licensure as approved by the Minnesota Board of Teaching.

Programs at St. Cloud State University (SCSU) that lead to a professional licensure or certification are intended to prepare a student for potential licensure or certification in Minnesota. While the SCSU programs meet the relevant academic requirements set by the licensure or certification board/agency in Minnesota, they may or may not meet the educational requirements for a licensure or certification in another state. If you are planning to seek professional licensure or certification outside Minnesota it is important for you to know the specific requirements of the state in which you intend to apply for licensure or certification.
