Major Courses

Liberal Education GOAL AREA Requirements (Minnesota Transfer Curriculum)
 Note: with the exception of GOAL 5, 6, & 8; the courses indicated in this planning guide are only suggestions. You are encouraged to select courses that satisfy the Liberal Education Program that best fit your post-graduation plans. See your advisor for more details.

Courses chosen by the student to fulfill a minor program or graduation requirement

Students must participate in priority registration and advising day each semester if they expect to take any art courses the following semester. Students who are undecided or not officially admitted to an art major when they are eligible may take art courses only on a space-available basis after priority registration is completed.

✓ Fulfills GOAL 5, 6, or 8 requirement

* Students take Portfolio Review Benchmark after completing foundations courses (ART 101-105) with a 2.5 grade point average.

As students progress in the Integrated Media emphasis, the development of individual and/or collaborative directions are encouraged, including the potential of interdisciplinary expansion of these modes.
