**Notes:**

Students majoring in Film Studies also need one of the following:
- a second major in another subject
- a minor in another subject
- one year of a foreign language from SCSU's FORL Department

All SCSU Students need 120 total credits to graduate, 45 of which must be upper level (300 and above). FS students will accumulate 15 upper-level credits simply by completing the major. Each semester numerous additional upper level FS courses are available.

This plan of study is not a substitute for meeting with your FS faculty advisor.
