

Department of Chemistry and Biochemistry
Waiver form for course repetition (2nd attempt)
for CHEM 210, 211, 310, 311

Today's Date: _____

Name of the student: _____ Student ID #: _____

Course being repeated: _____

In which semester/session will you be repeating the course? _____

What section(s) of the course would you like to enroll in if a seat is available?

(Write down the section numbers and the course IDs of all of the sections that you would potentially like to enroll in for the course you are repeating.)

Name of instructor from whom you took the course previously _____ Grade received _____

Student email address _____

Student signature

The override code will not be entered into the system until the registration cycle ends (meaning everyone on campus has a chance to register). At that point the student may register for the course, assuming there are still seats available.
