celebrated Fall 2022 graduates during 11am
commencement ceremony on Dec. 16.*

CONGRATS GRADS!

41 NURSING STUDENTS GRADUATE FROM SCSU

December 15, 2022

Students spotlight: Kinesiology Fall '22

*Holly, Calista, Leah,
Abigail, Omar and
Cheressa... keep on being
awesome!*

Area School Counselors and SCSU Come Together

On December 9th, 2022, over 130 area school counselors and current graduate students in the school counseling program at SCSU attended the annual Central Minnesota School Counselor Association (CMSCA)/Willis E. Dugan conference at SCSU for a day of rejuvenation, reconnection, and professional development.

"Many area school counselors are former SCSU alumni, have supervised SCSU interns, or have strong connections with SCSU, so it feels like a big family reunion" says Dr. Bill Lepkowski, Director of the SCSU School Counseling Program and CMSCA board member.

CMSCA represents 75 different school districts in central Minnesota. The SCSU school counseling program and CMSCA have partnered for many years to collaboratively put on an annual conference to help school counselors best serve their students.

Alumni Samantha Schmidt graduated from the SCSU school counseling program in 2014

Attendees reported it to be a great event and were appreciative of the "Husky Hospitality"! Dr. Lepkowski also stated that "given the many challenges that K12 students face today, it is great to have an opportunity to support and celebrate these wonderful professional school counselors who do their best to help Minnesota children succeed!"

Thank
you!

Mary Pfohl

Dr. Mary Pfohl, Professor of Social Work retired in Fall 2022. She worked tirelessly to help students grow their potential, develop skills, and thrive while at SCSU. She received her Ph.D 2007 at University of Minnesota and her M.S.W. 1989 at University of Washington.

Mary's areas of practice and teaching interests are child welfare, social welfare policy, social work ethics, and self-care in professional practice. She was a tireless advocate for the students she advised. She was the faculty for Alnwick for 21-22.

Mary is a beacon of light for anyone who meets her! Social Work Department, CHWP, as well as St. Cloud State University have been honored to have her as one of their faculty.

CSD 426: Neurological Bases of Speech & Language class Fair

Thursday, Dec. 8th 11:00am - 12:00pm at Brown Hall 108

Students in CSD program presented their group "*Brain Projects*" science fair style!

Visitors had an opportunity to learn about the brain and the different structures involved in communication, hearing, and swallowing.

*The CSD Speech-Language and Hearing Clinic had a wonderful fall semester. In December, graduate students accrued 1372 hours in clinic and they served more than 112 clients. An additional 800 hours of SimuCase for clinic hours accrued
