North Hennepin Community College (NHCC) to SCSU

Bachelor of Science – Communication Sciences and Disorders

Transfer Guide

All transfer students seeking a Bachelor of Science degree in Communication Sciences and Disorders should follow the admission procedures located on the following website in order to be admitted to St. Cloud State University: www.stcloudstate.edu/transfer. Being admitted to SCSU is a separate process than that of being admitted into a major program. A student must first be accepted to SCSU, and then may apply to a major once certain requirements have been met.

The following Communication Sciences and Disorders courses transfer from NHCC to SCSU:

North Hennepin Community College Course		SCSU Course
BIOL 1130 - Human Biology w/Lab	→	BIOL 103 *ASHA Biology Standard
PSYC 1250 - Lifespan Development Psychology	\rightarrow	PSY 240 or CEEP 262 *Required for major and an option for
OR		ASHA Social/Behavioral Sciences Standard
PSYC 1210 - Child Development AND PSYC		
1220 - Adult Development		
PHYS 1201 - Principles of Physics	\rightarrow	PHYS 231 *option for ASHA Physical Sciences Standard
MATH 1090 - Statway Statistics	\rightarrow	STAT 193 *ASHA Statistics Standard

Note: Either Chemistry or Physics is preferred to meet ASHA Physical Sciences standard, but not required. ASHA will also consider Astronomy or Earth and Atmospheric Science as a "Physical Science".

Notes:

- To meet ASHA (American Speech-Language-Hearing Association) Certification Standards, students must take one course in each of these four areas: Biological Sciences, Physical Sciences, Social/Behavioral Sciences, and Statistics. These courses can be completed as part of the liberal education program.
- The CSD B.S. degree requires electives or the completion of a minor in another department.
- It is recommended that students take the lower-division major courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree if possible.
- If a student completes a goal area within the MnTC, the same goal area will be completed at St. Cloud State University once transferred.
- 40 upper-division credits (300-400 level coursework) are equired to graduate from SCSU.
