

Normandale Community College to SCSU

Pre-Nursing Transfer Guide (individuals without a previous degree)

Transfer Process

All transfer students seeking a Bachelor of Science degree in Nursing should follow the admission procedures located on the following website in order to be admitted to St. Cloud State University: www.stcloudstate.edu/transfer. Being admitted to SCSU is a separate process than that of being admitted into a major program. A student must first be accepted to SCSU and then may apply to the nursing major after the pre-nursing courses have been completed.

Requirements for Admission to the Nursing Major

- Completion of 30 credits or more of prerequisite courses: ENGL191, CMST 192, MATH/STAT 193, PHIL 194, PHIL 212, PSY 240, SOC 160, CHEM 141, BIOL 202, BIOL 204, and BIOL 206.
- Students are required to successfully complete all prerequisite courses with a grade of C (2.00) or better and have an overall prerequisite course GPA of 2.75 or higher (the average GPA of those admitted into the program is about a 3.48).
- A formal application is required for admission to the major; admission to the nursing major is highly competitive.
- The deadline for completed applications is June for admission beginning the following spring semester and January for admission beginning the following fall semester. Please see www.stcloudstate.edu/nursing for upcoming deadlines.

The following Pre-Nursing courses transfer from Normandale Community College to SCSU

Normandale Community College Course	SCSU Course
ENGC 1101 – Freshman Comp	ENGL 191 – Introduction to Rhetorical and Analytical Writing

No equivalent. Do not take at Normandale CC.	BIOL 204 – Human Anatomy and Physiology II
No equivalent. Do not take at Normandale CC.	CHEM 141 – Introduction to Organic and Biological Chemistry

Notes:

- Please visit the Nursing website for more information: www.stcloudstate.edu/nursing
- The GPA of any pre-requisite course(s) transferred to SCSU will count in the admission process. It is recommended that students take these courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree. If a student completes a goal area within the MnTC, the same goal will be completed at St. Cloud State University once transferred.

- Admission to SCSU does not guarantee admission to the Nursing major.
- Completion of 10 goal areas (40 credits) in the MnTC (known as the Liberal Education Program at SCSU).
- 40 upper-division credits (300-400 level coursework) required to graduate from SCSU.
 - The major requirements are organized sequentially into 5 total semesters.
