Transfer Guide - Bachelor of Science in Mass Communications

Transfer Process

All transfer students seeking a Bachelor of Science in Mass Communications should follow the admission procedures located at www.stcloudstate.edu/transfer to be admitted to St. Cloud State. Students are then automatically admitted into the major but must meet minimum major requirements before graduation to graduate with that program's degree. The Mass Communications Department offers these program concentrations: **Journalism, Strategic Communications, and Creative Multimedia Production.**

Complete the **Transfer Review Form** to find out how previous courses will transfer to St. Cloud State. Star ID and password is required. If you do not have a Star ID, [click here](#).

The following courses transfer from Central Lakes College to St. Cloud State:

CLC Course	SCSU Course
COMM 1410 Intro to Communication Studies	CMST 192 Intro to Communication Studies
MCOM 1450 Intro to Mass Communication	MCOM 200 Intro to Mass Communication
ENGL 1410 Composition I & ENGL 1411 Composition II	ENGL 191 Intro to Rhetorical & Analytical Writing

The following courses are *suggested* for particular MnTC Goals:

CLC Course	SCSU Course
Goal 4: MATH 1441 Concepts in Mathematics OR MATH 1460 Intro to Statistics	MATH 193 Mathematical Thinking OR STAT 193 Statistical Thinking

- It is recommended that students take these courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree.
- If a student completes a goal within the MnTC, the same goal will be completed at St. Cloud State once transferred.
- Mass Communication courses that do not come as a direct equivalent to SCSU can be evaluated further by the department to see how it would fit in the major.

Additional Requirements to Consider when Degree Planning:

- Completion of 10 Goals (40 credits) in the MnTC (known as the Liberal Education Program at St. Cloud State)
- Mass Communication majors are required to have a minor OR one year of a foreign language
- 40 upper-division credits (300-400 level coursework) required to graduate

Please refer to www.transferology.com for up-to-date information on transfer equivalencies.
