Transfer Guide - Bachelor of Arts in Psychology

Transfer Process

- All transfer students seeking a major in Psychology should follow the admission procedures located at www.stcloudstate.edu/transfer to be admitted to St. Cloud State. Students are then automatically admitted into a program and would need to meet minimum program requirements to graduate with that degree program. More information can be found in the [University Catalog](#).
- Complete the **Transfer Review Form** to find out how previous courses (that are not listed below) will transfer to St. Cloud State. Star ID and password is required. If you do not have a Star ID, [click here](#).

The following courses transfer from Century Community College to St. Cloud State

Century College Course	SCSU Course
PSYC 1020 General Psychology	PSY 115 Intro to Psychology
PSYC 2050 Stats for Psychology	PSY 200 Psychological Data Analysis Lab and PSY 201 Psychology Statistics
PSYC 1041 Developmental Psychology	PSY 240 Developmental Psychology
PSYC 2260 Social Psychology	PSY 270 Social Psychology

*The SCSU Psychology Department will transfer in one additional Psychology course as an elective in the major.

The following courses are *recommended* for particular MnTC Goals:

Century College Course	SCSU Course
Goal 1: ENGL 1021 Composition 1 and ENGL 1022 Composition 2	ENGL 191 Intro to Rhetorical & Analytical Writing
Goal 4: MATH 1030 Mathematics for Liberal Arts* OR MATH 1025 Statistics* OR MATH 1061 College Algebra*	MATH 193 Mathematical Thinking OR STAT 219 Stats for the Social Sciences/STAT 239 Stats for the Biological and Physical Sciences OR MATH 112 College Algebra

*All MATH courses listed above are suitable prerequisites for the PSY 200/201 (Statistics/lab) requirement at SCSU. If possible, take one of these courses prior to transferring to SCSU. Otherwise, students will be advised to take SCSU's MATH/STAT 193 to meet the prerequisite. IMPORTANT: If you delay taking the PSY 200/201 requirement, you will not be able to take subsequent required courses in the major and your graduation may be delayed.

- It is recommended that students take the above courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree.
- If a student completes a Goal within the MnTC, the same Goal will be completed at St. Cloud State once transferred.

Additional Requirements to Consider when Degree Planning

- Completion of 10 Goals (40 credits) in the MnTC (known as the Liberal Education Program at St. Cloud State)
- Psychology majors are required to have a second major, minor, OR one year of a foreign language

- Minimum Psychology major GPA of 2.5 and minimum of 15 Psychology credits in residence are required to graduate
- 40 upper-division credits (300-400 level coursework) are required to graduate; community/technical college Psychology courses cannot transfer in as upper-division SCSU Psychology courses
- Psychology program is a **very** sequential program and therefore to stay on track to graduate, students should pay attention to the sequential courses.

Please refer to www.transferology.com for up-to-date information on course equivalencies.
