## Transfer Guide - Bachelor of Arts in Psychology

### Transfer Process

All transfer students seeking a **Bachelor of Arts in Psychology** should follow the admission procedures located at [www.stcloudstate.edu/transfer](http://www.stcloudstate.edu/transfer) to be admitted to St. Cloud State. A student must first be accepted to St. Cloud State and would automatically be admitted into the Psychology major. Students must meet minimum major requirements before graduation to graduate with that program's degree.

Complete the **Transfer Review Form** to find out how previous courses (not listed below) will transfer to St. Cloud State. Star ID and password is required. If you do not have a Star ID, [click here](#).

The following courses transfer from St. Cloud Technical & Community College to St. Cloud State:

SCTCC Course	SCSU Course
PSYC 1300 Intro to Psychology	PSY 115 Intro to Psychology
PSYC 1304 Lifespan Developmental Psychology	PSY 240 Developmental Psychology
PSYC 1310 Psychology of Women	PSY 225 Psychology of Women
PSYC 2320 Social Psychology	PSY 270 Social Psychology
PSYC 2330 Statistics for PSYC/Behavior Science	PSY 200 and PSY 201

\*Students that enroll in additional SCTCC Psychology electives may graduate with over 120 credits.

\*Psychology courses not listed as a direct equivalent would come in as SCSU psychology elective course (6 credits max).

The following courses are **suggested** for particular MnTC Goals:

SCTCC Course	SCSU Course
Goal 1: ENGL 1302 Analytical Writing OR ENGL 2302 Advanced Argument & Research Writing	ENGL 191 Intro to Rhetorical & Analytical Writing
Goal 1: CMST 1320 Intro to Communication Studies	CMST 192 Intro to Communication Studies
Goal 4: MATH 1350 Intro to Statistics* OR MATH 1300 College Algebra*	STAT 193 Statistical Thinking MATH 112 College Algebra

\*All MATH courses listed above are suitable prerequisites for the PSY 200/201 (Statistics/lab) requirement at SCSU. If possible, take one of these courses prior to transferring to SCSU. Otherwise, students will be advised to take SCSU's MATH/STAT 193 to meet the prerequisite. **IMPORTANT: If you delay taking the PSY 200/201 requirement, you will not be able to take subsequent required courses in the major and your graduation may be delayed.**

- It is recommended that students take these courses as a part of the Minnesota Transfer Pathway or Associate in Arts (AA) degree.
- If a student completes a Goal within the MnTC, the same Goal will be completed at St. Cloud State once transferred.

### Additional Requirements to Consider when Degree Planning

- Completion of 10 Goals (40 credits) in the MnTC (known as the Liberal Education Program at St. Cloud State) with at least a 2.0 GPA.
- Psychology majors are required to have a second major, minor **OR** one year of a foreign language.

Next page more information →

- Minimum Psychology major GPA of 2.5 and minimum of 15 Psychology credits in residence are required to graduate.
- Psychology curriculum is a very sequential course sequence. It is important to take your MATH course as soon as possible to be on track to graduate in a timely manner.
- 120 credits minimum with 40 upper-division credits (300-400 level coursework) are required to graduate.

Please refer to [www.transferology.com](http://www.transferology.com) for up-to-date information on course equivalencies.
