## **BANNERS AND FLAGS**

The commencement ceremony as a whole affirms the value of learning to society, recognizes the cooperation of many people, on and off the campus, who have contributed to the learning enterprise and, above all, celebrates the effort and achievement (symbolized by diplomas, degrees and dress) of the graduates themselves.

### *UNIVERSITY SEAL*

The university seal was redesigned in 2001 and portrays the cupola that sits atop Riverview Building, surrounded by oak leaves. The visuals were chosen to illustrate SCSU's long history of teacher preparation (Riverview was built to serve as the lab school for St. Cloud Normal School students to teach area children) and the university's location on the oak-crowned banks of the Mississippi River.

### *THE MACE*

The mace originated as a staff or club used in the Middle Ages for breaking armor. It evolved into a ceremonial symbol of authority used in legislative bodies, universities, and other governmental units.

The university mace was created by David Landwehr out of the white cedar flag pole from Old Main which was built in 1875 and razed in the late 1940s. The carved designs on the mace head which are decorated with gold leaf symbolize the programs of study at the University and were created by Merle Sykora, professor emeritus of art.

### *THE PRESIDENTIAL MEDALLION*

The presidential medallion worn by Interim President Larry Dietz was created in 2002 by SCSU faculty emeritus, Dr. James Roy. This multi-dimensional medallion incorporates the SCSU seal and sits upon a plate of rhodium-plated sterling silver. The central portion of the medallion has been created from cast 14K gold and is festooned with four deep red garnet stones.

Dr. James Roy served as chair of the SCSU Department of Visual Arts from 1964-1992 and retired in 1994. Previously, Dr. Roy designed the original presidential medallion which is now housed in university archives, as well as medallions for the Chancellor of the Minnesota State University System, Metropolitan State University and Minnesota State University–Akita in Japan.

## **ACADEMIC DISTINCTION**

Students who accomplish a high level of academic achievement, as reflected by their grade point average, receive distinction as follows.

<i>Grade Point Average:</i>	
3.25-3.49	<i>Cum Laude</i>
3.5-3.74	<i>Magna Cum Laude</i>
3.75 or higher	<i>Summa Cum Laude</i>

To prepare programs in advance, this listing contains names of students who submitted an application to graduate to the Office of Records and Registration six weeks prior to the end of graduation term. This list may have inaccuracies and omissions. Graduation and receipt of honors are validated by the student's permanent records which are kept by the Office of Records and Registration. In addition, this program is not a list of registered commencement ceremony participants or an official list of graduates or honors. The presentation of diplomas does not follow the student order as printed in this program.

## **THE ACADEMIC ATTIRE**

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when long-sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Academic costume is at present worn in the United States by persons taking part in academic ceremonies in general, at commencement ceremonies, at baccalaureate services, and at various inauguration ceremonies.

### *GOWNS*

The bachelor's gown is a relatively simple kind falling in straight lines from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeves. The master's gown is similar, except for the sleeves. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell-shaped sleeves.

### *HOODS*

The greatest degree of symbolism is shown by the hood. Undergraduates do not wear the hood. Graduate student hoods have velvet edging which indicates the area of specialization. The inside of the hood is satin and indicates by its color the college or school which granted the degree. St. Cloud State University's colors are deep cardinal red and black.

### *CAPS*

The square "Oxford cap" or mortarboard of serge or broadcloth with a stiff crown is worn for most degrees. The tassel that hangs to the side is switched from the right to the left when the baccalaureate degree is awarded.

### *TASSELS*

Undergraduate degree tassels are St. Cloud State University's colors of cardinal red and black. Graduate degree tassels indicate the degree: master of arts (white), master of business administration (light brown), master of engineering management (orange), master of music (pink), master of science (yellow gold), master of social work (citron) and specialist (light blue). The Doctor of Education degree tassel is light blue.

### *RED, WHITE AND BLUE CORDS*

The cord is a special recognition to show the University's respect and gratitude for our student veterans and those service men and women who are currently serving and protecting our country.

### *HONOR CORDS*

The color of the honor cord indicates the level of academic achievement for undergraduate students: Cum Laude (red), Magna Cum Laude (silver) and Summa Cum Laude (gold).

### *HUSKIES ADVANCE*

HuskiesAdvance is an individualized student success program unique to St. Cloud State University. Students in the program, with the support of their faculty or staff mentor, engage in significant curricular and co-curricular experiences in Leadership, Entrepreneurship, Civic Engagement, Social Justice, International Engagement, or Environmental Sustainability. HuskiesAdvance graduates are proudly wearing sage green and cream cords to signify they have shown the world what they can do through successful completion of the program.

### *HONORS COLLEGE*

Students wearing cords with the colors black, gold, and red represent completion of the University Honors College. The Honors College empowers academically talented and motivated students to reach their full scholastic, service, and leadership potential through challenging coursework with engaged peers and faculty and through co-curricular activities that foster international and diversity awareness, commitment to civic engagement and critical thinking.
