Transfer Guide – BS Biodiversity, Ecology and Evolution

Transfer Process

All transfer students seeking a Bachelor of Science in Biodiversity, Ecology and Evolution should follow the admission procedures located at www.stcloudstate.edu/transfer to be admitted to St. Cloud State. A student must first be accepted to St. Cloud State and then may apply to the Biodiversity, Ecology and Evolution major after meeting the major's admission requirements.

Requirements for Admission to the Ecology and Field Biology Major:

- Completion of AS degree in Environmental Science
- Enrollment in BIOL 306 or 308 and a Major GPA of 2.5 or higher
- C or better in all major courses

The following courses are recommended by the department and will transfer *from* Anoka-Ramsey Community College to SCSU:

Anoka Ramsey Community College Course	SCSU Course
BIOL 1106 & 1107 Principles of Biology I & II	BIOL 151 Cell Functions and Inheritance & BIOL 152 Organismal Diversity
BIOL 2206 Animal Biology	BIOL 308 Zoology
BIOL 2207 Plant Biology	BIOL 306 Plant Biology
CHEM 1061 & 1062 Principles of Chemistry I & II	CHEM 210 & 211 General Chemistry I & II
BIOL 2202 Genetics	BIOL 262 Genetics
BIOL 2209 General Ecology	BIOL 312 General Ecology

*St Cloud State University recommends students complete BIOL 2206 and BIOL 2207 as their additional Requirements in completion of the AS Environmental Science Degree at ARCC

The following courses are *suggested* for particular MnTC Goals:

Anoka Ramsey Community College Course	SCSU Course
ENGL 1107 College Writ & Crit Reading	ENGL 191 Intro to Rhetorical & Analytical Writing
CMST 1110 Small Group Communication	CMST 192 Introduction to Communication Studies
PHIL 1105 Intro to Logic & Critical Reasoning	PHIL 194 Critical Reasoning
MATH 1200 College Algebra	MATH 112 College Algebra
MATH 2230 Probability and Statistics	STAT 239 Statistics for the Biological & Physical Sciences

Additional Requirements to Consider when Degree Planning

- If a student completes a Goal within the MnTC, the same Goal will be completed at St. Cloud State once transferred
- 40 upper-division credits (300-400 level coursework) are required to graduate
- You must complete at least 7 BEEs electives including 2 from each elective concentrations.

Please refer to www.transferology.com for up-to-date information on course equivalencies.

The information in this guide is subject to change without notice.
