### Field Work and Internship Sites for Community Psychology

Note: These are sites that have hosted CPSY students. Brief descriptions of many sites are included. The agencies in this list should be considered to be potential sites and each agency may or may not have an internship position when you apply. Additional sites may be considered to better meet your internship goals and objectives. Please contact the Internship Supervisor for more information.

* Denotes sites that have indicated an interest in having interns on a consistent basis. Students may want to begin their search with these sites.
