

APPENDIX F-II: Format and Questions for Group Screening Interview

Names of Group co-facilitators: _____

Name of interviewee: _____ Age: _____

Any other demographics, for e.g. relationship status, # of siblings, year in school, etc.

1. Introduction of group leaders, purpose of the screening interview, information about the type of group you will be leading, goals of the group, procedural details of the group.
2. Have you given thought to a presenting issue/growth area that you would like to work on in group? If so, what goals do you want to work on in the group? What are you looking to gain out of the experiential group process?
3. On a scale of 1-10 how motivated are you on working on your goals?
4. Have you ever participated in a group experience? What was that experience like for you? How comfortable are you in participating in a group experience? Do you have any concerns about this experiential group?
5. What diversity factors are significant for you (for eg. related to age, gender, disability, sexual orientation, race, religion, cultural background, ethnicity, nationality, social economic background, geographical location, etc.)? Would you feel comfortable discussing issues related to your diversity in the group? If not, what would help make you feel more comfortable?
6. How comfortable would you feel addressing the diversity of other group members in the group experience?
7. Is there anyone in particular in the class you would feel uncomfortable having in your group? Why?
8. Is there anything else you would want us to know about you or any other issues we haven't addressed?
9. Discuss confidentiality issues, and group norms.
