POLICY OWNER: Associate Provost and Dean of Graduate Studies

PROCEDURE CONTACT: School for Graduate Studies

POLICY/PROCEDURE:

Only six graduate credits earned at SCSU prior to formal acceptance by the department to a graduate program, or the credits completed in the first semester of registration (whichever is greater) will be permitted to apply toward completion of a student's graduate program.

In unusual circumstances, credit earned in excess of these figures may be considered for approval by the graduate dean through the petition procedure.
