**Double Counting:** A student may count a course for credit in the general education program and in the major/minor if the course is a requirement for that major/minor. The credits count only once towards graduation.

**Waivers:** If a student takes six credits in a department which are not general education courses, the student may waive three credits of general education in that same department. In foreign languages, nine upper division credits may waive six. This does not reduce the total credits required for graduation.

CHECK WITH THE INDIVIDUAL DEPARTMENT. NOT ALL DEPARTMENTS ALLOW WAIVERS AND DOUBLE COUNTING. Some majors require particular general education classes. Check with the appropriate department before making course selections.

### III. UNIVERSITY REQUIREMENTS

*Diversity Courses.* Each student must complete three courses designated Diversity MGM (*Multicultural, Gender and Minority Studies*). Students may take no more than 1 course from any one department in the completion of their Diversity designated courses. See undergraduate bulletin for a list of currently approved courses. One Diversity course must be an approved Racial Issues course to be taken in the first year of enrollment (new freshmen and transfers). Effective Spring 2001 for all new students.

*Physical Education.* Each student must complete a 1 credit course in wellness and fitness (PESS 122). See the description in the Bulletin or contact the Department of Health, Physical Education, Recreation and Sport Science, HaH 227, 308-2155.
