Once you click the  icon, you will be prompted to check which waitlist sections you want to be added to. You can add your name to multiple sections. The list of entries in the blue bar indicates how many students are currently on the waitlist for that section.

The screenshot shows the 'Add To Wait List' dialog box with a table of course sections. The table has columns for ID #, Subj #, Sect, Title, Days, Time, Cr/Hr, Status, Instructor, Delivery Method, and Location. The 'Status' column shows 'Full' for most sections, indicating they are on a waitlist. A blue bar highlights the waitlist status for each section.

Once you have submitted your waitlist selections, a “wait list” box will appear on the My Plan tab. By clicking the Review My Plan tab, you can monitor your placement on the waiting list.

The screenshot shows the 'Review My Plan' tab with a progress bar at the top. The 'Review My Plan' step is highlighted. Below the progress bar, there is a 'New Search' link and a dropdown menu for the semester (Spring 2013 is selected). The main content area is divided into two sections: 'Wait List (2)' and 'Registered (1)'. The 'Wait List (2)' section shows two course sections with their respective waitlist positions. The 'Registered (1)' section shows one course section that has been successfully registered for.

NOTE: It is important that you check your SCSU email regularly when on the waitlist. If you are 1 waitlist and a seat becomes available, you will be notified through email that you have 24 hours to register for a course. You must register for the course via the link provided in the email. If you miss the 24 hour registration window, the next person on the list is given an opportunity to register.

To ensure that all students have an opportunity to register for a course, we ask that you remove your name from any waitlists you are no longer interested in.
