1 **Chapter 1 – Coverage**

2 The Managerial Plan, authorized by M.S. 43A.18, subdivision 3, establishes the compensation,
3 terms, and conditions of employment for all classified and unclassified employees in positions
4 identified by the Commissioner of Minnesota Management and Budget as managerial. The
5 benefit provisions of this Plan are extended to department heads whose salaries are
6 established in M.S. 15A.0815; to constitutional officers and their deputies for whom no plan has
7 been approved under M.S. 43A.18, subdivision 4; to judges of the Workers' Compensation
8 Court of Appeals; to Tax Court judges; and to the Chief and Assistant Chief Administrative Law
9 Judges.

10 This Plan covers the biennium beginning on July 1, 2021 and ending on June 30, 2023. Unless
11 otherwise specified, this Plan's provisions are effective on the date this Plan is approved by the
12 Legislative Coordinating Commission or ratified by the Legislature, whichever occurs first. The
13 provisions (except for those that are date specific) shall remain in effect after June 30, 2023,
14 until a new Plan is approved by the Legislative Coordinating Commission or ratified by the
15 Legislature.

16 Certain provisions of this Plan also apply to managerial employees covered by agency
17 compensation plans approved by the Commissioner of Minnesota Management and Budget
18 under the provisions of M.S. 43A.18, subdivision 4. The provisions of Chapters 3, 4, 5, 13, and
19 14, shall not apply to such managers unless incorporated, in whole or in part, by specific

1 reference in the agency plan. All other provisions shall apply to managers covered by agency
2 plans unless superseded by law or rule.

3 MMB may correct typographical / spelling / mathematical errors and make non-substantive
4 changes to this Plan during the biennium. MMB may also create new salary ranges to
5 accommodate the creation of new classifications or to reassign existing classes. MMB will
6 publish the most up-to-date Plan on MMB's website.

7 If the Subcommittee on Employee Relations or the legislature approves a Memorandum of
8 Understanding (MOU) amending or supplementing the terms of a collective bargaining
9 agreement, Managers covered by this Plan may be covered by the terms and conditions of that
10 MOU at the sole discretion of the Commissioner of Minnesota Management and Budget.

11 Managers covered by this Plan are invited to submit comments, questions, and suggestions
12 regarding the Plan at any time. Written comments should refer to specific Plan provisions and
13 be addressed to class_comp.mmb@state.mn.us or to:

1 **Chapter 2 – Work Schedule**

2 **Work Day.**

3 The work day for managers shall normally follow the schedule of the work units for which they
4 are responsible. The managerial role, however, necessitates a degree of adaptability as to hours
5 and days worked which is not required on the part of other State employees. Accordingly,
6 specific work schedules for managers shall be recognized as guidelines only, subject to change
7 as dictated by the needs of the agency.

8 **Pay Period.**

9 Managerial compensation is based upon the expectation that managers normally work at least
10 eighty (80) hours in the pay period. Managers shall be allowed flexibility in arranging their time
11 in a manner which enables them to perform the responsibilities of their assignments.

12 **Overtime.**

13 Because managers have authority to plan the work of their organizations and allocate the time
14 needed for its completion, they are exempt from the provisions of the Federal Fair Labor
15 Standards Act and are normally not eligible for overtime pay or compensatory time off with
16 pay. During a work-related emergency, and upon request of an Appointing Authority, the
17 Commissioner of Minnesota Management and Budget may approve overtime for a limited
18 period. Emergencies are defined as nonrecurring situations that could not be anticipated or
19 planned for. Emergencies do not include seasonal fluctuation in workload (e.g., Legislature in
20 session, budget development, forest fire season, park season, or road construction season)
21 which occur on a regular and reasonably predictable basis. If compensation is authorized,

1 payment shall be at straight time in either cash or compensatory time at the Appointing
2 Authority's option.

3 **Chapter 3 – Holidays**

4 **Eligibility.**

5 With the exception of those listed below, all managers in payroll status including managers
6 serving a C-700 pre-probationary period are eligible for paid holidays. Managers on temporary
7 classified and unclassified appointments of six (6) months or less are not eligible for the floating
8 holiday.

9 **Observed Holidays.**

10 The following days shall be observed as paid holidays for eligible managers:

11 Independence Day

12 Labor Day

13 Veterans Day

14 Thanksgiving Day

15 Day after Thanksgiving

16 Christmas

17 New Year's

18 Martin Luther King Day

19 Presidents Day

20 Memorial Day

1 Juneteenth

2 For all eligible managers assigned to a Monday through Friday, five (5) day operation, holidays
3 that fall on a Saturday shall be observed as a paid holiday on the Friday before. Holidays that
4 fall on a Sunday shall be observed as a paid holiday on the Monday after the holiday.

5 **Holiday on a Day Off.**

6 When any of the above holidays falls on a manager's regularly scheduled day off, the manager
7 shall be paid for the holiday in cash or vacation leave, at the discretion of the Appointing
8 Authority. To receive payment as vacation, the manager must be eligible to accrue and use
9 vacation leave under this Plan.

10 **Floating Holidays.**

11 An eligible manager shall receive one (1) floating holiday each fiscal year. The scheduling of
12 such a day shall be by mutual agreement between the Appointing Authority and the manager.
13 The floating holiday shall be taken in the fiscal year in which it is earned, or it is lost.

14 Managers who move into the Plan from another Minnesota State position that has received a
15 floating holiday during that fiscal year shall not receive an additional floating holiday.

16 **Substitute Holidays.**

17 An Appointing Authority may designate substitute or floating holidays for the observance of
18 Veterans Day, Presidents Day and the day after Thanksgiving.

1 **Religious Holidays.**

2 When a religious holiday, not observed as a holiday listed above, falls on a manager's regularly
3 scheduled work day, the manager shall be entitled to that day off to observe the religious
4 holiday.

5 Time to observe a religious holiday shall be taken without pay unless the manager uses
6 accumulated vacation leave or, by mutual consent with the Appointing Authority, is able to
7 work an equivalent number of hours at some other time during the fiscal year to compensate
8 for the hours lost. A manager shall notify their supervisor of their intention to observe a
9 religious holiday in advance of the holiday.

10 **Holiday Pay Entitlement.**

11 Eligible managers who take a holiday on the date indicated in "Observed Holidays" or use a
12 floating holiday shall be paid in cash at their regular hourly rate for the appropriate number of
13 Holiday Pay hours. In order to receive a paid holiday, an eligible manager must be in payroll
14 status on the normal work day immediately preceding and the normal work day immediately
15 following the holiday(s). In the event a manager dies or is mandatorily retired on a holiday or
16 holiday weekend, the manager shall be entitled to be paid for the holiday(s). An eligible part-
17 time manager shall be paid according to the holiday proration schedule provided by Appendix
18 D.

19 **Determining Hours of Holiday Pay.**

20 An eligible manager who normally works at least seventy-two (72) hours per pay period shall
21 receive the holiday pay for the number of hours in the manager's normal work day. Full-time

1 managers working flex schedules with variable hours per day shall receive the number of hours
2 per day to achieve their normal payroll period schedule.

3 Managers with flextime schedules shall not receive additional paid holiday hours over those
4 normally scheduled in the work week.

5 **Work on a Holiday**

6 Managers may be directed to work on a regularly scheduled holiday. Appointing authorities
7 may, at their discretion and in addition to any Holiday Pay to which a manager is entitled, pay a
8 manager for work performed on a holiday. If the Appointing Authority chooses to pay
9 additional amounts for work performed on a holiday, that pay may be in either cash or vacation
10 leave (not to exceed 8 hours). The manager must be eligible to accrue and use vacation leave
11 under this Plan to receive payment as accrued vacation leave.

12 **Chapter 4 – Vacation Leave**

13 **Eligibility.**

14 All managers who are appointed for a period in excess or anticipated to be in excess of six (6)
15 months and are in payroll status, including managers serving a C-700 pre-probationary period,
16 are eligible for paid vacation leave as provided in this Chapter.

17 **Vacation on Entry to a Managerial Position.**

18 Upon entry to State service in a managerial position, an eligible manager shall be credited with
19 eighty (80) hours (ten (10) days) of vacation leave. Such credit shall be reduced proportionately
20 as vacation leave is accumulated. Vacation hours credited upon entry to State service but not

1 offset by accumulated vacation prior to separation from State service shall not be eligible for
2 liquidation.

3 If a current employee in State service is appointed to a managerial position and that employee
4 has their accumulated vacation leave hours transferred, the employee shall not be credited
5 with additional vacation leave hours.

6 **Vacation Accrual.**

7 A full-time manager shall accrue vacation leave each pay period according to the rates provided
8 below. A manager being paid for less than a full eighty (80) hour pay period shall have their
9 vacation accrual prorated according to the schedule provided by Appendix B. Managers on an
10 unpaid military leave under Chapter 6 shall earn and accrue vacation leave as though actually at
11 work, pursuant to M.S. 192.261, Subd. 1.

12 **Vacation Accrual Schedule for Full-time Managers**

Length of Service	Hours Per Pay Period
0 through 5 years	6 hours
After 5 through 8 years	7 hours
After 8 through 10 years	7.5 hours
After 10 through 19 years	8 hours
After 19 through 24 years	8.5 hours
After 24 years	9 hours

1 Changes in accrual rates shall be made effective at the beginning of the next payroll period
2 following completion of the specified "Length of Service."

3 As used above, "Length of Service" includes all time served in vacation eligible status including
4 layoff status, but does not include time on disciplinary suspension or unpaid non-medical
5 leaves, which exceed one (1) full pay period in duration. However, a manager on military leave
6 or salary savings leave shall earn credit for "Length of Service."

7 "Length of Service" may also include time spent with other employers as stated below:

- 8 1. An eligible manager who moves without a break in service to a Managerial Plan position
9 from any other position in any branch of Minnesota State government, shall have their
10 length of service and accumulated vacation leave transferred, provided that the total
11 amount of accumulated vacation does not exceed two hundred and seventy-five (275)
12 hours.
- 13 2. An eligible manager who is appointed to a Managerial Plan position within four (4) years
14 from the date of separation in good standing from any position in any branch of
15 Minnesota State government shall accrue vacation leave according to the length of
16 service the manager had attained at the time of separation.
- 17 3. A former Legislator who is appointed to a Managerial Plan position within four (4) years
18 of the end of their term in the Legislature shall receive full credit for their length of
19 service in the Legislature.

1 4. An Appointing Authority may, at its discretion, adjust “Length of Service” to reflect
2 credit for all, none or a portion of: a) any prior service with a public jurisdiction,
3 including prior service in any branch of Minnesota State government or service as a
4 former Legislator beyond the four (4) year limit specified in 2 and 3 above; b) any prior
5 private sector experience directly related to the manager’s position or on initial entry to
6 State service, to match vacation accruals provided by the manager’s most recent
7 employer; and/or c) service in the United States Armed Forces provided the service was
8 full-time for at least one hundred eighty-one (181) consecutive days.

9 A manager who has previous service under provisions 1-4 above may be granted credit for such
10 service by submitting documentation of the qualifying service to the Appointing Authority for
11 approval. Any change in length of service credit shall only affect future leave accrual and shall
12 be effective the pay period in which the Appointing Authority approves the request.

13 **Vacation Accumulation.**

14 Vacation leave may be accumulated to any amount provided that once during each fiscal year,
15 the manager's balance must be reduced to two hundred seventy-five (275) hours or less. If this
16 is not accomplished on or before the last day of the fiscal year, the manager's balance shall
17 automatically be reduced to two hundred seventy-five (275) hours at the end of the fiscal year.

18 Managers on a military leave under Chapter 6 may accumulate vacation leave to any amount
19 provided that the balance is reduced to two hundred seventy-five (275) hours within two (2)
20 years of the manager’s return from the leave.

1 The Commissioner of Minnesota Management and Budget may temporarily suspend the
2 maximum number of hours which may be accumulated in emergency situations. Emergencies
3 are defined as nonrecurring situations that could not be anticipated or planned for.
4 Emergencies do not include seasonal fluctuation in workload (e.g., Legislature in session, budget
5 development, forest fire season, park season, or road construction season) which occur on a
6 regular and reasonably predictable basis.

7 **Vacation Leave Upon Separation.**

8 Vacation leave may not be used in combination with unpaid leave on separation from State
9 service to extend insurance coverage.

10 **Vacation Leave Liquidation.**

11 An eligible manager who separates from State service or moves to a vacation-ineligible position
12 shall be compensated, as detailed below, at the manager's current rate of pay, for all
13 accumulated and unused vacation leave up to a maximum of two hundred seventy-five (275)
14 hours. The maximum cap shall not apply in situations where the payout is due to the
15 employee's death. A manager who is placed on emergency layoff shall not have their
16 accumulated vacation liquidated.

17 A manager who is laid off or dies shall receive vacation in cash.

18 A manager who separates from State service with ten (10) or more years of continuous State
19 service shall have unused vacation hours placed in an individual Minnesota State Retirement
20 System Health Care Savings Plan account.

1 A manager who does not meet the ten (10) year continuous State service requirement or whose
2 combined vacation and severance payout is less than five hundred dollars (\$500), may choose
3 to:

- 4 • Be paid in a lump sum at the time of eligible separation,
- 5 • Arrange for a one-time deferred compensation or tax-sheltered annuity deduction,
6 provided the manager satisfies all requirements of the administrator or the deferred
7 compensation plan or tax-sheltered annuity; or
- 8 • A combination of both.

9 For budget reasons, an Appointing Authority may elect to distribute the vacation and severance
10 payment, whether paid to the manager or to an individual Minnesota State Retirement System
11 Health Care Savings Plan account, over a period of up to two (2) years from the date of
12 separation. If the manager dies before all of the vacation and severance pay has been
13 disbursed, the balance due shall be paid to a named beneficiary, if any, or to the manager's
14 estate.

15 **Conversion of Accumulated Vacation to Deferred Compensation.**

16 Once in each fiscal year, a manager with at least six (6) months of continuous service in this Plan
17 or any combination of service in the Managerial Plan, Commissioner's Plan, or qualifying service
18 in the Middle Management Association equaling at least six (6) months combined continuous
19 service must choose to either convert a portion of their accumulated vacation, up to a
20 maximum of fifty (50) vacation hours, to a contribution to a deferred compensation plan for
21 which the State provides payroll deduction or choose to receive the State-paid matching

1 deferred compensation contribution as provided in Chapter 14. No minimum service is required
2 if the State-paid matching deferred compensation contribution is selected.

3 Managers must choose one of these options by June 5th of each fiscal year.

4 Contributions to deferred compensation plans made through the conversion of vacation hours
5 are subject to all of the rules and regulations of their respective plans.

6 Appointing Authorities may limit the amount of vacation hours converted on an agency-wide
7 basis to deferred compensation or may deny requests for the State paid deferred compensation
8 contribution provided in Chapter 14 due to budget restrictions.

9 These provisions do not apply to employees covered by a compensation plan established under
10 the provisions of M.S. 43A.18, subdivision 4 unless that compensation plan is amended to
11 include a specific reference to these provisions.

12 **Chapter 5 – Sick Leave**

13 **Eligibility.**

14 All managers who are appointed for a period in excess or anticipated to be in excess of six (6)
15 months and are in payroll status, including managers serving a C-700 pre-probationary period,
16 are eligible for paid sick leave as provided in this Chapter.

1 **Sick Leave Credit.**

2 Upon entry to the State service in a managerial position, an eligible manager shall be credited
3 with eighty (80) hours (ten (10) days) of sick leave. Such credit shall be reduced proportionately
4 as sick leave is accumulated.

5 If an employee returns to State service in a managerial position and has sick leave hours
6 restored, they shall not be credited with eighty (80) hours of sick leave upon re-entry to State
7 service.

8 If a current employee in State service is appointed to a managerial position and that employee
9 has their sick leave hours transferred, they shall not be credited with any additional sick leave
10 hours.

11 **Sick Leave Accrual and Accumulation.**

12 A full-time manager shall accrue sick leave at the rate of four (4) hours per pay period. A
13 manager being paid for less than a full eighty (80) hour pay period shall have their sick leave
14 accrual prorated according to the schedule in Appendix C. Eligible managers on an unpaid
15 military leave under Chapter 6 shall earn and accrue sick leave as though actually at work,
16 pursuant to M.S. 192.261, Subd. 1.

17 **Transfer/Restoration of Sick Leave Hours.**

18 An eligible manager who moves without a break in service to a Managerial Plan position from
19 any other position in any branch of Minnesota State government, shall have their accumulated
20 sick leave balance transferred. If the previous accrual rate and maximum accumulation were

1 greater than those provided in this Plan, the leave balance shall be transferred in an amount
2 equal to what the manager would have accumulated under this Plan.

3 An eligible manager who is appointed to a Managerial Plan position within four (4) years from
4 the date of separation in good standing from any other position in any branch of Minnesota
5 State government shall have their sick leave balance restored provided that any manager being
6 appointed after receiving severance pay shall have their unpaid sick leave restored. If the
7 appointment is to a class that is sick leave ineligible, any previous unpaid sick leave shall not be
8 restored. If the previous accrual rate and maximum accumulation were greater than those
9 provided in this Plan, the leave balance shall be restored in an amount equal to what the
10 manager would have accumulated under this Plan.

11 A manager may use the restored sick leave immediately upon return to State service.

12 Usage.

13 Whenever practicable, a manager shall submit a written request for sick leave in advance of the
14 period of absence. When advance notice is not possible, the manager shall notify their
15 supervisor at the earliest opportunity. A manager shall be granted paid sick leave to the extent
16 of their accumulation for the following:

- 17 • Manager's own illness, disability or medical, chiropractic or dental care,
- 18 • Exposure to contagious disease which endangers the health of other persons,
- 19 • Inability to work during the period of time that the doctor certifies that the manager is
20 unable to work because of pregnancy or childbirth.

1 A manager shall be granted sick leave for such reasonable periods as the manager's attendance
2 may be necessary for the following:

- 3 • Illness, injury, disability, medical/dental/chiropractic care of the manager's family
4 members,
- 5 • With advance notice, the time necessary (including reasonable travel to and from the
6 work site) to accompany a family member to medical, chiropractic and dental
7 appointments,
- 8 • To arrange for necessary nursing care for a family member,
 - 9 ○ "Family members" (as defined in MN Statute 181.9413) means: spouse, minor
10 children, adult children, siblings, parents, stepparents, grandparents, grandchild,
11 father-in-law, and mother-in-law (the person being cared for need not live in the
12 same household as the manager). Other than for a child as defined in MN Statute
13 181.940, subd. 4 and 181.9413(e), the Appointing Authority may limit the use of sick
14 leave for family members to 160 hours in any 12-month period.
- 15 • For the purpose of obtaining assistance for the manager or providing assistance to a
16 family member because of sexual assault, domestic violence, or stalking. The Appointing
17 Authority may limit the use of sick leave for this purpose to 160 hours in any 12-month
18 period,
- 19 • Birth or adoption of the manager's child, not to exceed five (5) days, or;

- 1 • To attend the funeral of a spouse, parent, grandparent, stepparent, guardian, child,
2 grandchild, sibling, stepchild, ward, parent/grandparent of the spouse, or other close
3 relative for a reasonable period of time, including necessary travel time, but not for
4 absences to aid bereaved relatives or to attend to the estate of the deceased.

5 A manager using sick leave or unpaid medical leave may be required to furnish a statement
6 from their medical practitioner or a medical practitioner designated by the Appointing Authority
7 indicating the nature and expected duration of the illness or disability. The Appointing Authority
8 may also require a similar statement from a medical practitioner if the Appointing Authority has
9 reason to believe the manager is not able to work or has been exposed to a contagious disease
10 which endangers the health of other persons.

11 **Chapter 6 – Other Leaves of Absence**

12 **Application for Leave.**

13 A manager shall submit a request for a leave of absence in writing to the immediate supervisor
14 as far in advance of the requested absence as is practicable. The request shall state the reason
15 for, and the anticipated duration of, the leave of absence.

16 **Permanent Status.**

17 For the purposes of this Chapter, “permanent status” does not include a manager in a
18 probationary, unclassified, temporary, emergency or provisional appointment.

1 **Developmental Leave.**

2 A manager is eligible for a developmental leave to secure additional education, training, or
3 experience which will better prepare them to carry out their management responsibilities. A
4 developmental leave may be granted for any period up to two (2) years at no pay, partial pay,
5 or full pay. Granting of a developmental leave is at the discretion of the Appointing Authority. A
6 partially or fully paid leave must be approved in advance by the Commissioner of Minnesota
7 Management and Budget. The manager shall be eligible to retain State-paid insurance benefits
8 for which they are otherwise eligible while on developmental leave. A developmental leave
9 may be granted if the following criteria are met:

- 10 • The manager has at least three (3) years of State service;
- 11 • The manager has submitted to the Appointing Authority a plan for the developmental
12 leave showing how it will serve the purpose described above;
- 13 • The organizational function and goals can be carried out during the manager's absence;
- 14 • Funds are available for this purpose; and
- 15 • The manager agrees to return to State employment following completion of a paid
16 developmental leave for the amount of time specified by the Appointing Authority at the
17 time the leave was approved.

18 **Paid Leaves of Absence.**

19 Paid leaves of absence shall not exceed the manager's normal work schedule and shall be
20 granted as follows:

- 1 • **Paid Parental Leave.**
- 2 ○ **Length of Leave.** Paid parental leaves of absence of up to six (6) consecutive weeks shall
- 3 be granted to eligible state employees who request such leave following the birth or
- 4 adoption of a child.
- 5 ○ **Eligibility.** Employees are eligible if they meet eligibility criteria for Family and Medical
- 6 Leave Act (“FMLA”) leave, which generally means the employee has been employed by
- 7 any agency or entity of the State of Minnesota for twelve (12) months and has worked at
- 8 least 1,250 hours during the year immediately preceding the leave. Paid parental leave
- 9 (“PPL”) is available to employees who experience the following qualifying events:
- 10 ▪ An employee or their spouse/partner gives birth to the employee’s child;
- 11 ▪ A child is placed in the employee’s home for adoption; or
- 12 ▪ A child is placed in the employee’s home to adjudicate parentage in cases of
- 13 surrogacy when the employee is the intended parent.
- 14 ○ **Use.** Eligible employees must complete PPL within six (6) months of the qualifying event.
- 15 At the Appointing Authority’s discretion, employees may be allowed intermittent or
- 16 reduced schedule use of PPL, which must be completed within twelve (12) months of
- 17 the qualifying event. PPL not used within the required timeframe shall not be carried
- 18 over or cashed out.
- 19 ○ **Interaction with Other Leaves.** Paid parental leave will run concurrently with any unpaid
- 20 leave(s) that parents may be entitled to under other provisions of this Plan or provided

1 by law. Employees shall not receive other types of paid leave provided by this Plan (*e.g.*,
2 sick, vacation, compensatory time) for hours for which they are receiving PPL.

- 3 • **Court appearance leave** for appearances before a court or other judicial or quasi-judicial
4 body in response to a subpoena or other direction by proper authority for purposes related
5 to the manager's State job. The manager shall receive regular pay for such appearances or
6 attendances, including necessary travel time, provided that any fee received, exclusive of
7 paid expenses, is returned to the State. Any manager who must appear and testify in private
8 litigation, not as an officer of the State but as an individual, shall be required to use vacation
9 leave, or leave of absence without pay unless, by mutual consent with the Appointing
10 Authority, the manager is able to work an equivalent number of hours during the fiscal year
11 to compensate for the hours lost.
- 12 • **Jury duty leave** for time to serve on a jury provided that when not impaneled for actual
13 service or required by the Court to be present for potential selection for service, the
14 manager shall report to work.
- 15 • **Election Judge leave** for purposes of serving as an Election Judge in any election. The
16 manager must request the leave at least twenty (20) calendar days in advance.
- 17 • **Military leave** in accord with M.S. 192.261 for members of the National Guard or military or
18 naval reserves of this State or of the United States who are ordered or authorized by the
19 appropriate authority to engage in active service or training. This leave shall be limited to
20 fifteen (15) working days per calendar year. The manager must inform their Appointing
21 Authority within seven (7) calendar days of receiving notification of duty.

- 1 • **Voting time leave** for managers eligible to vote in a state primary election, a presidential
2 primary election, a state general election, a tribal election, or an election to fill a vacancy in
3 the United States Congress or in the office of state senator or state representative provided
4 that the leave is for a period of time long enough to vote during election day. See M.S.
5 204C.04.
- 6 • **Emergency leave** in the event of a natural or human-made emergency, if the Commissioner
7 of Minnesota Management and Budget, at the Commissioner’s discretion after consultation
8 with the Commissioner of Public Safety, determines to excuse employees with pay because
9 continued operation would involve a threat to the health or safety of individuals. The length
10 of any such leave shall be determined by the Commissioner of Minnesota Management and
11 Budget.
- 12 • **Athletic leave** at the Appointing Authority’s discretion, in accord with M.S. 15.62, to
13 prepare for and engage in world, Olympic, or Pan American games competition.
- 14 • **Blood donation leave** in accord with M.S. 43A.187 to donate blood at a location away from
15 the place of work, not to exceed three (3) hours in a 12-month period. The employee must
16 provide 14 days’ notice to the Appointing Authority.
- 17 • **Transition leave**, at the Appointing Authority’s discretion, for a manager on notice of
18 permanent layoff. This leave is limited to one hundred sixty (160) hours, ending at the date
19 of layoff. Hours of leave may be granted at any time throughout the layoff notice period and
20 are not subject to the Application and Return provisions of this Chapter.

- 1 • **Administrative leave**, at the Appointing Authority’s discretion, for a manager who has been
2 involved in a critical incident or where their continued presence in the workplace poses a
3 risk to the manager or the agency. Leave is limited to thirty (30) calendar days unless the
4 Commissioner of Minnesota Management and Budget authorizes an extension of not more
5 than thirty (30) additional calendar days. It is the Appointing Authority’s policy to return a
6 manager to active service as soon as practical and prudent.
- 7 • **Investigatory leave** as provided in Chapter 11.
- 8 • **Decision-making leave** of one (1) day, at the Appointing Authority’s discretion, as provided
9 in Chapter 11. The leave must be part of the discipline process and is for the purpose of
10 making a decision about continued employment.

11 **Unpaid Leaves of Absence - Mandatory.** Unpaid leaves of absence shall be granted upon a
12 manager's request as follows:

- 13 • **Medical leave** for a manager with permanent status for a cumulative period of up to one (1)
14 year per illness or injury, unless extended at the Appointing Authority’s discretion, when a
15 manager has exhausted their accumulation of sick leave due to an extended illness or injury.
16 The manager must return from medical leave for at least six (6) months in order to be
17 entitled to an additional one (1) year medical leave under this provision. (See sections on
18 Family and Medical Leave Act, personal leave, and other statutory leaves for medical leave
19 for managers without permanent status.)
- 20 • **Leave to a natural or adoptive parent** for a manager with permanent status for a period of
21 up to six (6) months when requested in conjunction with the birth or adoption of a child.

1 The leave shall begin on the date requested by the manager but no later than six (6) weeks
2 after the birth or adoption; except that, in the case where the child must remain in the
3 hospital longer than the birth parent, the leave may begin up to six (6) weeks after the child
4 leaves the hospital. Sick leave used with a medical practitioner's statement prior to the birth
5 of the child will not reduce the duration of the leave of absence. Sick leave or vacation used
6 following the birth of the child will not have the effect of extending the six (6)-month leave
7 of absence. Upon request, the Appointing Authority may extend the leave up to a maximum
8 of one (1) year per qualifying event. The manager must return from leave for at least six (6)
9 months in order to be entitled to leave under this provision for a subsequent qualifying
10 event. (See sections on Family and Medical Leave Act, personal leave, and other statutory
11 leaves for parenthood leave for managers without permanent status.)

- 12 • **Family and Medical Leave Act.** See Appendix H.
- 13 • **Military leave in accord with 38 U.S.C.4316** for the period required to perform active duty
14 for training or inactive duty training in the armed forces of the United States shall be
15 granted with the manager being permitted to return to the manager's position with such
16 seniority, status, pay, vacation, and sick leave as such manager would have had if the
17 manager had not been absent due to service under 4316. The manager should inform their
18 Appointing Authority as soon as practicable with advance written or verbal notice of
19 receiving notification of duty. See Chapters 4 and 5 regarding accrual of vacation and sick
20 leave during an unpaid military leave. At the manager's request, they shall be allowed to
21 supplement unpaid military leave with vacation leave, in accord with law. Any vacation
22 leave used must have been accumulated prior to the start of the military leave.

- 1 • **Military leave in accord with M.S. 192.261**, subdivision 1, for entry into active military
2 service in the armed forces of this State or of the United States for the period of military
3 service up to five (5) years plus any additional time, in each case, as the manager may be
4 required to serve pursuant to law. See Chapters 4 and 5 regarding accrual of vacation and
5 sick leave during an unpaid military leave. At the manager’s request, the manager shall be
6 allowed to supplement unpaid military leave with vacation leave, in accord with law. Any
7 vacation leave used must have been accumulated prior to the start of the military leave.
- 8 • **Political process leave** in accord with M.S. 202A.135 and 202A.19, subdivision 2, for the
9 purpose of attending a precinct caucus, a meeting of the State central or executive
10 committees of a major political party if the manager is a member of the committee, or any
11 convention of major political party delegates including meetings of official convention
12 committees if the manager is a convention delegate or alternate, provided that the leave is
13 requested ten (10) days prior to the leave start date.

14 **Unpaid Leaves of Absence - Discretionary.**

15 Unpaid leaves of absence may be granted upon a manager's request at the discretion of the
16 Appointing Authority as follows:

- 17 • **Salary savings leave** provided that an Appointing Authority shall not hire a replacement for
18 a manager on temporary leave. A manager taking salary savings leave shall continue to
19 accrue vacation and sick leave and be eligible for paid holidays and insurance benefits as if
20 the manager had been actually employed during the time of leave. If a leave of absence is

1 for one (1) full pay period or longer, any holiday pay shall be included in the first payroll
2 period after returning from the leave of absence.

3 • **Personal leave** for any reason, including but not limited to medical or parenthood leave for
4 non-permanent status managers. No such leave shall be granted for the purpose of securing
5 other employment, except as provided in this Chapter.

6 • **Unclassified service leave** in accord with M.S. 43A.07, subdivision 5, to allow a manager in
7 the classified service to accept a position in the unclassified service.

8 • **Elder care leave** to care for or to arrange care for parents of the manager or the manager's
9 spouse.

10 • **Voluntary Service leave** such as VISTA, Peace Corps, UNICEF, or International Red Cross for
11 a period not to exceed four (4) years.

12 **Other Statutory Leaves.**

13 Other mandatory and discretionary leaves are provided by statute, subject to statutory
14 requirements.

15 **Termination of Leave.**

16 A manager may terminate their leave of absence prior to the previously agreed upon date of
17 expiration of the leave with the approval of the Appointing Authority. Leaves of absence or
18 extensions of leaves which are subject to the discretionary authority of the Appointing
19 Authority may be cancelled by an Appointing Authority upon reasonable notice to the manager.
20 Such notice shall ordinarily be in writing except in case of emergency.

1 **Return from Leave.**

2 A manager returning from a leave of absence of one (1) month or more shall notify their
3 Appointing Authority at least two (2) weeks prior to the intended date of return. A manager on
4 an approved leave of absence is required to contact the Appointing Authority if an extension is
5 being requested. A manager shall be entitled to return from an approved leave of absence to a
6 vacant position in the same class and agency. If a vacant position in the manager's class is not
7 available, the Appointing Authority may offer the manager a vacant position in a different class
8 of comparable duties and pay for which they are qualified. If no vacant position is available
9 and/or offered, the layoff provisions (including displacement rights) of Chapter 10 shall apply to
10 the extent applicable.

11 **Failure to Return from Leave.**

12 Failure to contact the Appointing Authority about an extension prior to the end of the approved
13 leave or to return on expiration of the approved leave shall be deemed to be a voluntary
14 resignation. The manager shall be severed from State service.

15 **Chapter 7 – Probationary Period**

16 **Application of Probation.**

17 The probationary period is an extension of the selection process. It provides an opportunity for
18 the Appointing Authority to observe and the manager to demonstrate whether the manager
19 can perform the duties and fulfill the responsibilities of the position.

1 **Required Probationary Period.**

2 A manager shall be required to complete a probationary period in order to attain permanent
3 status in a class following unlimited appointment to a classified position except upon recall from
4 a Managerial Plan Agency layoff list within two (2) years of the date of layoff or if the
5 probationary period is optional as provided below.

6 **Optional Probationary Period.**

7 With written notice prior to the appointment date, a manager may be required by the
8 Appointing Authority to serve a probationary period in order to attain permanent status in a
9 class or agency after receiving any of the following types of appointments: reinstatement,
10 transfer to a new class within an agency or between agencies or jurisdictions, transfer within
11 the same class between agencies or jurisdictions, voluntary demotion to a new class within an
12 agency or between agencies or jurisdictions, or recall from a Managerial Plan Agency layoff list
13 more than two (2) years after the date of layoff.

14 **Length of Probationary Period.**

15 Probationary periods shall normally be for a period of one (1) year. An Appointing Authority
16 may reduce the length of a manager's required probationary period to not less than six (6)
17 months, or a manager's optional probationary period to any lesser length, provided the
18 manager has met the training requirements established in the Administrative Procedures and
19 has demonstrated that they can effectively perform the duties and responsibilities of the
20 position. In such cases, the Appointing Authority shall provide written notice to the manager

1 and the Commissioner of Minnesota Management and Budget of the determination to grant
2 permanent status prior to completion of the one (1) year period.

3 If a manager has not met the training requirements established in the Administrative
4 Procedures, the Appointing Authority may extend the probationary period for up to one (1)
5 additional year. The extension of a probationary period is not subject to the dispute resolution
6 procedure of Chapter 12. A manager whose probationary period is extended in accord with this
7 paragraph shall be provided with written notice of the length of the extension by the
8 Appointing Authority.

9 An Appointing Authority may extend a manager's probationary period for up to six (6)
10 additional months if it would aid the Appointing Authority in determining whether the manager
11 can perform the duties of the position. In such cases, the Appointing Authority shall provide the
12 manager with written notice of the length of the extension. The extension of a probationary
13 period is not subject to the Dispute Resolution Procedure of Chapter 12.

14 **Computation of Time on Probation.**

15 The probationary period begins on the day of unlimited appointment and includes all time in
16 the agency in the class and in any subsequent appointments in the agency to comparable or
17 higher related classes or related unclassified positions but not time on layoff or absences
18 exceeding ten (10) consecutive work days. Managers who promote or transfer to a different
19 agency prior to completion of their probationary period shall complete probation in the former
20 class, if different, on the same date they successfully complete probation in the new agency
21 (and class, if different). This applies only to moves within class series or to a related class.

1 Managers who demote during or at the end of a probationary period shall have time in the
2 higher class count toward completion of probation in the lower class, except as provided below
3 in “Failure to Attain Permanent Status.”

4 **Attainment of Permanent Status.**

5 A manager shall attain permanent status if the Appointing Authority certifies in writing that the
6 manager has successfully completed the probationary period.

7 **Failure to Attain Permanent Status.**

8 Probationary appointments may be terminated at any time at the discretion of the Appointing
9 Authority. The Appointing Authority shall notify the manager in writing of a decision not to
10 certify the manager to permanent status in the position for which the manager was serving the
11 probationary period (non-certification). Non-certification does not constitute a demotion or
12 discharge for the purposes of Chapter 11, and is not subject to the Dispute Resolution
13 Procedure of Chapter 12.

14 A manager serving an initial probationary period (including an extended probationary period as
15 described above) may be terminated by the Appointing Authority at any time during the
16 probationary period and shall have no further rights to State employment.

17 A manager who has attained permanent status in another class and/or agency and who is
18 notified by the Appointing Authority that they will not be certified to permanent status in the
19 new class and/or agency, unless the non-certification is for misconduct or delinquency, shall be
20 returned to a vacant position in the class, employment condition, and agency in which the
21 manager served immediately prior to appointment to the new class and/or agency as long as

1 the vacancy is within thirty-five (35) miles of the appointment in which the employee has
2 previously served. If there is no available vacancy, the layoff provisions (including bumping
3 rights) of the collective bargaining agreement or plan applicable to the former class and/or
4 agency shall be applied.

5 Managers who promote or transfer to a probationary appointment in another class and/or
6 agency prior to completion of an initial probationary period, and are notified by the new
7 Appointing Authority that they will be non-certified, unless the non-certification is for
8 misconduct or delinquency, may, at the former Appointing Authority's discretion, be returned
9 to a vacant position in the class, employment condition, and agency in which the manager
10 served immediately prior to appointment to the new class and/or agency. Upon return, the
11 manager will resume the probationary period at the point it was interrupted if returned to the
12 same position, unless the Appointing Authority elects to extend the probationary period. If the
13 manager returns to a different position, the probationary period begins anew. A manager who
14 has not attained permanent status in any position may be terminated at any time and has no
15 further rights to State employment.

16 For managers who previously had either permanent or probationary status in another class
17 and/or agency, return to a vacancy is subject to applicable provisions of collective bargaining
18 agreements and plans.

1 Chapter 8 – Management Development

2 Position Descriptions and Performance Objectives.

3 Every manager shall develop, with assistance from their supervisor, a position description and
4 performance goals or objectives that reflect their duties and incorporate the expectations of
5 the Appointing Authority. A permanent manager's position description and performance
6 objectives shall be reviewed with the manager at least once a year and, if necessary, rewritten
7 after the manager's annual appraisal or whenever there is a substantial change in duties, and at
8 least every three (3) years.

9 Performance Appraisal.

10 A probationary manager shall participate in a performance counseling review at the midpoint
11 and end of the probationary period. Performance appraisals for permanent status managers
12 shall be conducted at least once per year and are encouraged on a more frequent basis. Upon
13 request, a manager shall receive a copy of a written appraisal and shall have the opportunity to
14 review and comment in writing on the performance rating and to sign the appraisal as
15 indication of having read the appraisal, participated in the appraisal process, and had the
16 opportunity to make comment. In addition to performance goals and objectives, the
17 performance appraisal of the manager shall consider contributions to overall management
18 goals in the areas of employee development, health and safety, and affirmative action.
19 Performance ratings may be appealed to the Appointing Authority as provided by
20 Administrative Procedure 20.

1 **Individual Development Planning.**

2 As a part of the performance review, the manager and supervisor shall identify any gaps
3 between current levels of performance and those required for satisfactory performance in the
4 job. The manager and supervisor may also explore developmental needs or interests to improve
5 performance in the current position and/or attain higher levels of managerial responsibility
6 within the agency and State service. The manager and supervisor shall complete an Individual
7 Development Plan which identifies agreed upon needs, and establishes priorities for, and
8 methods of, responding to those needs. The plan shall be reviewed and updated at the time of
9 the annual performance review and shall be monitored during the appraisal period.

10 **Required Education.**

11 Newly appointed managers in the classified service must participate in developmental activities
12 in accord with Administrative Procedure 21 in order to attain permanent status in managerial
13 classes.

14 **All Other Education.**

15 All managers are expected to participate in training and development activities on an on-going
16 basis. Within the limits of available time and resources, training and development opportunities
17 shall be made available to the manager. As a first priority, the manager's supervisor and the
18 Appointing Authority shall make a reasonable effort to help the manager address the
19 developmental needs established in the Individual Development Plan by providing release time
20 and/or payment for enrollment in State-sponsored or approved courses and enrollment in

1 seminars and courses at educational institutions, in accord with Administrative Procedures and
2 this Chapter.

3 A manager may also request to attend a specific development activity. If, in the judgment of the
4 Appointing Authority, the requested college course or professional workshop, seminar,
5 conference, or other development activities, i.e., task force, special assignments, interchange
6 assignments, etc. will better prepare a manager to perform their current or projected
7 responsibilities and if staffing needs and budgetary resources permit, the Appointing Authority
8 may provide release time and/or reimbursement in accord with Administrative Procedure 21
9 and Chapter 15. Managers must successfully complete the development activity to be eligible
10 for reimbursement.

11 **Membership in Professional Organizations.**

12 In each fiscal year, the Appointing Authority may authorize payment for a manager of full or
13 partial costs of membership dues paid to professional organizations related to the manager's
14 job provided that the organization offering the membership does not directly influence agency
15 policies, exist primarily for social reasons, have as its primary purpose the advancement of
16 individual manager interests, or restrict membership on the basis of race, color, creed, religion,
17 national origin, sex, marital status, disability, sexual orientation, or age. The manager may
18 attend meetings and seminars of professional organizations during work hours if the amount of
19 time required is reasonable, the Appointing Authority approves such attendance as related to
20 the work assignment, and staffing requirements permit. The manager may hold office in

1 professional organizations if they receive no stipend or direct payment other than expense
2 reimbursement from the organization.

3 **Subscriptions.**

4 An Appointing Authority may authorize payment for the cost of a manager's individual
5 subscriptions to magazines or other professional publications provided that the publications
6 meet organizational needs.

7 **Interchange Assignments.**

8 A manager is eligible to participate in a temporary job change designed to broaden their work
9 experience and expand their perspectives. An interchange assignment may involve moves
10 between State agencies, between the State and other governmental jurisdictions, or between
11 the State and private organizations. These temporary assignments give the manager an
12 opportunity to use, develop, and expand their knowledge, skills, and abilities in a different work
13 environment. Assignments are usually full-time for a specified duration. These assignments may
14 be initiated by the manager or by either employer and require the approval of all three (3)
15 parties. Interchange assignments are governed by M.S. 15.51 to 15.59.

16 **Developmental Leave.**

17 See Chapter 6, Other Leaves of Absences.

1 Chapter 9 – Limited Interruptions of Work and Permanent Non-

2 disciplinary Separations

3 Limited Interruptions of Work.

4 A manager may have their employment interrupted, or normal work hours reduced, for a
5 period not in excess of two (2) consecutive calendar weeks, because of adverse weather
6 conditions, shortage of material or equipment, or other unexpected or unusual reasons. This
7 interruption of employment shall not be considered a layoff.

8 Upon request during limited interruptions of employment, managers shall be allowed to use
9 accumulated vacation leave or compensatory time in order to provide them with up to their
10 regularly scheduled number of hours of earnings for a pay period.

11 The Appointing Authority may approve requests from managers to receive an advance of hours
12 to provide them with up to their regularly scheduled number of hours of earnings for a pay
13 period. If approved, the advance may not exceed the manager's accumulated and unused
14 vacation leave. Managers who elect to draw such advances may not reduce their vacation
15 accumulation below the total hours advanced. With supervisory approval, the manager may
16 make up the hours advanced. In the payroll period ending closest to November 1 of each year,
17 all managers who received advances and have not made up the total hours advanced, shall
18 have the remaining hours subtracted from their vacation accumulation.

1 **Resignations.**

2 A manager may resign in good standing by providing the Appointing Authority with at least two
3 (2) weeks advance written notice.

4 **Termination of Unclassified Appointment.**

5 A manager appointed to an unclassified position (other than a supervisory position in the State
6 Patrol under M.S. 299D.03, subd. 12, a chief executive officer of a Minnesota Correctional
7 Facility under M.S. 241.01, subd. 3a(g), or other unclassified position for which statute requires
8 removal only for cause) may be terminated at any time at the discretion of the Appointing
9 Authority and shall have no further rights to State employment. However, a manager on an
10 approved unclassified service leave of absence may return to a position in the classified service
11 as provided in Chapter 6. Termination of an unclassified appointment does not constitute a
12 demotion or discharge for the purposes of Chapter 11, and is not subject to the Dispute
13 Resolution Procedure of Chapter 12.

14 **Termination of Temporary, Emergency or Provisional Appointment.**

15 A manager working in a temporary, emergency or provisional appointment may be terminated
16 at any time at the discretion of the Appointing Authority and shall have no further rights to
17 State employment unless, in the case of a provisional appointment, the provisional manager
18 has the right to return to the previously held class. Termination of a temporary, emergency or
19 provisional appointment does not constitute a demotion or discharge for the purposes of
20 Chapter 11, and is not subject to the Dispute Resolution Procedure of Chapter 12.

1 Chapter 10 – Seniority, Layoff, Recall, Termination of Unclassified

2 Appointment, and Reemployment

3 Application of Seniority.

4 All managers working in unlimited appointments in classified positions covered by this Plan shall
5 accrue seniority as outlined below to be applied by the Appointing Authority in determining
6 their relative positions for retention when a layoff occurs. Upon a manager's request, an
7 Appointing Authority shall provide the manager with full information regarding their seniority.

8 Computation of Seniority.

9 Seniority shall be calculated by class and shall include:

- 10 • All time since the last date of appointment to unlimited status in the class through
11 appointment from the selection process or appointment in accord with M.S. 43A.15,
12 subdivisions 4, 5, 6, 7, 12, 14, or 15;
- 13 • All time served in unlimited appointments in higher or comparably paid classified
14 positions determined by the Commissioner of Minnesota Management and Budget to
15 be related to the current class provided that the manager has not had a break in
16 employment; and except that for managers whose positions are reallocated to a lower
17 or equal class after January 1, 1980, seniority shall include service in the class from
18 which they were reallocated regardless of whether or not the higher or equal class is
19 related to the class to which reallocated;

- 1 • All time during which a manager is in layoff status or is on an approved leave of absence
2 provided that the manager returns to State service upon recall or expiration of an
3 approved leave. If the manager is on an approved leave of absence to an unclassified
4 position, the manager may only accrue seniority in the classification of the position from
5 which the manager is on leave if the manager has achieved permanent status in that
6 class. For the purposes of accruing seniority while on an unclassified leave, a manager's
7 probationary period in that class where applicable, must be at least six (6) months long.

8 For employees returning to the Managerial Plan through outside layoff, time in higher or
9 comparably paid related positions under another plan or collective bargaining agreement will
10 not be included in seniority until the employee returns to a Managerial Plan position. The
11 manager may use only seniority previously accrued under this Plan to bump into a Managerial
12 Plan position from a position under another plan or collective bargaining agreement.

13 **Ties in Seniority.**

14 When two (2) or more managers have equal seniority based on the above computation, ties
15 shall be broken in favor of the manager with the highest most recent annual performance rating
16 and, if a tie still exists, in favor of the manager with the longest length of continuous
17 employment with the State since the last date of hire.

18 **Determination of Qualifications.**

19 Either an Appointing Authority with selection authority delegated by Minnesota Management
20 and Budget, or Minnesota Management and Budget, will determine whether a manager is

1 position-qualified to exercise any of the position-filling provisions of this Chapter. The
2 qualification determination is not subject to the Dispute Resolution Procedure of Chapter 12.

3 **Layoff.**

4 A permanent classified manager may be laid off because of abolition of the manager's position,
5 shortage of work or funding, a management-imposed reduction in a full-time manager's normal
6 work hours which continues longer than two (2) consecutive weeks, ineligibility for
7 appointment to a reclassified position, or other reasons outside the manager's control. Any
8 permanent classified manager who has voluntarily requested and received Appointing Authority
9 approval to reduce their work hours shall not be considered to have been laid off.

10 **Emergency Layoff.**

11 Managers may be placed on emergency layoff if it is deemed necessary by the Commissioner of
12 Minnesota Management and Budget. Emergency layoff may be declared for events that include
13 but are not limited to: a natural disaster, epidemic, national security emergency, nuclear
14 emergency or fiscal exigency. During periods of emergency layoff, the employer may continue
15 to provide the employer's portion of insurance premiums.

16 Once the emergency requiring layoff has resolved, permanent classified managers placed on
17 emergency layoff shall be recalled to the position from which they were laid off. For
18 probationary classified managers and unclassified managers placed on emergency layoff, such
19 managers may be recalled to the position from which they were laid off unless the Appointing
20 Authority terminates the manager's appointment.

21 The procedures for layoff (specified below) are not applicable to emergency layoff.

1 If faced with the need to lay off permanent classified managers, an Appointing Authority shall:

2 Step 1: Determine which position is to be eliminated.

3 Step 2: To avert a layoff, reassign the manager occupying the position to be eliminated
4 to any vacancy the Appointing Authority determines to fill in the same class,
5 agency, and employment condition and within thirty-five (35) miles of the
6 position which is to be eliminated unless the manager is determined to be not
7 qualified for the position by the Commissioner of Minnesota Management and
8 Budget. The Appointing Authority shall terminate any provisional manager
9 working in an unlimited position covered by this Plan in the class, agency, and
10 employment condition within thirty-five (35) miles of the position which is being
11 eliminated and shall reassign the manager whose position is being eliminated to
12 the resultant vacancy before effecting a layoff.

13 Step 3: If a layoff cannot be averted through the reassignment procedures of Step 2,
14 notify the incumbent of the position to be eliminated in writing at least three (3)
15 weeks prior to the effective date of a layoff. The notice shall state the reasons for
16 the layoff action, the effective date of the layoff, and the estimated length of the
17 layoff period. It shall also offer the opportunity to discuss options available to the
18 manager in lieu of layoff. At the Appointing Authority's discretion, a manager on
19 notice of permanent layoff may be granted a Transition Leave as provided in
20 Chapter 6. An Appointing Authority is encouraged to notify all other managers
21 who potentially may be displaced as a result of the elimination of this position.

1 **Options to Permanent Classified Managers Notified of Layoff.**

2 A permanent classified manager notified of layoff shall have the options described below.
3 Managers may only bump within the same employment condition, but may be offered
4 vacancies in a different employment condition. However, a manager’s refusal to accept a
5 vacancy in a different employment condition shall not result in the forfeiture of other layoff
6 options. Before displacing another manager, the manager must accept a vacancy in the same
7 class, and employment condition if the vacancy is within thirty-five (35) miles of the manager’s
8 current work location. Any manager choosing to displace another manager must have greater
9 seniority than the manager who is to be displaced. The manager may:

10 Option 1: Accept the layoff.

11 Option 2: Unless determined to be not qualified for the affected position, choose
12 to displace the least senior manager within thirty-five (35) miles who is in
13 the same agency and who is in:

14 a. The same class and employment condition; or if the same class is not
15 available,

16 b. Any comparable or lower class in which the manager previously served
17 in order of previous service.

18 Option 3: If offered by the Appointing Authority, accept a vacancy in the same
19 agency and same class or any comparable or lower class for which the
20 manager is determined qualified.

1 Option 4: Displace the least senior manager in the same agency and employment
2 condition and in the same class or any comparable or lower class in which
3 the manager previously served in order of previous service (i.e., with no
4 thirty-five (35) mile restriction) unless determined not qualified.

5 Option 5: At the Appointing Authority's discretion, the Appointing Authority may offer
6 retirement-eligible permanent classified managers the early retirement
7 incentive detailed in Chapter 21 in exchange for the manager's agreement
8 to relinquish all bumping and claiming rights for which the manager would
9 otherwise be eligible pursuant to Options 1-4 as detailed above.

10 **Return Through Outside Layoff.**

11 If the following conditions are met, the Appointing Authority shall allow an agency permanent
12 classified manager to return to a position covered by this Plan:

- 13 • The manager previously had permanent classified status in a position (other than an
14 insufficient work time position) covered by this Plan; and
- 15 • The manager currently has permanent classified status in a higher or equal class; and
- 16 • The manager has received notice of permanent layoff and has exhausted all vacancy and
17 bumping options available under the layoff provisions of the plan or collective
18 bargaining agreement covering them for purposes of layoff; and
- 19 • That plan or collective bargaining agreement includes a provision allowing the return of
20 managers laid off under the Managerial Plan.

1 If all of these are met, the Appointing Authority shall allow the manager to exercise any of the
2 options listed above, under the conditions specified there. In addition, before displacing
3 another manager, the manager must accept a vacancy in an equal class for which the employer
4 has determined the manager qualified, within the same employment condition and within
5 thirty-five (35) miles of the manager's current work location. Also see "Computation of
6 Seniority" for information on calculating the manager's seniority for bumping.

7 **Managerial Plan Layoff List.**

8 Permanent classified managers who have been laid off, accepted demotions in lieu of layoff, or
9 been demoted to positions reallocated downward shall have their names placed in order of
10 seniority on the Managerial Plan Agency layoff list for the class, agency, and location from which
11 they were laid off or demoted. Such managers may indicate in writing other locations for which
12 they are available and may change their availabilities by notifying Minnesota Management and
13 Budget in writing. Names shall remain on the Managerial Plan Agency layoff list for one (1) year
14 or for a period of time equal to the manager's length of continuous State employment to a
15 maximum of five (5) years unless removed under the provisions of this Chapter.

16 **Recall.**

17 Permanent classified managers shall be recalled to positions in the class and agency from which
18 they were laid off or demoted in the order in which their names appear on the Managerial Plan
19 Agency layoff list unless the manager is determined to be not qualified for the position. The
20 Managerial Plan Agency layoff list for a class shall be used prior to the use of other selection
21 methods.

1 **Removal from Layoff List.**

2 The names of managers shall be removed from the Managerial Plan Agency layoff list for any of
3 the following reasons:

- 4 • Failure to accept recall from the layoff list to a position which matches the availabilities
5 specified by the manager.
- 6 • Unlimited appointment to a classified position in a class comparable to or higher than
7 the one from which the manager was laid off or demoted. A manager who is non-
8 certified in such a position may request that their name be restored to the layoff list for
9 the time remaining. Requests may be made in writing to Minnesota Management and
10 Budget.
- 11 • Expiration of the term of eligibility specified above.
- 12 • Separation from State service.

13 **Termination of Unclassified, Temporary, Emergency or Provisional Appointment.**

14 An unclassified, temporary, emergency or provisional appointment may be terminated at any
15 time at the discretion of the Appointing Authority and the incumbent shall have no further
16 rights to State employment. However, a manager on an approved unclassified service leave of
17 absence may return from leave to a position in the classified service as provided in Chapter 6
18 and a manager on a provisional appointment may have the right to return to the previously held
19 class. Termination of an unclassified, temporary, emergency or provisional appointment does
20 not constitute a demotion or discharge for the purposes of Chapter 11, and is not subject to the
21 Dispute Resolution Procedure of Chapter 12.

1 Chapter 11 – Disciplinary Action

2 Administration of Discipline.

3 An Appointing Authority shall make reasonable effort to discuss with the manager any
4 performance problem which may lead to disciplinary action and to assist the manager in
5 eliminating problem areas before disciplinary action becomes necessary. In the case of a
6 manager with permanent status, disciplinary action may be taken only for just cause as
7 provided in M.S. 43A.33, subdivision 2, which shall include failure to maintain any license
8 required in the position.

9 Managers with permanent status are those in the classified service who have successfully
10 completed an initial (or extended) probationary period or a probationary period requirement
11 following reinstatement, or whose probationary period is waived through specific statutory
12 direction. “Permanent status” does not include a manager while they are serving in the
13 unclassified service, even if they are on unclassified service leave from a classified position for
14 which they have permanent status. Managers on unclassified service leave may have return
15 rights as described in Chapters 6 and 9.

16 Non-certification during an initial (or extended) or subsequent probationary appointment does
17 not constitute discipline. Termination of an unclassified, temporary, emergency or provisional
18 appointment does not constitute discipline.

19 Refer to Chapter 7 (Probationary Period) for termination of managers serving a probationary
20 period and Chapter 10 (Seniority, Layoff, Recall, Termination of Unclassified Appointment, and

1 Reemployment) for termination of managers in unclassified, temporary, emergency or
2 provisional appointments.

3 For managers with permanent status, discipline may include, in any order, only the following:
4 oral reprimand, written reprimand, suspension (paid and unpaid), vacation deduction in lieu of
5 suspension, demotion, and/or discharge.

6 For managers without permanent status, discipline may include any of the preceding, except
7 discharge; managers without permanent status may be terminated at any time and none of the
8 provisions related to demotion or discharge shall apply to their termination.

9 **No Right to Representation:**

10 Managers do not have a right to representation during an investigation or in any discipline
11 meeting.

12 **Forms of Discipline.**

13 A. **Oral Reprimand.** An oral reprimand should be so identified and should be administered in
14 private.

15 B. **Written Reprimand.** A written reprimand should be clearly identified as such, should specify
16 reasons for the action, and should include a statement of the manager's option to appeal
17 through Step 2 of the Dispute Resolution Procedure in Chapter 12. Changes expected and
18 necessary to correct the deficiency should be clearly outlined.

19 C. **Paid or Unpaid Suspension, Vacation Deduction or Demotion.** Generally, managers are
20 exempt under the Fair Labor Standards Act (FLSA) and should only be given an unpaid

1 suspension for a full work week. However, if the unpaid suspension is for violation of safety
2 rules of major significance, for violating state or federal laws, or for violating written
3 workplace conduct rules applicable to all agency employees, the exempt manager may be
4 given an unpaid suspension of any number of work days. In lieu of unpaid suspension, the
5 Appointing Authority may, at its discretion, deduct hours from the manager's accumulated
6 vacation balances in any amount equal to the suspension. Vacation deduction in lieu of
7 suspension can be for any number of work days and is not subject to the FLSA's
8 requirements noted above.

9 Paid or unpaid suspension, vacation deduction and demotion require written notice. For
10 unpaid suspension of managers without permanent status, and for paid suspensions,
11 written notice should be given no later than the effective date of the action. For unpaid
12 suspension, vacation deduction in lieu of suspension or demotion of managers with
13 permanent status, and for vacation deduction in lieu of suspension for managers without
14 permanent status, written notice must be given no later than one (1) work day prior to the
15 effective date of the action. The notice should include the following:

- 16 1. Nature of the disciplinary action;
- 17 2. Specific reasons for the action;
- 18 3. Effective date of the action;
- 19 4. For unpaid suspension, vacation deduction in lieu of suspension or demotion of
20 managers with permanent status, and for vacation deduction in lieu of suspension for
21 managers without permanent status, the notice must include a statement of the

1 manager's right to request an opportunity to hear an explanation of the evidence
2 against them, and to present their side of the story while still in pay status, and notice
3 that this right expires at the end of the next scheduled day of work after the notice of
4 discipline is delivered unless the manager and the Appointing Authority agree otherwise;
5 if the manager was not in pay status at the time of the notice, the requirement to be in
6 pay status does not apply;

7 5. Statement of the manager's option to reply in writing to the Appointing Authority or
8 designee their response to the disciplinary action regardless of whether the manager
9 chooses to exercise their rights in (4) above (if applicable); and

10 a. In the case of a manager with permanent status, a statement of the manager's
11 option to appeal the disciplinary action as provided in Chapter 12, Dispute
12 Resolution Procedure, and for unpaid suspension, vacation deduction or demotion,
13 the notice must also include a statement of the permanent status manager's right to
14 appeal to the Bureau of Mediation Services within 30 calendar days following the
15 effective date of the disciplinary action, as provided in M.S. 43A.33, subd. 3;

16 b. In the case of all other managers, a statement of the manager's option to appeal as
17 provided in the Dispute Resolution Procedure described in Chapter 12.

18 A copy of the notice and the manager's written reply, if any, shall be filed by the Appointing
19 Authority with the Commissioner of Minnesota Management and Budget within ten (10)
20 calendar days of the effective date of discipline.

- 1 D. **Discharge of a Permanent Status Classified Manager.** Discharge requires a written notice,
2 no later than one (1) work day prior to effective date of discharge. The notice of discharge
3 must include the following:
- 4 1. Nature of the disciplinary action;
 - 5 2. Specific reasons for the action;
 - 6 3. Effective date of the action;
 - 7 4. Statement of the manager's right to request an opportunity to hear an explanation of
8 the evidence against them, and to present their side of the story while still in pay status,
9 and notice that this right expires at the end of the next scheduled day of work after the
10 notice of discharge is delivered unless the manager and the Appointing Authority agree
11 otherwise; if the manager was not in pay status at the time of the notice, the
12 requirement to be in pay status does not apply;
 - 13 5. Statement of the manager's option to reply in writing to the Appointing Authority or
14 designee their response to the disciplinary action regardless of whether the manager
15 chooses to exercise their rights in (4) above; and
 - 16 6. A statement of the manager's right to appeal the discharge as provided in Chapter 12,
17 Dispute Resolution Procedure, and to the Bureau of Mediation Services within thirty (30)
18 calendar days following the effective date of the disciplinary action, as provided in M.S.
19 43A.33, subd. 3.

1 A copy of the notice and the manager's written reply, if any, shall be filed by the Appointing
2 Authority with the Commissioner of Minnesota Management and Budget within ten (10)
3 calendar days of effective date of discipline.

4 **Investigatory Leave.**

5 The Appointing Authority/designee may place a manager who is the subject of a disciplinary
6 investigation on an investigatory leave with pay provided a reasonable basis exists to warrant
7 such leave.

8 **Decision-making Leave.**

9 Decision-making leave is time away from work with pay for one (1) day when counseling and/or
10 discipline have failed to correct performance or other issues with the manager. Prior to placing
11 the manager on decision-making leave, the supervisor shall meet with the manager to discuss
12 the performance and other issues, as well as previous attempts to bring the manager into
13 compliance. The assignment for the manager while on decision-making leave is to decide if they
14 want to continue working for the agency and adhere to the performance or other standard. The
15 manager shall return from leave with a decision to solve the immediate problem and make a
16 commitment to adhere to the performance or other standard. Failure of the manager to adhere
17 to the standard following return from leave may result in discipline, up to and including
18 discharge.

19 **Personnel Records.**

20 A manager disciplined under the provisions of this Chapter may submit a written statement
21 regarding the disciplinary action which will be placed in the manager's personnel record.

1 **Chapter 12 – Resolution of Disputes**

2 **Application.**

3 This Chapter covers resolution of disputes concerning interpretation and application of the
4 Managerial Plan and disciplinary action as defined in Chapter 11. If a manager/former manager
5 pursues an appeal under M.S. 197.46 (or other applicable Veterans Preference law), the
6 manager/former manager is precluded from making an appeal under this Dispute Resolution
7 Procedure.

8 **Permanent Status.**

9 Managers with permanent status are those in the classified service who have successfully
10 completed an initial (or extended) probationary period or a probationary period requirement
11 following reinstatement, or whose probationary period is waived through specific statutory
12 direction. “Permanent status” does not include a manager while they are serving in the
13 unclassified service, even if they are on unclassified service leave from a classified position for
14 which they have permanent status. Managers on unclassified service leave may have return
15 rights as described in Chapters 6 and 9.

16 **Representation.**

17 A manager may elect to be represented at their own expense at any step of the Dispute
18 Resolution Procedure.

1 **Non-Disciplinary Issues.**

2 The Appointing Authority shall adopt procedures for resolution of disputes concerning
3 interpretations and applications for which the Appointing Authority has discretion under this
4 Plan. Decisions reached through such procedures are not appealable to the Commissioner of
5 Minnesota Management and Budget. Disputes concerning other interpretations and
6 applications of the Managerial Plan, including the computation of seniority, but excluding
7 disciplinary action, are appealable only through Step 3a of the Dispute Resolution Procedure
8 below.

9 **Termination of Unclassified, Temporary, Emergency or Provisional Appointment.**

10 Termination of an unclassified, temporary, emergency or provisional appointment is not subject
11 to the Dispute Resolution Procedure below.

12 **Non-Certification.**

13 Non-certification is not appealable through the Dispute Resolution Procedure below. However,
14 when an Appointing Authority does not certify a manager on an initial or subsequent
15 probationary period, the manager shall have the right to a meeting with the Appointing
16 Authority or designee to discuss the non-certification decision. Managers serving a subsequent
17 probationary period may have return rights as described in Chapter 7.

18 **Oral Reprimands.**

19 Oral reprimands are not appealable.

1 **Written Reprimands.**

2 Written reprimands may be appealed only through Step 2 of the Dispute Resolution Procedure
3 below.

4 **Suspension, Vacation Deduction in Lieu of Suspension, Demotion.**

5 Managers without permanent status may appeal suspensions, vacation deduction in lieu of
6 suspension, and demotions (other than one resulting from non-certification or termination of
7 an unclassified, temporary, emergency or provisional appointment) through Step 3a of the
8 Dispute Resolution Procedure.

9 Managers with permanent status may appeal paid suspensions through Step 3a of the Dispute
10 Resolution Procedure.

11 Managers with permanent status may appeal unpaid suspensions, vacation deductions in lieu
12 of suspension and demotions through Step 3b of the Dispute Resolution Procedure.

13 If a manager with permanent status appeals an unpaid suspension, vacation deduction in lieu of
14 suspension, or demotion under the provisions of M.S. 43A.33, subdivision 3, any appeal at step
15 1 through 3a is waived and discontinued.

16 **Discharge.**

17 Managers with permanent status may appeal a discharge through Step 3b of the Dispute
18 Resolution Procedure.

19 If a manager with permanent status appeals a discharge under the provisions of M.S. 43A.33,
20 subdivision 3, any appeal at step 1 through 3a is waived and discontinued.

1 **Dispute Resolution Procedure.**

2 Disputes shall be resolved in accord with the following steps; however, at any step the parties
3 may mutually agree to attempt to resolve the dispute through mediation.

4 **Step 1:** Within fourteen (14) calendar days after the manager should have had knowledge of
5 the event leading to the dispute, the manager shall present to their supervisor in writing the
6 nature of the dispute, the facts upon which it is based, and the remedy requested. Within
7 seven (7) days, the supervisor shall give a written answer to the manager. If the dispute has
8 not been resolved satisfactorily, the manager may appeal in writing, within ten (10) calendar
9 days after the date of the supervisor's response, to the Appointing Authority or their
10 designee.

11 **Step 2:** The Appointing Authority or their designee shall meet with the manager within
12 seven (7) calendar days following an appeal from Step 1 and shall give the manager a
13 written answer within fourteen (14) calendar days following their meeting.

14 **Step 3a:** The manager may appeal the decision of the Appointing Authority or their designee
15 in writing to the Commissioner of Minnesota Management and Budget within seven (7)
16 calendar days after the Appointing Authority or designee has given an answer. The
17 Commissioner of Minnesota Management and Budget shall consider the information
18 presented by the manager and the Appointing Authority and shall make a decision and
19 notify the affected manager within thirty (30) calendar days. The Commissioner of
20 Minnesota Management and Budget may decide to hold a hearing to discuss the dispute.

1 The Commissioner of Minnesota Management and Budget shall have final authority to
2 decide whether the Appointing Authority shall settle the dispute.

3 **Step 3b:** A permanent status manager may appeal an unpaid suspension, vacation
4 deduction in lieu of suspension, demotion (other than one resulting from non-certification
5 or termination of an unclassified, temporary, emergency or provisional appointment) or
6 discharge at any step of the Dispute Resolution Procedure to the Bureau of Mediation
7 Services as provided under M.S. 43A.33, subdivision 3. An appeal to the Bureau of
8 Mediation Services must be made within thirty (30) calendar days following the effective
9 date of the disciplinary action. An appeal under M.S. 43A.33, subdivision 3 automatically
10 waives and discontinues any appeal at Step 1 through 3a.

11 **Time Limits.**

12 If a dispute is not presented within the time limit set forth in any of the steps above, it shall be
13 considered waived. If a dispute is not appealed to the next step within the time limit specified, it
14 shall be considered to be resolved on the basis of the last answer. If no response is made within
15 a specified time limit, the manager may elect to treat the dispute as denied at that step and
16 may appeal to the next step. Time limits on each step may be extended only by mutual written
17 agreement of the parties involved.

18 **Authorization of Payment.**

19 Any resolution of a dispute that results in a payment to a manager must be approved by the
20 Commissioner of Minnesota Management and Budget as provided in M.S. 43A.04, subdivision 6.

1 Chapter 13 – Insurance

2 Section 1. Manager Group Insurance Program (SEGIP).

3 Minnesota Management and Budget shall provide a Group Insurance Program that includes
4 health, dental, life, and disability coverages equivalent to existing coverages, subject to the
5 provisions of this Chapter. This Chapter is effective January 1, 2022. After December 31, 2023,
6 except for the requirement to offer a high deductible health plan and the Income Protection
7 Plan, the provisions of this Chapter are superseded and replaced by insurance benefits as
8 collectively bargained between the State and participating labor unions and approved for at
9 least one 2023-2024 collective bargaining agreement, by either the Subcommittee on Employee
10 Relations (SER) or the full legislature.

11 All insurance eligible managers will be provided access to an electronic summary of benefits
12 (SOB) or certificate of coverage (COC) for each insurance product. These documents shall be
13 provided no less than biennially and prior to the beginning of the insurance year.

14 Section 2. Eligibility for Group Participation.

15 This section describes eligibility to participate in the Group Insurance Program.

16 A. **Managers - Basic Eligibility.** Managers may participate in the Group Insurance Program if
17 they are scheduled to work at least one thousand forty-four (1044) hours in any twelve (12)
18 consecutive months, except for: emergency, or temporary classified, or intermittent
19 managers.

1 B. **Managers - Special Eligibility**. The following managers are also eligible to participate in the
2 Group Insurance Program:

3 1. **Managers with a Work-related Injury/Disability**. A manager who was off the State
4 payroll due to a work-related injury or a work-related disability may continue to
5 participate in the Group Insurance Program as long as such a manager receives workers'
6 compensation payments or while the workers' compensation claim is pending.

7 2. **Totally Disabled Managers**. Consistent with M.S. 62A.148, certain totally disabled
8 managers may continue to participate in the Group Insurance Program.

9 3. **Separated Managers Under M.S. 43A.27**. Pursuant to M.S. 43A.27, Subdivision 3(a)(1), a
10 manager who separates or retires from State service and who, at the time of separation
11 has five (5) or more years of allowable pension service and is entitled to immediately
12 receive an annuity under a State retirement program and, who is not eligible for regular
13 (non-disability) Medicare coverage, may continue to participate in the health and dental
14 coverages offered through the Group Insurance Program.

15 Consistent with M.S. 43A.27, subdivision 3(a)(2), a manager who separates from State
16 service and who, at the time of separation is at least fifty (50) years of age and at least
17 fifteen (15) years of State service may continue to participate in the health and dental
18 coverages offered through the Group Insurance Program. Retiree coverage must be
19 coordinated with Medicare.

20 C. **Dependents**. Eligible dependents for the purposes of this Chapter are as follows:

- 1 1. **Spouse.** The spouse of an eligible manager (if legally married under Minnesota law). For
2 the purpose of health insurance coverage, if that spouse works full-time for an
3 organization employing more than one hundred (100) people and:
- 4 (a) elects to receive either credits or cash in place of health insurance or health coverage or
5 towards some other benefit in place of health insurance, then they are not eligible for the
6 complete coverage or insurance under this Chapter, or
- 7 (b) is enrolled in a high deductible medical insurance plan (as defined by the IRS) that includes a
8 contribution to a health savings account (HSA) through their employing organization, then they
9 are not eligible for medical coverage under this Chapter. When both spouses work for the State
10 or another organization participating in the State Employee Group Insurance Program, a spouse
11 may be covered as a dependent by the other, but when covered as a dependent they may not
12 carry their own coverage (members may only be covered once).

13 If both spouses work for the State or another organization participating in the State’s
14 Group Insurance Program, a spouse may be covered as a dependent by the other.

15 2. **Children.**

- 16 a. **Health and Dental Coverage:** A dependent child is an eligible manager’s child to
17 age twenty-six (26).
- 18 b. **Dependent Child:** A “dependent child” includes a manager’s (1) biological child, (2)
19 child legally adopted by or placed for adoption with the manager, (3) step-child,
20 and (4) foster child who has been placed with the manager by an authorized

1 placement agency or by a judgment, decree, or other court order. For a stepchild to
2 be considered a dependent child, the manager must be legally married to the
3 child's legal parent or legal guardian. A manager (or the manager's spouse or
4 jointly) must have permanent, full and sole legal and physical custody of the foster
5 child.

- 6 c. **Coverage Under Only One Plan:** For purposes of (a) and (b) above, if the manager's
7 adult child (age 18 to 26) works for the State or another organization participating
8 in the State's Group Insurance Program, the child may not be covered as a
9 dependent by the manager unless the child is not eligible for a full Employer
10 Contribution as defined in Section 3A.

11 For purposes of (a) and (b) above, if the manager's adult child (age 18 to 26) works for
12 the State or another organization participating in the State's Group Insurance Program,
13 the child may be covered as a dependent by the manager.

- 14 3. **Grandchildren.** A dependent grandchild is an eligible manager's unmarried dependent
15 grandchild who:
- 16 a. Is financially dependent upon the manager for principal support and maintenance
17 and has resided with the manager continuously from birth, or
 - 18 b. Resides with the manager and is dependent upon the manager for principal support
19 and maintenance and is the child of the manager's unmarried child (the parent) to
20 age nineteen (19).

1 If a grandchild is legally adopted or placed in the legal custody of the grandparent, they
2 are covered as a dependent child under Section 2C (2) and (4).

3 4. **Child with a Disability**. A dependent child with a disability is an eligible manager's child
4 or grandchild regardless of marital status, who was covered and then disabled prior to
5 the limiting age or any other limiting term required for dependent coverage and who
6 continues to be incapable of self-sustaining employment by reason of developmental
7 disability, mental illness or disorder, or physical disability, and is chiefly dependent upon
8 the manager for support and maintenance, provided proof of such incapacity and
9 dependency must be furnished to the health carrier by the manager or enrollee within
10 thirty one (31) days of the child's attainment of the limiting age or any other limiting
11 term required for dependent coverage. The dependent with a disability is eligible to
12 continue coverage as long as they continue to be disabled and dependent, unless
13 coverage terminates under the contract.

14 5. **Qualified Medical Child Support Order**. A child who would otherwise meet the eligibility
15 requirements and is required to be covered by a Qualified Medical Child Support Order
16 (QMCSO) is considered an eligible dependent.

17 6. **Child Coverage Limited to Coverage Under One Manager**. If both spouses work for the
18 State or another organization participating in the State's Group Insurance Program,
19 either spouse, but not both, may cover the eligible dependent children or grandchildren.
20 This restriction also applies to two divorced, legally separated, or unmarried managers
21 who share legal responsibility for their eligible dependent children or grandchildren.

- 1 D. **Continuation Coverage.** Consistent with state and federal laws, certain managers, former
2 managers, dependents, and former dependents may continue group health, dental, and/or
3 life coverage at their own expense for a fixed length of time if the group coverage would
4 otherwise terminate due to:
- 5 a. Termination of employment (except for gross misconduct);
 - 6 b. Layoff;
 - 7 c. Reduction of hours to an ineligible status;
 - 8 d. Dependent child becoming ineligible due to change in age, student status, marital
9 status, or financial support (in the case of a foster child or stepchild);
 - 10 e. Death of manager;
 - 11 f. Divorce or legal separation; or
 - 12 g. A covered manager's enrollment in Medicare.

13 **Section 3. Eligibility for Employer Contribution.**

14 This section describes eligibility for an Employer Contribution toward the cost of coverage.

15 A. **Full Employer Contribution – Basic Eligibility.** Managers covered by this Plan who are
16 scheduled to work at least seventy-five (75) percent of the time are eligible for the full
17 Employer Contribution. This means:

- 18 1. Managers who are scheduled to work at least eighty (80) hours per pay period for a
19 period of nine (9) months or more in any twelve (12) consecutive months.

1 2. Managers who are scheduled to work at least sixty (60) hours per pay period for twelve
2 (12) consecutive months, but excluding part-time or seasonal managers serving on less
3 than a seventy-five percent (75%) basis.

4 B. **Partial Employer Contribution – Basic Eligibility**. The following managers covered by this
5 Plan receive the full Employer Contribution for basic life coverage, and at the manager's
6 option, a partial Employer Contribution for health and dental coverages if they are
7 scheduled to work at least fifty (50) percent but less than seventy-five (75) percent of the
8 time. This means:

- 9 1. Managers who hold part-time appointments and who are scheduled to work at least
10 forty (40) hours but less than sixty (60) hours per pay period for twelve (12) consecutive
11 months.
- 12 2. Managers who hold part-time or seasonal appointments and who are scheduled to work
13 at least one thousand forty-four (1044) hours over a period of any twelve (12)
14 consecutive months.

15 The partial Employer Contribution for health and dental coverages is seventy-five percent
16 (75%) of the full Employer Contribution for both employee only and dependent coverage.

17 C. **Special Eligibility**. The following managers also receive an Employer Contribution:

- 18 1. **Managers on Layoff**. A classified manager who receives an Employer Contribution, who
19 has three (3) or more years of continuous service, and who has been permanently or
20 seasonally laid off, remains eligible for an Employer Contribution and all other benefits
21 provided under this Chapter for an extended benefit eligibility period of six (6) months

1 from the date of layoff. In no event shall the Employer Contribution continue beyond
2 the date at which the manager reaches the age of sixty-five (65).

3 a. **Seasonal Layoff**. The calculation in determining the six (6) months duration of
4 eligibility for an Employer Contribution begins on the date the manager is
5 seasonally laid off.

6 b. **Permanent Layoff**. The calculation in determining the six (6) month duration of
7 eligibility for an Employer Contribution begins on the date the manager is
8 permanently laid off or accepts an appointment in lieu of layoff without a break in
9 service with a lesser employer-paid insurance contribution than the manager was
10 receiving in the appointment from which the layoff occurred and is no longer
11 actively employed in the appointment from which the layoff occurred.

12 In the event the manager, while on permanent or seasonal layoff, is rehired to any state
13 job classification with a lesser employer-paid insurance contribution than the manager
14 is receiving under the six (6) months of insurance continuation, the manager shall
15 continue to receive the Employer Contribution toward the employer-paid insurance for
16 the duration of the six (6) months.

17 However, notwithstanding the paragraph above, in the event the manager successfully
18 claims another state job in any agency and classification which is insurance eligible
19 without a break in service, and is subsequently non-certified or involuntarily separated,
20 the six (6) month duration for the Employer Contribution toward insurance benefits will

1 begin at the time the manager is non-certified or otherwise involuntarily separated and
2 is no longer actively employed by the Employer.

3 In no event shall an extended benefit eligibility period be longer than a total of six (6)
4 months. Further, a manager must be receiving an Employer Contribution under Section
5 3 (A) or (B) at the time of layoff in order to be eligible for the six (6) months continuation
6 of insurance.

- 7 2. **Work-related Injury/Disability.** A manager who receives an Employer Contribution and
8 who is off the State payroll due to a work-related injury or a work-related disability
9 remains eligible for an Employer Contribution as long as such a manager receives
10 workers' compensation payments. If such manager ceases to receive workers'
11 compensation payments for the injury or disability and is granted a medical leave under
12 Chapter 6, they shall be eligible for an Employer Contribution during that leave.

13 D. **Maintaining Eligibility for Employer Contribution.**

- 14 1. **General.** A manager who receives a full or partial Employer Contribution maintains that
15 eligibility as long as the manager meets the Employer Contribution eligibility
16 requirements, and appears on a State payroll for at least one (1) full working day during
17 each payroll period. This requirement does not apply to managers who receive an
18 Employer Contribution while on layoff as described in Section 3C1, or while eligible for
19 workers' compensation payments as described in Section 3C2.

- 20 2. **Unpaid Leave of Absence.** If a manager is on an unpaid leave of absence, then vacation
21 leave, compensatory time, or sick leave cannot be used for the purpose of maintaining

1 eligibility for an Employer Contribution by keeping the manager on a State payroll for
2 one (1) working day per pay period.

3 3. **School Year Employment.** If a manager is employed on the basis of a school year and
4 such employment contemplates absences from the State payroll during the summer
5 months or vacation periods scheduled by the Appointing Authority which occur during
6 the regular school year, the manager shall nonetheless remain eligible for an Employer
7 Contribution, provided that the manager appears on the regular payroll for at least one
8 working day in the payroll period immediately preceding such absences.

9 4. **Special Leaves.** A manager who is on an approved FMLA leave or on a salary savings
10 leave as provided elsewhere in this plan maintains eligibility for an Employer
11 Contribution.

12 **Section 4. Amount of Employer Contribution.**

13 For managers eligible for an Employer Contribution as described in Section 3, the amount of the
14 Employer Contribution will be determined as follows beginning on January 1, 2022. The
15 Employer Contribution amounts and rules in effect on June 30, 2021 will continue through
16 December 31, 2021.

17 A. **Contribution Formula - Health Coverage.**

18 1. **Manager Coverage.** For manager health coverage, the employer contributes an amount
19 equal to ninety-five percent (95%) of the manager-only premium of the Minnesota
20 Advantage Health Plan (Advantage).

1 2. **Dependent Coverage.** For dependent health coverage for the 2022 and 2023 plan years,
2 the employer contributes an amount equal to the lesser of eighty five percent (85%) of
3 the dependent premium of Advantage.

4 B. **Contribution Formula - Dental Coverage.**

5 1. **Manager Coverage.** For manager dental coverage, the employer contributes an amount
6 equal to the lesser of ninety percent (90%) of the manager premium of the State Dental
7 Plan, or the actual manager premium of the dental plan chosen by the manager.
8 However, beginning January 1, 2019, the minimum manager contribution shall be
9 thirteen dollars and fifty cents (\$13.50) per month.

10 2. **Dependent Coverage.** For dependent dental coverage, the employer contributes an
11 amount equal to the lesser of fifty percent (50%) of the dependent premium of the
12 State Dental Plan, or the actual dependent premium of the dental plan chosen by the
13 manager.

14 C. **Contribution Formula - Basic Life Coverage.** For manager basic life coverage and accidental
15 death and dismemberment coverage, the employer contributes one hundred percent
16 (100%) of the cost.

17 **Section 5. Coverage Changes and Effective Dates.**

18 A. **When Coverage May Be Chosen.**

19 1. **Newly Hired Managers.** A manager hired into an insurance eligible position must make
20 their benefit elections by their initial effective date of coverage as defined in this
21 Chapter, Section 5C. Insurance eligible managers will automatically be enrolled in basic

1 life coverage. If managers eligible for a full Employer Contribution do not choose a
2 health plan administrator and a primary care clinic by their initial effective date, and do
3 not waive medical coverage, they will be enrolled in a Benefit Level Two clinic (or Level
4 One, if available) that meets established access standards in the health plan with the
5 largest number of Benefit Level One and Two clinics in the county of the manager's
6 residence at the beginning of the insurance year. If a manager does not choose a health
7 plan administrator and primary care clinic by their initial effective date, but was
8 previously covered as a dependent immediately prior to their initial effective date, they
9 will be defaulted to the plan administrator and primary care clinic in which they were
10 previously enrolled.

11 Newly hired managers may waive medical coverage prior to their initial effective date if
12 they can provide documentation to SEGIP stating that enrolling in SEGIP coverage would
13 cause them to lose eligibility for other medical coverage currently in effect.

- 14 2. **Eligibility Changes**. Managers who become eligible for a full Employer Contribution
15 must make their benefit elections within thirty (30) calendar days of becoming eligible.
16 If managers do not choose a health plan administrator and a primary care clinic within
17 this thirty (30) day timeframe, and do not waive medical coverage, they will be enrolled
18 in a Benefit Level Two clinic (or Level One, if available) that meets established access
19 standards in the health plan with the largest number of Benefit Level One and Two
20 clinics in the county of the manager's residence at the beginning of the insurance year.

1 If managers who become eligible for a partial Employer Contribution choose to enroll in
2 insurance, they must do so within thirty (30) days of becoming eligible or during open
3 enrollment.

4 A manager may change their health or dental plan if the manager changes to a new
5 permanent work or residence location, and the manager's current plan is no longer
6 available. If the manager has family coverage and if the new residence location is
7 outside of the current plan's service area, the manager shall be permitted to switch to a
8 new plan administrator and new Benefit Level within thirty (30) days of the residence
9 location change. The election change must be due to and correspond with the change in
10 status.

11 A manager who receives notification of a work location change between the end of an
12 open enrollment period and the beginning of the next insurance year may change their
13 health or dental plan within thirty (30) calendar days of the date of the relocation under
14 the same provisions accorded during the last open enrollment period. A manager or
15 retired manager may also change health or dental plans in any other situation in which
16 the employer is required by the applicable federal or state law to allow a plan change.

- 17 3. **Waiving Medical Coverage.** **Effective July 1, 2017** Employees may choose to waive
18 medical coverage. If employees are eligible for the full Employer Contribution and
19 choose to waive medical coverage an employee must submit a Waiver of Medical
20 Coverage form and provide proof of other coverage by the end of the employee's
21 enrollment period. If an employee does not submit the form and proof by the end of the

1 employee's enrollment period the employee will be enrolled in medical coverage. If an
2 employee waives medical coverage the employee can elect it again during Open
3 Enrollment or midyear upon a permitted Qualified Life Event.

4 B. **When Coverage May be Changed or Cancelled.**

- 5 1. **Changes Due to a Life Event.** After the initial enrollment period and outside of any open
6 enrollment period, a manager may elect to change health or dental coverage (including
7 adding or canceling coverage) and any applicable manager contributions in the following
8 situations (as long as allowed under the applicable provisions, regulations, and rules of
9 the federal and state law in effect at the beginning of the plan year).

10 The request to change coverage must be consistent with a change in status that
11 qualifies as a life event, and does not include changing health or dental plans, which
12 may only be done under the terms of Section 5A above. Any election to add coverage
13 must be made within thirty (30) days following the event, and any election to cancel
14 coverage must be made within sixty (60) days following the event. (A manager and a
15 retired manager may add dependent health or dental coverage following the birth of a
16 child or dependent grandchild, or following the adoption of a child, without regard to
17 the thirty (30) day limit.) These life events (for both managers and retired managers)
18 are:

- 19 a. A change in legal marital status, including marriage, death of a spouse, divorce, legal
20 separation and annulment.

- 1 b. A change in number of dependents, including birth, death, adoption, and placement
2 for adoption.
- 3 c. A change in employment status of the manager, or the manager's or retired
4 manager's spouse or dependent, including termination or commencement of
5 employment, a strike or lockout, a commencement of or return from an unpaid
6 leave of absence, a change in worksite, and a change in working conditions
7 (including changing between part-time and full-time or hourly and salaried) of the
8 manager, the manager's or retired manager's spouse or dependent which results in
9 a change in the benefits they receive under a cafeteria plan or a health or dental
10 plan.
- 11 d. A dependent ceasing to satisfy eligibility requirements for coverage due to
12 attainment of age or otherwise no longer meets the eligibility requirements under
13 Section 2C.
- 14 e. A change in the place of residence of the manager, retired manager or their spouse
15 or dependent that is not in the health plan administrator's service area.
- 16 f. Significant cost or coverage changes (including coverage curtailment and the
17 addition of a benefit package).
- 18 g. Family and Medical Leave Act (FMLA) leave.
- 19 h. Judgments, decrees or orders.
- 20 i. A change in coverage of a spouse or dependent under another plan.

- 1 j. Open enrollment under another plan.
- 2 k. Health Insurance and Portability and Accountability Act (HIPAA) special enrollment
3 rights for new dependents and in the case of loss of other insurance coverage.
- 4 l. A COBRA-qualifying event.
- 5 m. Loss of coverage under the group health plan of a governmental or educational
6 institution (a State's children's health insurance program, medical care program of
7 an Indian tribal government, State health benefits risk pool, or foreign government
8 group health plan).
- 9 n. Entitlement to Medicare or Medicaid.
- 10 o. Any other situations in which the group health or dental plan is required by the
11 applicable federal or state law to allow a change in coverage.
- 12 2. **Canceling Dependent Coverage During Open Enrollment.** In addition to the above
13 situations, dependent health or dependent dental coverage may also be cancelled for
14 any reason during the open enrollment period that applies to each type of plan (as long
15 as allowed under the applicable provisions, regulations and rules of the federal and
16 state law in effect at the beginning of the plan year).
- 17 3. **Canceling Manager Coverage.** A part-time manager may also cancel manager coverage
18 within sixty (60) days of when one of the life events set forth above occurs.
- 19 4. **Effective Date of Benefit Termination.** Medical, dental and life coverage termination
20 will take effect on the first of the month following the loss of eligible manager or

1 dependent status. Disability benefit coverage terminations will take effect on the day
2 following loss of eligible manager status.

3 C. **Effective Date of Coverage.**

4 1. **Initial Effective Date.** The initial effective date of coverage under the Group Insurance
5 Program is the thirtieth(30th) day following the manager's first day of employment, re-
6 hire, or reinstatement with the State. The initial effective date of coverage for a
7 manager whose eligibility has changed is the date of the change. A manager must be
8 actively at work on the initial effective date of coverage, except that a manager who is
9 on paid leave on the date State-paid life insurance benefits increase is also entitled to
10 the increased life insurance coverage. In no event shall a manager's dependent's
11 coverage become effective before the manager's coverage.

12 If a manager is not actively at work due to manager or dependent health status or
13 medical disability, medical and dental coverage will still take effect. (Life and disability
14 coverage will be delayed until the manager returns to work.)

15 2. **Delay in Coverage Effective Date.**

16 a. **Basic Life.** If a manager is not actively at work on the initial effective date of
17 coverage, coverage will be effective on the first day of the manager's return to work.
18 The effective date of a change in coverage is not delayed in the event that, on the
19 date the coverage change would be effective, a manager is on an unpaid leave of
20 absence or layoff.

1 b. **Medical and Dental.** If a manager is not actively at work on the initial effective date
2 of coverage due to a reason other than hospitalization or medical disability of the
3 manager or dependent, medical and dental coverage will be effective on the first
4 day of the manager's return to work.

5 The effective date of a change in coverage is not delayed in the event that, on the
6 date the coverage change would be effective, a manager is on an unpaid leave of
7 absence or layoff.

8 c. **Optional Life and Disability Coverages.** In order for coverage to become effective,
9 the manager must be in active payroll status and not using sick leave on the first day
10 following approval by the insurance company. If it is an open enrollment period,
11 coverage may be applied for but will not become effective until the first day of the
12 manager's return to work.

13 D. **Open Enrollment.**

14 1. **Frequency and Duration.** There shall be an open enrollment period for health coverage
15 in each year of this Plan, and for dental coverage in the first year of this Plan. Dental
16 coverage will be offered during the 2023 plan year Open Enrollment. Each year of the
17 Plan, all managers shall have the option to complete a Health Assessment. Open
18 enrollment periods shall last a minimum of fourteen (14) calendar days in each year of
19 this Plan. Open enrollment changes become effective on January 1 of each year of this
20 Plan. Subject to a timely plan settlement, Minnesota Management and Budget shall

1 make open enrollment materials available to managers at least fourteen (14) days prior
2 to the start of the open enrollment period.

3 **2. Eligibility to Participate.** A manager eligible to participate in the State Employee Group
4 Insurance Program, as described in Section 2A and 2B, may participate in open
5 enrollment. In addition, a person in the following categories may, as allowed in Section
6 5E1 above, make certain changes: (1) a former manager or dependent on continuation
7 coverage, as described in Section 2D, may change plans or add coverage for health
8 and/or dental plans on the same basis as active managers; and (2) an early retiree, prior
9 to becoming eligible for Medicare, may change health and/or dental plans as agreed to
10 for active managers, but may not add dependent coverage.

11 **3. Materials for Manager Choice.** Each year prior to open enrollment, the Appointing
12 Authority will give eligible managers the information necessary to make open
13 enrollment selections. Managers will be provided a statement of their current coverage
14 each year of the plan.

15 E. **Coverage Selection Prior to Retirement.** A manager who retires and is eligible to continue
16 insurance coverage as a retired manager may change their health or dental plan during the
17 sixty (60) calendar day period immediately preceding the date of retirement. The manager
18 may not add dependent coverage during this period. The change takes effect on the first
19 day of the month following the date of retirement.

20 **Section 6. Basic Coverages.**

21 A. **Manager and Dependent Health Coverage.**

1 1. **Minnesota Advantage Health Plan (Advantage)**. The health coverage portion of the
2 State Employee Group Insurance Program is provided through the Minnesota Advantage
3 Health Plan (Advantage), a self-insured health plan offering four (4) Benefit Level
4 options. Provider networks and claim administration are provided by multiple plan
5 administrators. Coverage offered through Advantage is determined by Section 6A2.

6 2. **Coverage Under the Minnesota Advantage Health Plan**. From July 1, 2021 through
7 December 31, 2021, health coverage under the SEGIP will continue at the level in effect
8 on June 30, 2021. Effective January 1, 2022, Advantage will cover eligible services
9 subject to the copayments, deductibles and coinsurance coverage limits stated. Services
10 provided through Advantage are subject to the managed care procedures and
11 principles, including standards of medical necessity and appropriate practice, of the plan
12 administrators. Coverage details are provided in the Advantage Summary of Benefits.

13 a. **Benefit Options**. Managers must elect a plan administrator and primary care clinic.
14 Those elections will determine the Benefit Level through Advantage. Enrolled
15 dependents must elect a primary care clinic that is available through the plan
16 administrator chosen by the manager.

17 1. **Plan Administrator**. Managers must elect a plan administrator during their initial
18 enrollment in Advantage and may change their plan administrator election only
19 during the annual open enrollment and when permitted under Section 5.
20 Dependents must be enrolled through the same plan administrator as the
21 manager.

- 1 2. **Benefit Level.** The primary care clinics available through each plan administrator
2 are assigned a Benefit Level. The Benefit Levels are outlined in the benefit chart
3 below. Primary care clinics may be in different Benefit Levels for different plan
4 administrators. Family members may be enrolled in clinics that are in different
5 Benefits Levels. Managers and their dependents may change to clinics in
6 different Benefit Levels during the annual open enrollment. Managers and their
7 dependents may also elect to move to a clinic in a different Benefit Level within
8 the same plan administrator up to two (2) additional times during the plan year.
9 Unless the individual has a referral from their primary care clinic, there are no
10 benefits for services received from providers in Benefit Levels that are different
11 from that of the primary care clinic in which the individual has enrolled.
- 12 3. **Primary Care Clinic.** Managers and each of their covered dependents must
13 individually elect a primary care clinic within the network of providers offered by
14 the plan administrator chosen by the manager. Managers and their dependents
15 may elect to change clinics within their clinic’s Benefit Level as often as the plan
16 administrator permits and as outlined above.

5 **primary care clinic.** Under Advantage, the health care services outlined in the
6 benefits charts above shall be received from, or authorized by a primary care
7 physician within the primary care clinic. Preventive care, as outlined in the Summary

1 of Benefits, is covered at one hundred percent (100%) for services received from or
2 authorized by the primary care clinic. The primary care clinic shall be selected from
3 approved clinics in accordance with the Advantage administrative procedures.

4 Unless otherwise specified in 6A2, services not received from, or authorized by, a
5 primary care physician within the primary care clinic may not be covered. Unless the
6 individual has a referral from their primary care clinic, there are no benefits for
7 services received from providers in Benefit Levels that are different from that of the
8 primary care clinic in which the individual has enrolled.

9 d. **Services not requiring authorization by a primary care physician within the primary**
10 **care clinic.**

11 1. **Eye Exams.** Limited to one (1) routine examination per year for which no
12 copay applies. Eye injury or illness at an in-network provider will be covered
13 as an office visit based on the benefit level in which the individual is
14 enrolled.

15 2. **Outpatient emergency and urgicenter services within the service area.** The
16 emergency room copay applies to all outpatient emergency visits that do
17 not result in hospital admission within twenty-four (24) hours. The
18 urgicenter copay is the same as the primary care clinic office visit copay.

19 3. **Emergency and urgently needed care outside the service area.** Professional
20 services of a physician, emergency room treatment, and inpatient hospital
21 services are covered at eighty percent (80%) of the first two thousand

1 dollars (\$2,000) of the charges incurred per insurance year, and one
2 hundred percent (100%) thereafter. The maximum eligible out-of-pocket
3 expense per individual per year for this benefit is four hundred dollars
4 (\$400). This benefit is not available when the member's condition permits
5 them to receive care within the network of the plan in which the individual
6 is enrolled.

7 4. **Ambulance.** The deductible and coinsurance for services not subject to
8 copays applies.

9 e. **Prescription drugs.**

7 standard copayment plus the difference between the cost of the brand name
8 drug and the generic. Amounts above the copay that an individual elects to
9 pay for a brand name instead of a generic drug will not be credited toward
10 the out-of-pocket maximum.

11 f. **Special Service networks.** The following services must be received from special

3 **participating in Advantage.** If these individuals use the plan administrator’s national
4 preferred provider organization in their area, services will be covered at Benefit
5 Level Two. If a national preferred provider is not available in their area, services will
6 be covered at Benefit Level Two through any other provider available in their area. If
7 the national preferred provider organization is available but not used, benefits will
8 be paid at the POS level described in paragraph “i” below. All terms and conditions

18 i. **Individuals whose permanent residence is outside the State of Minnesota and**
19 **outside the service areas of the health plans participating in Advantage.** (This
20 category includes managers temporarily residing outside Minnesota on temporary
21 assignment or paid leave (including sabbatical leaves) and all dependent children
22 (including college students) and spouses living out of area.) The point of service

1 (POS) benefit described below is available to these individuals. All terms and

20 clinic is in Cost Level 4.

- 1 k. **In-Network Convenience Clinics and Online Care.** Services received at in-network
2 convenience clinics and online care are not subject to a copayment. First dollar
3 deductibles are waived for convenience clinic and online care visits. (Note that
4 prescriptions received as a result of a visit are subject to the drug copayment and
5 out-of-pocket maximums described above at 6A2(4)e).
- 6 3. Minnesota Management and Budget shall offer a high deductible health plan as a
7 voluntary alternative to the Minnesota Advantage Health Plan.
- 8 4. **Benefit Level Two Health Care Network Determination.** Issues regarding the health
9 care networks for the 2022 insurance year shall be negotiated in accordance with the
10 following procedures:
- 11 a. At least twelve (12) weeks prior to the open enrollment period for the 2020
12 insurance year Minnesota Management and Budget shall meet and confer with
13 the Joint Labor/Management Committee on Health Plans in an attempt to reach
14 agreement on the Benefit Level Two health care networks.
- 15 b. If no agreement is reached within five (5) working days, Minnesota Management
16 and Budget and the Joint Labor/Management Committee on behalf of all of the
17 exclusive representatives shall submit a list of providers/provider groups in
18 dispute to a mutually agreed upon neutral expert in health care delivery systems
19 for final and binding resolution. The only providers/provider groups that may be
20 submitted for resolution by this process are those for which, since the list for the
21 202021 insurance year was established, Benefit Level Two access has changed,

1 or those that are intended to address specific problems caused by a reduction in
2 Benefit Level Two access.

3 c. Absent agreement on a neutral expert, the parties shall select an arbitrator from

5 parties shall flip a coin to determine who strikes first. One-half (1/2) of the fees
6 and expenses of the neutral shall be paid by Minnesota Management and
7 Budget and one-half (1/2) by the Exclusive Representatives. The parties shall
8 select a neutral within five (5) working days after no agreement is reached, and a
9 hearing shall be held within fourteen (14) working days of the selection of the
10 neutral.

11 d. The decision of the neutral shall be issued within two (2) working days after the
12 hearing.

13 5. **Coordination with Workers' Compensation.** When a manager has incurred an on-the-
14 job injury or an on-the-job disability and has filed a claim for workers' compensation,

16 health plan, pursuant to M.S. 176.191, Subdivision 3.

17 6. **Health Promotion and Health Education.** Minnesota Management and Budget

- a. **Develop programs.**
 - 1. **Policy.** Minnesota Management and Budget will develop and implement health promotion, health education programs, and other programs mutually agreed upon with the Joint Labor Management Committee on Health Plans, subject to the availability of resources. Each Appointing Authority will develop a health promotion and health education program consistent with the Minnesota Management and Budget policy. Minnesota Management and Budget may develop voluntary pilot programs to test the acceptability of various risk management programs, programs that seek to control costs, programs that streamline the delivery of services, or that enhance services to members. Incentives for participation in such programs may include improvements to the benefits outlined in this Chapter.

- b. **Health plan specification.** Minnesota Management and Budget will require health plans participating in the Group Insurance Program to develop and implement health promotion and health education programs for State managers and their dependents.

- c. **Manager participation.** Minnesota Management and Budget will assist managers' participation in health promotion and health education programs. Health promotion and health education programs that have been endorsed by Minnesota Management and Budget will be considered to be non-assigned job-related training pursuant to Administrative Procedure 21. Approval for this training is at the discretion of the Appointing Authority and is contingent upon

1 meeting staffing needs in the manager's absence and the availability of funds.
2 Managers are eligible for release time, tuition reimbursement, or a pro rata
3 combination of both. Managers may be reimbursed for up to one hundred
4 percent (100%) of tuition or registration costs upon successful completion of the
5 program. Managers may be granted release time, including the travel time, in
6 lieu of reimbursement.

7 d. **Health Promotion Incentives.** The Joint Labor-Management Committee on
8 Health Plans shall develop a program which provides incentives for managers
9 who participate in a health promotion program. The health promotion program
10 shall emphasize the adoption and maintenance of more healthy lifestyle
11 behaviors and shall encourage wiser usage of the health care system.

12 7. **Post Retirement Health Care Benefit.** Managers who separate (other than termination
13 or discharge) from State service and who, at the time of separation are insurance
14 eligible and entitled to immediately receive an annuity under a State retirement
15 program shall be entitled to a contribution of two hundred fifty dollars (\$250) to the
16 Minnesota State Retirement System's (MSRS) Health Care Savings Plan. Employees who
17 have a HCSP waiver on file shall receive a two hundred fifty dollars (\$250) cash payment.
18 If the manager separates due to death, the two hundred fifty dollars (\$250) is paid in
19 cash, not to the HCSP. A manager who becomes totally and permanently disabled, who
20 receives a State disability benefit, and is eligible for a deferred annuity under a State
21 retirement program is also eligible for the two hundred fifty dollars (\$250) contribution
22 to the MSRS Health Care Savings Plan. Managers are eligible for this benefit only once.'

1 **8. Temporary plan changes due to a State or national emergency.**

2 If the State or a federal government agency declares a state of emergency or otherwise invokes
3 emergency authority by declaration, rules, regulations or similar official statements, the terms
4 of the programs administered by SEGIP may be changed for the period of the declared
5 emergency and for up to a 30 day run-out period. These changes may include changes to
6 programs administered by SEGIP including but not limited to, benefit design, enrollment and
7 eligibility, billing, and administration as well as waiver of out-of-network restrictions, changes
8 to out of pocket costs, extension of time frames for enrollment and billing, and other protocols
9 reasonably required to provide Members with access to benefits. Nothing in this provision
10 prohibits SEGIP from making changes authorized or required under another authority.

11
12 **B. Manager and Family Dental Coverage.**

17 coverage:

18 a. **Copayments.** Effective January 1, 2019, the State Dental Plan will cover
19 allowable charges for the following services subject to the copayments and
20 coverage limits stated. Higher out-of-pocket costs apply to services obtained
21 from dental care providers not in the State Dental Plan network. Services

1 provided through the State Dental Plan are subject to the State Dental Plan's
 2 managed care procedures and principles, including standards of dental necessity
 3 and appropriate practice. The plan shall cover general cleaning two (2) times per
 4 plan year and special cleanings (root or deep cleaning) as prescribed by the

15 2. **Disability insurance elimination periods.** Elimination periods can be changed once a

18 3. **Extended Benefits.** A manager who becomes totally disabled before age seventy (70)
19 shall be eligible for the extended benefit provisions of the life insurance policy until age
20 seventy (70). Employees who were disabled prior to July 1, 1983 and who have

8 state service, a new manager may purchase up to two (2) times annual salary in
9 optional employee life coverage by their initial effective date of coverage as defined
10 in this Chapter, Section 5C without evidence of insurability. An individual may only be
11 covered on one state sponsored life coverage policy. A retired employee who returns
12 to state service with optional employee life coverage in place or who has already
13 received a paid-up benefit is not eligible for optional employee life coverage. A
14 manager who becomes eligible for insurance may purchase up to two (2) times
15 annual salary in optional employee life coverage without evidence of insurability
16 within thirty (30) days of the initial effective date as defined in this Chapter.

17 2. **Spouse.** A manager may purchase up to five hundred thousand dollars (\$500,000) life
18 insurance coverage for their spouse, in increments established by Minnesota

21 employee who returns to state service with optional employee life coverage in place

1 or who has already received a paid-up benefit is not eligible for optional employee life
2 coverage. Upon initial appointment to state service, a new manager may purchase
3 either five thousand dollars (\$5,000) or ten thousand dollars (\$10,000) in optional
4 spouse life coverage by their initial effective date of coverage as defined in this
5 Chapter, Section 5C without evidence of insurability. A manager who becomes eligible
6 for insurance may purchase either five thousand dollars (\$5,000) or ten thousand
7 dollars (\$10,000) in optional spouse coverage without evidence of insurability within
8 thirty (30) days of the initial effective date as defined in this Chapter.

10 thousand dollars (\$10,000) as a package for all eligible children/grandchildren (as
11 defined in Section 2C2 and 2C3 of this Chapter). An individual may only be covered on
12 one policy, by one employee participating in the State Employee Group Insurance
13 Program. For a new manager, child/grandchild coverage requires evidence of
14 insurability if application is made after the initial effective date of coverage as defined
15 in this Chapter, Section 5C. A manager who becomes eligible for insurance may
16 purchase child/grandchild coverage without evidence of insurability if application is
17 made within thirty (30) days of the initial effective date as defined in this Chapter.
18 Child/grandchild coverage commences immediately from the moment of live birth up
19 to age twenty-six (26).

20 4. **Accelerated Life**. The additional manager, spouse and child life insurance policies will
21 include an accelerated benefits agreement providing for payment of benefits prior to
22 death if the insured has a terminal condition.

1 5. **Waiver of Premium.** In the event a manager becomes totally disabled before age
2 seventy (70), there shall be a waiver of premium for all life insurance coverage that
3 the manager had at the time of disability.

4 6. **Paid Up Life Policy.** At age sixty-five (65) or the date of retirement, a manager who
5 has carried optional life insurance for the five (5) consecutive years immediately
6 preceding the date of the manager's retirement or age sixty-five (65), whichever is
7 later, shall receive a post-retirement paid-up life insurance policy in an amount equal
8 to fifteen percent (15%) of the smallest amount of optional manager life insurance in
9 force during that five (5) year period. The manager's post-retirement death benefit
10 shall be effective as of the date of the manager's retirement or the manager age
11 sixty-five (65), whichever is later. Managers who retire prior to age sixty-five (65)
12 must be immediately eligible to receive a state retirement annuity and must continue
13 their optional manager life insurance to age sixty-five (65) in order to remain eligible
14 for the manager post-retirement death benefit.

15 A manager who has carried optional spouse life insurance for the five (5) consecutive
16 years immediately preceding the date of the manager's retirement or spouse age
17 sixty-five (65), whichever is later, shall receive a post-retirement paid-up life
18 insurance policy in an amount equal to fifteen percent (15%) of the smallest amount
19 of optional spouse life insurance in force during that five (5) year period. The spouse
20 post-retirement death benefit shall be effective as of the date of the manager's
21 retirement or spouse age sixty-five (65), whichever is later. The manager must
22 continue the full amount of optional spouse life insurance to the date of the

1 manager's retirement or spouse age sixty-five (65), whichever is later, in order to
2 remain eligible for the spouse post-retirement death benefit.

3 Each policy remains separate and distinct, and amounts may not be combined for the
4 purpose of increasing the amount of a single policy.

5 B. **Disability Coverage.**

6 1. **Short-term Disability Coverage.** An employee who carries short-term disability and is
7 promoted to a managerial position may continue the coverage in force at that time.

8 The manager may decrease or cancel the coverage, but may not increase the
9 coverage.

10 2. **Long-term Disability Coverage.** An employee who is promoted to a managerial
11 position is eligible for long-term disability coverage only through the Income
12 Protection Plan.

13 C. **Accidental Death and Dismemberment Coverage.** A manager may purchase accidental
14 death and dismemberment coverage that provides principal sum benefits in amounts
15 ranging from five thousand dollars (\$5,000) to two hundred thousand dollars (\$200,000).
16 Payment is made only for accidental bodily injury or death and may vary, depending upon
17 the extent of dismemberment. A manager may also purchase from five thousand dollars
18 (\$5,000) to twenty-five thousand dollars (\$25,000) in coverage for their spouse, but not in
19 excess of the amount carried by the manager.

20 D. **Vision Coverage.** A fully employee-paid vision benefit is available to managers.

1 E. **Continuation of Optional Coverages During Unpaid Leave or Layoff.** A manager who takes
2 an unpaid leave of absence or who is laid off may discontinue premium payments on short-
3 term disability and optional employee, spouse and child life policies during the period of
4 leave or layoff. If the manager returns within one (1) year, the manager shall be permitted
5 to pick up all optional coverages held prior to the leave or layoff. For purposes of reinstating
6 such optional coverages, the following limitations shall be applicable.

7 For the first twenty-four (24) months of long-term disability coverage after such a
8 period of leave or layoff during which long-term disability coverage was discontinued,
9 any such disability coverage shall exclude coverage for certain pre-existing conditions.

10 For disability purposes, a pre-existing condition is defined as any disability which is
11 caused by, or results from, any injury, sickness or pregnancy which occurred, was
12 diagnosed, or for which medical care was received during the period of leave or layoff.

13 In addition, any pre-existing condition limitations that would have been in effect under
14 the policy but for the discontinuance of coverage shall continue to apply as provided in
15 the policy.

16 The limitations set forth above do not apply to Family and Medical Leave Act (FMLA) leaves.

17 **Chapter 14 - Salary Administration**

18 **Salary Ranges.**

19 Each classified position is assigned, and each unclassified position is compared, to a specific job
20 class at the time a position is established. Each class, except those for which a salary rate or

1 range is established by law, shall be assigned to a salary range as indicated in Appendix E. The
2 Commissioner of Minnesota Management and Budget may reassign or recompare positions to
3 different classes and may reassign classes to different salary ranges and may establish salary
4 ranges.

5 **Salary Rates and Limits.**

6 The salary rate for each manager shall be set by the Appointing Authority within the limits of
7 the salary range to which the manager's class is assigned, subject to the limitations of Personnel
8 Rule 3900.2100 and this Chapter. A manager's salary rate may not exceed the maximum of the
9 salary range except as provided in this Chapter or by law.

10 **General Salary Increases.**

11 Managers covered by this Plan shall receive a salary increase of two and one-half percent
12 (2.5%), rounded to the nearest cent per hour effective July 1, 2021, if the Appointing Authority
13 certifies that the manager has achieved performance standards or objectives. This salary
14 increase shall not result in a salary above the new maximum of the salary range for the
15 classification.

16 Effective July 1, 2022, managers covered by this Plan shall receive a salary increase of two and
17 one-half percent (2.5%) rounded to the nearest cent per hour, if the Appointing Authority
18 certifies that the manager has achieved performance standards or objectives.

19 Managers whose salaries are specified in statute are not eligible for general or performance-
20 based salary increases under this Plan.

1 The salary ranges for classes covered by this Plan effective July 1, 2021 through June 30, 2022
2 are contained in Appendix F-1. Salary ranges in effect beginning on July 1, 2022 are contained in
3 Appendix F-2.

4 **Performance-Based Salary Increases.**

5 A manager who in a position covered by this Plan on the day before the pay period in which
6 January 1, 2022 occurs (and each January 1 thereafter) is eligible for one performance-based
7 salary increase each year of up to three and one-half percent (3.5%) rounded to the nearest
8 cent per hour if the manager's current salary is not at or over the maximum rate of the new
9 salary range and the Appointing Authority certifies that the manager has achieved performance
10 standards or objectives. The salary increase may be in the form of an adjustment to the
11 manager's base salary rate, a lump sum or a combination of both, but shall not result in a base
12 salary rate above the new maximum of the salary range for the classification. Managers whose
13 salaries are at or over the range new maximum are not eligible for lump sum increases.

14 For performance increases in this section, the Commissioner of Minnesota Management and
15 Budget may reduce, eliminate, or delay the implementation of performance-based salary
16 increases. In the absence of a determination by the Commissioner of Minnesota Management
17 and Budget to reduce, eliminate or delay the implementation of performance-based salary
18 increases, the Appointing Authority may withhold part or all of, or delay any salary increase,
19 because of performance, budget constraints, or to realign internal salary relationships. If salary
20 increases are delayed (other than for performance), they shall be effective no later than the
21 beginning of the first full pay period in the following June. If salary increases are delayed for

1 performance, no increase shall occur until the Appointing Authority certifies that performance
2 standards or objectives have been met. A manager may be granted only one performance-
3 based salary increase during each fiscal year.

4 **Hiring Incentive.**

5 At the written request of the Appointing Authority and with the approval of the Commissioner
6 of Management and Budget, an agency may offer a hiring incentive of up to fifteen thousand
7 dollars (\$15,000) to encourage a candidate to accept an appointment in a difficult to fill position
8 where an incentive is necessary to attract a qualified individual. The Appointing Authority shall
9 determine the amount of the incentive, not to exceed fifteen thousand dollars (\$15,000), and
10 the timing of incentive payments and communicate them to the candidate in writing prior to
11 the appointment. However, no incentive payment may be granted before six (6) months or later
12 than twenty-four (24) months of continuous satisfactory employment in the hiring agency.

13 **Achievement Awards and Other Incentive Plans.**

14 Each Appointing Authority may adopt a formal plan for the administration of lump sum
15 payment programs for managers covered by this Plan. The plan may include, but is not limited
16 to:

- 17 • Achievement award programs
- 18 • Gain-sharing plans
- 19 • Productivity incentive plans
- 20 • Recognition awards
- 21 • Project bonuses

1 Expenditures for such programs are at the discretion of the Appointing Authority and subject to
2 the availability of funds. All expenditures shall be in the form of lump sum payments of no more
3 than two thousand six hundred dollars (\$2,600) per individual per fiscal year and shall not be
4 incurred as a continuing obligation.

5 Any manager who has demonstrated outstanding performance may receive an individual
6 achievement award of up to one thousand six hundred dollars (\$1,600) per fiscal year. In
7 addition, the Appointing Authority may, at its discretion, provide a team award to a manager
8 who has demonstrated outstanding performance as part of a team. The team achievement
9 award shall be a lump sum payment of up to one thousand dollars (\$1,000) per fiscal year. A
10 manager may receive both an individual and a team achievement award in one fiscal year.

11 Achievement Awards shall be granted to no more than 30% of an Appointing Authority's
12 managers within any fiscal year. In agencies with three (3) or fewer eligible managers, the total
13 expenditure is limited to no more than two thousand six hundred dollars (\$2,600) in each fiscal
14 year. Payments made under this section shall be effective no later than the last full payroll
15 period in June.

16 **Equity Adjustments.**

- 17 • Upon request of the Appointing Authority, to maintain or achieve internal equity, MMB
18 may approve equity adjustments to advance incumbents within a range or provide a
19 one-time lump sum of no more than \$2,500 (including to managers at the top of the
20 salary range.)

- 1 • Only those with documented “satisfactory” or better performance are eligible for an
2 equity adjustment.
- 3 • Any request for an adjustment under this section must include an explanation of the
4 inequity, and documentation to support an equity adjustment for an incumbent.
- 5 • This provision is not subject to the dispute resolution process.

6 **Salary on Class Change.**

7 Movement between classes is defined as a promotion, transfer, or demotion in accord with
8 Administrative Procedure 15.6.

9 **Salary on Promotion or Transfer.**

10 Upon promotion or transfer, a manager shall generally receive a rate of pay within the salary
11 range for the new class. This rate of pay shall be determined by considering the manager’s
12 qualifications and years of experience, the existing labor market, and internal equity with the
13 rates of pay for other similarly situated employees within the Agency. No increase shall be
14 granted which would place a manager's rate of pay above the salary range maximum, however,
15 if a transferring manager has an existing salary rate above the maximum of the class they
16 transfer into, the manager may retain their existing salary. If a manager is promoted through a
17 reallocation in accord with M.S. 43A.15, subdivision 5, the salary increase shall be effective
18 fifteen (15) calendar days after receipt of a properly documented audit and shall continue from
19 that date until the effective date of the appointment. The provisions of this paragraph shall also
20 apply to the incumbents of unclassified positions which are reclassified to higher classes.

1 The preceding paragraph does not apply to reallocations resulting from a classification study
2 which includes some or all positions in a class or class series. The Commissioner of Minnesota
3 Management and Budget or an agency human resource office with delegated authority shall
4 determine the effective date of such promotions.

5 **Salary on Demotion for Other than Cause.**

6 Upon demotion for other than cause, a manager shall receive a rate of pay within the salary
7 range for the new class, consistent with the manager’s qualifications and years of experience,
8 and relevant market factors, as well as internal equity with the rates of pay for other similarly
9 situated employees within the Agency. Notwithstanding the preceding sentences, the
10 Appointing Authority does have the discretion to maintain a demoting employee’s existing
11 salary, provided that salary is within the range of the new class.

12 If the current rate of pay exceeds the maximum of the new range, the employee may retain
13 their current rate of pay for one of the below-identified reasons, provided the Commissioner of
14 Minnesota Management and Budget approves a request to maintain a salary above the range
15 maximum due to:

- 16 a. A demotion as the result of a reallocation to a lower class
- 17 b. Demotion as a result of a recomparison of an unclassified position to a lower class as the
18 result of a gradual change in assigned duties
- 19 c. Pursuant to the provisions of M.S. 43A.17, subdivision 5

20 A manager whose salary is over the maximum of the salary range as a result of reallocation or
21 recomparison, or pursuant to the provisions of M.S. 43A.17, subdivision 5, as provided above,

1 shall not retain the amount over the maximum if the manager subsequently moves to a new
2 classification.

3 **Salary on Demotion for Cause.**

4 Upon demotion for cause, a manager shall receive a salary rate within the range for the class to
5 which the manager is demoted.

6 **Return During Probationary Period.**

7 A manager who does not achieve permanent status and returns to their former classification,
8 shall have their salary restored to the same rate of pay the manager was receiving prior to
9 moving into the new position.

10 **Salary Range Reassignment.**

11 Managers in classifications reassigned upward by one (1) or more salary ranges shall be eligible
12 for salary increases effective with the date of the reassignment. Unless directed otherwise by
13 the Commissioner of MMB, the amount of the salary increase shall be determined by the
14 Appointing Authority pursuant to the Salary on Promotion or Transfer language set forth above.
15 The new rate of pay shall not exceed the new salary range maximum.

16 Managers in classifications reassigned downward by one (1) or more salary ranges will retain
17 their current rate of pay, provided it is within the new range. Maintaining a salary above the
18 range maximum upon reassignment downward will require approval from Minnesota
19 Management and Budget.

1 **Salary on Return from Leave of Absence.**

2 A manager returning from an unpaid leave of absence shall return to the same rate of pay they
3 had been receiving at the time the leave commenced or at a higher rate with the approval of
4 the Commissioner of Minnesota Management and Budget.

5 **Salary on Failure to Attain Permanent Status.**

6 If a probationary manager fails to attain permanent status in a new class and is returned to
7 their former class or a comparable class, the manager's rate of pay shall be adjusted to the rate
8 they would be earning had they remained in the former class, provided they passed probation
9 in the former class. If they had not yet been certified in the former class and fail to attain
10 permanent status in the new class, the salary upon return to the former class shall be at the
11 same rate of pay the manager was receiving prior to moving into the new position.

12 **Work Out of Class Pay.**

13 If a manager is assigned in accord with the Administrative Procedure to perform substantially
14 all of the duties of a temporarily unoccupied position assigned to a class which is a promotion
15 or transfer and the assignment exceeds ten (10) consecutive work days, the manager shall
16 receive a salary in accord with the provisions of Salary on Promotion or Transfer as set forth
17 above. A manager working out of class in a class which is a demotion shall receive no salary
18 adjustment. Managers in Work Out of Class or Interagency Transfer assignment (as those terms
19 are defined by Administrative Procedures 1.1 and 17.1) are eligible for any pay differentials or
20 other premium compensation associated with the classification they are on assignment to.

21 **Bilingual Pay Differential.**

1 At the Appointing Authority’s discretion, position(s) that communicate with the public in a
2 language other than English (including Braille or American Sign Language (ASL)), on a
3 recurring or specific basis may be eligible for this differential. The use of additional language
4 must be used to perform an essential function of the position or to support specific events or
5 projects. The required level of fluency is to be determined by the Appointing Authority, and the
6 Appointing Authority may require certification in interpretation or translation, or in the use of
7 Braille or ASL, as required by law or industry standards.

8 a. **Recurring Basis.** Positions that utilize an additional language on a recurring basis to
9 perform an essential function of the position will receive a differential of fifty dollars
10 (\$50.00) per bi-weekly pay period, or,

11 b. **Specific events or projects.** The Appointing Authority will describe the expectations of
12 the employee for utilizing their additional language skill (translation, interpretation, or
13 both), and whether the employee will be expected to perform additional language skills
14 during specific events or for special projects. If the additional language will be utilized
15 only for specific events or projects, like public meetings or specific translation projects,
16 the position will be paid a differential of \$1.00 per hour for each hour performing those
17 specific tasks, paid in \$0.25 hour increments, not to exceed fifty dollars (\$50.00) per bi-
18 weekly pay period.

19 If the Appointing Authority determines that the additional language skills are no longer needed,
20 the bilingual differential may be ended at any time. If the employee’s position or assignment
21 changes and the bilingual skill has not been designated, or identified as a business necessity,

1 the differential will cease. The effective date for discontinuation of the bilingual differential will
2 be the first day of the next pay period following the new assignment.

3 The determination by the Appointing Authority as to which positions are eligible for the
4 bilingual differential, the frequency with which additional language skills are needed, or the
5 discontinuation of the bilingual differential shall not be subject to the Dispute Resolution
6 Procedure in Chapter 12.

7 The Appointing Authority retains the right to contract out bilingual services (identified above) at
8 its discretion.

9 **Severance Pay.**

10 A manager shall be entitled to severance pay immediately following separation from State
11 service by reason of:

- 12 • Separation, for reasons other than discharge, following ten (10) or more years of
13 continuous State employment with immediate entitlement at the time of separation to
14 an annuity under a State retirement program
- 15 • Death
- 16 • Layoff other than emergency or seasonal
- 17 • Separation other than discharge following twenty (20) or more years of continuous State
18 employment
- 19 • Separation other than discharge following ten (10) or more years of continuous State
20 employment in managerial positions

- 1 • Separation other than discharge following five (5) or more years of continuous State
2 employment as a manager in the unclassified service

3 Severance pay shall be a sum equal to the manager's regular rate of pay at the time of
4 separation multiplied by thirty-five percent (35%) of the manager's accumulated but unused
5 sick leave hours.

6 A manager who is laid off or dies shall receive severance and vacation payout in cash.

7 A manager who is eligible for severance pay and who separates from State service with ten (10)
8 or more years of continuous State service shall have thirty-five percent (35%) of unused sick
9 hours placed in an individual Minnesota State Retirement System Health Care Savings Plan
10 account.

11 A manager who is eligible for severance pay but does not meet the ten (10) or more years of
12 continuous State service requirement, or whose combined severance and vacation payout is
13 less than five hundred dollars (\$500), may choose to:

- 14 • Be paid in a lump sum at the time of eligible separation
- 15 • Arrange for a one-time deferred compensation or tax-sheltered annuity deduction,
16 provided the manager satisfies all requirements of the administrator or the deferred
17 compensation plan or tax-sheltered annuity
- 18 • A combination of both

19 For budget reasons, an Appointing Authority may elect to distribute the vacation and severance
20 payment, whether paid to the manager or to an individual Minnesota State Retirement System

1 Health Care Savings Plan account, over a period of up to two (2) years from the date of
2 separation. If the manager dies before all of the severance and vacation pay has been
3 disbursed, the balance due shall be paid to a named beneficiary, if any, or to the manager's
4 estate.

5 Should any manager who has received severance pay be subsequently reappointed to State
6 service, eligibility for future severance pay shall be based on only the hours accrued since
7 reappointment.

8 Managers who have been laid off and received severance pay and are reappointed to State
9 service are eligible for additional severance only if they meet the continuous State service
10 requirement.

11 Managers who have received severance as a result of continuous State service and are
12 reappointed to State service are eligible for additional severance upon separation.

13 **Health and Dental Premium Account.**

14 Insurance eligible managers have the option to pay for the manager's portion of health and
15 dental premiums on a pretax basis as permitted by law or regulation.

16 **Medical/Dental Expense Account.**

17 Insurance eligible managers may participate in a medical and dental expense reimbursement
18 program to cover co-payments, deductibles, and other medical and dental expenses or
19 expenses for services not covered by health or dental insurance on a pre-tax basis as permitted

1 by law or regulation, up to the maximum amount of salary reduction contributions allowed per
2 calendar year under Section 125 of the Internal Revenue Code or other applicable federal law.

3 **Deferred Compensation.**

4 Each fiscal year, each manager may be provided a State-paid contribution to the State deferred
5 compensation program as permitted by M.S. 356.24, subd. 1, paragraph 4. The State-paid
6 contribution shall be in an amount matching the manager's contributions on a dollar for dollar
7 basis, not to exceed three hundred dollars (\$400) per manager.

8 Once in each fiscal year, a manager with at least six (6) months of continuous service in this
9 Plan or any combination of service in the Managerial Plan, Commissioner's Plan or qualifying
10 service in the Middle Management Association equaling at least six (6) months of combined
11 continuous service must choose to either convert a portion of their accumulated vacation hours
12 up to a maximum of fifty (50) hours to a contribution to a deferred compensation plan for
13 which the State provides payroll deduction or choose to receive the State-paid matching
14 deferred compensation contribution. No minimum service is required if the State-paid
15 matching contribution is selected.

16 Managers must choose one of these options by June 5th of each fiscal year.

17 Appointing Authorities may deny requests for the State-paid matching deferred compensation
18 contribution or limit the amount of vacation hours converted to deferred compensation as
19 provided in Chapter 4 for the entire agency due to budget restrictions.

1 Contributions to deferred compensation plans made through the conversion of vacation hours
2 are subject to all of the rules and regulations of their respective plans.

3 These provisions do not apply to managers covered by a compensation plan established under
4 the provisions of M.S. 43A.18, subdivision 4 unless that compensation plan is amended to
5 include a specific reference to their provisions.

6 **Pilot Compensation Programs.**

7 The Commissioner of Minnesota Management and Budget may implement a pilot program for
8 managerial compensation. The pilot program may modify or replace portions of the Salary
9 Administration Chapter as long as salary increases granted under the pilot do not exceed the
10 cost of increases that would have been granted under the existing Salary Administration
11 provisions.

12 **Dependent Care Expense Account.**

13 Insurance eligible managers are provided the option to participate in a dependent care
14 reimbursement program for work-related dependent care expenses on a pretax basis as
15 permitted by law or regulation.

16 **Transit Expense Account.**

17 Managers are provided the option to participate in a program to pay work-related parking and
18 transit expenses on a pre-tax basis.

1 **Health Care Savings Plan.**

2 All managers shall contribute one percent (1.00%) of their gross earnings subject to retirement
3 into a personal Health Care Savings Plan account with the Minnesota State Retirement System
4 each pay period. The contribution shall occur regardless of whether or not their position is
5 retirement eligible.

6 **Mobile Device Allowance - Ending.**

7 Employees may use a personally-owned device for state business with authorization given
8 through their agency. Approval for personally-owned mobile device usage is the responsibility
9 of the agency and the user's direct manager/supervisor. All such requests shall comply with the
10 State of Minnesota's Mobile Device Usage Policy and Agreement Policy. Until June 30, 2022,
11 Allowance amounts for a personal mobile device are limited to:

12 Voice only - \$7.00 per pay period

13 Data only - \$9.00 per pay period

14 Voice/Data - \$16.00 per pay period

15 Beginning July 1, 2022, managers are ineligible for any reimbursement of costs for using a
16 personally-owned mobile device for work purposes.

17 **Student Loan Reimbursement.**

- 18 • A manager may request and an Agency may approve reimbursement for the manager's
19 student loan payments, made on their outstanding student loan balances.
- 20 • In order to qualify for this reimbursement, the student loan payments must be made by
21 the manager after the effective date of this Plan.

- 1 • Student loan reimbursement payments shall not exceed five thousand dollars (\$5,000)
2 per calendar year per employee, up to twenty-five thousand dollars (\$25,000) in total
3 payments.
- 4 • Managers must have been employed by the Employer for at least 18 months.
- 5 • Prior to the disbursement of any Student Loan reimbursement, the manager must
6 provide documentation to the agency of payments made towards a student loan
7 balance after the effective date of this Plan.
- 8 • Managers who are approved to receive a student loan payment reimbursement must
9 remain employed by the Agency for a period of one (1) year after receiving a
10 reimbursement payment. Managers who separate from the Agency sooner than one (1)
11 year after receiving a reimbursement payment shall be required to repay the student
12 loan reimbursement received the previous year on a prorated monthly basis.
- 13 • Loan reimbursement payments may be disbursed once or twice yearly, in accordance
14 with a disbursement schedule determined by the Agency.
- 15 • This provision is not subject to the dispute resolution process set forth in this Plan.

16 Upon advance written notice to Minnesota Management and Budget, Agencies may participate
17 in this program.

1 Chapter 15 - Expense Reimbursement

2 General.

3 The Appointing Authority may authorize payment of travel and other expenses and
4 reimbursement of special expenses for managers in accord with the provisions of this Chapter,
5 Chapter 8, and Administrative Procedure 4.4 for the effective conduct of the State's business.
6 Such authorization must be granted prior to incurring the actual expenses. Administrative
7 Procedure 4.4 Section E provides an exception which allows an agency to submit a request for
8 approval after special expenses have occurred.

9 Privately-Owned Vehicles and Aircraft.

10 A manager shall be reimbursed for the use of privately-owned vehicles and aircraft under the
11 situations and at the rates specified below. In all cases, mileage must be on the most direct
12 route according to Department of Transportation records.

--	--

1 In addition to mileage, actual parking fees and toll charges shall be reimbursed. At the sole
2 discretion of the Appointing Authority, managers who normally are not required to travel on
3 state business may be reimbursed for parking at their work location on an incidental basis when
4 they are required to use their personal or a state vehicle for state business and no free parking
5 is provided.

6 Managers shall not receive mileage reimbursement for commuting between a permanent work
7 location and their home. For each position, the Appointing Authority may designate no more
8 than two (2) permanent work locations, which must be within thirty-five (35) miles of each
9 other. For purposes of expense reimbursement for trips to temporary work locations, the
10 Appointing Authority shall designate one (1) of the two (2) permanent work locations as the

1 primary location. The Appointing Authority must provide advance written notice of the two (2)
2 locations and the primary location to anyone being appointed to such a position.

3 When a manager does not report to the permanent work location during the day or makes
4 business calls before or after reporting to the permanent work location, the allowable mileage
5 is: (1) the lesser of the mileage from the manager's residence to the first stop or from their
6 permanent work location to the first stop, (2) all mileage between points visited on State
7 business during the day, and (3) the lesser of the mileage from the last stop to the manager's
8 residence or from the last stop to their permanent work location.

9 Managers accepting interchange assignments, as defined in Administrative Procedure 1.1, are
10 not eligible for mileage reimbursement for the trip between their home and the interchange
11 assignment unless agreed upon between the agencies or entities that are party to the
12 interchange assignment.

13 **Other Travel Expenses.**

14 Upon approval of the Appointing Authority, managers in travel status may be reimbursed for
15 expenses described below in the amounts actually incurred not to exceed any maximum
16 amounts specified below.

17 Where anticipated expenses total at least fifty dollars (\$50.00), the Appointing Authority shall
18 advance the manager the amount of the anticipated expenses upon the manager's request
19 made a reasonable period of time prior to the travel date. If the amount advanced exceeds the
20 actual expenses, the manager shall return the excess within two (2) weeks of return from

1 travel. The Appointing Authority may issue the manager a state-owned credit card in lieu of a
2 travel advance.

3 Reimbursable expenses may include, but are not limited to, the following:

4 • Commercial or ride-share transportation (air, taxi, rental car, etc.) provided that no air
5 transportation shall be by first class unless authorized by an Appointing Authority; and
6 that reimbursement for travel which includes more than one destination visited for
7 State purposes and non-State purposes be in an amount equal to the cost of the air fare
8 only to those destinations visited for State purposes.

9 • Meals including tax and a reasonable gratuity. Managers shall be reimbursed for meals
10 under the following conditions:

11 1. **Breakfast.** Breakfast reimbursements may be claimed if the manager leaves their
12 temporary or permanent work location before 6:00 a.m. or is away from home
13 overnight.

14 2. **Lunch.** Eligibility for lunch meal reimbursement shall be based upon the employee
15 being on assignment, over thirty-five (35) miles from their temporary or permanent
16 work station, with the work assignment extending over the normal lunch period.

17 3. **Dinner.** Dinner reimbursements may be claimed only if the manager is away from
18 their temporary or permanent work location after 7:00 p.m. or is away from home
19 overnight.

1 4. **Reimbursement Amount.** Except for high cost localities as identified by the Internal
2 Revenue Service (IRS), the maximum reimbursement for meals including tax and
3 gratuity shall be:

- 4 • Breakfast: \$10.00
- 5 • Lunch: \$13.00
- 6 • Dinner: \$19.00

7 For high cost localities as identified by the IRS (specifically excluding any cities within
8 Minnesota), the maximum reimbursement shall be:

- 9 • Breakfast: \$12.00
- 10 • Lunch: \$15.00
- 11 • Dinner: \$23.00

12 The higher meal reimbursement rates also include any location outside the forty-
13 eight (48) contiguous United States.

14 Managers who are in travel status for two (2) or more consecutive meals shall be
15 reimbursed for the actual costs of the meals including tax and a reasonable gratuity,
16 up to the combined maximum amount for the reimbursable meals.

- 17 • Hotel and motel accommodations provided that managers exercise good judgment in
18 incurring lodging costs and that charges are reasonable and consistent with the facilities
19 available.

- 1 • Reasonable costs of dry cleaning and laundry services, not to exceed sixteen dollars
2 (\$16.00) each week after the first week a manager is in continued travel status.
- 3 • Parking fees and toll charges.

4 **Receipts.**

5 The Appointing Authority may require receipts for any reimbursement requested by a manager
6 under the provisions of this or any other chapter in this Plan.

7 **Chapter 16 – Relocation Expenses**

8 **General Eligibility.**

9 A manager may be reimbursed for relocation expenses only if the manager obtains prior
10 authorization from the Appointing Authority before incurring any reimbursable expenses and
11 only if the manager completes the change of residence within twelve (12) months of the date of
12 appointment or reassignment. The Appointing Authority may approve time extensions in
13 individual situations.

14 The Appointing Authority and the manager are expected to reach a clear understanding of the
15 relocation expense reimbursement available to the manager before the manager incurs any
16 expenses. The Appointing Authority and the manager shall meet once every thirty (30) calendar
17 days in order to review the manager's progress toward completion of the relocation process as
18 well as actual and anticipated expense claims.

1 **Required Reimbursement.**

2 An Appointing Authority shall reimburse a manager for up to twelve thousand five hundred
3 dollars (\$12,500) in relocation expenses as provided in this Chapter if one of the following
4 applies:

- 5 • The Appointing Authority requires a change of residence as a condition of employment;
- 6 or
- 7 • A move is incurred as the result of reassignment (not promotion) more than thirty-five
8 (35) miles from the manager's present work location; or
- 9 • A move to a new position more than thirty-five (35) miles from the manager's present
10 work location is incurred as the result of the application of the layoff provisions of
11 Chapter 10.

12 An Appointing Authority may authorize payment of more than twelve thousand five hundred
13 dollars (\$12,500) in individual situations as a result of a work-related move.

14 **Discretionary Reimbursement.**

15 An Appointing Authority may reimburse a manager for relocation expenses incurred as the
16 result of a work-related move of more than thirty-five (35) miles from the manager's present
17 work location in situations other than those listed above including promotions under Required
18 Reimbursement. The Appointing Authority shall determine the types and total amount of
19 expenses to be reimbursed, within the provisions of this Chapter.

20 **Covered Expenses.**

21 Reimbursable expenses may include, but are not limited to, the following:

- 1 • Realtor's fees on the domicile being sold by the manager or fees required to break a
2 lease on the manager's rented domicile.

- 3 • Moving Expenses: The cost of packing, moving and short-term storage of household
4 goods, subject to the receipt of bids as required by the Procurement Division of the
5 Department of Administration and to the approval of the Appointing Authority prior to
6 any commitment to a mover to either pack or ship the manager's household goods.
7 Neither the State of Minnesota nor any of its agencies shall be responsible for the loss
8 nor damage to any manager's household goods nor personal effects.

- 9 • Documented miscellaneous expenses directly related to the move. Such expenses
10 include, but are not limited to, the cost of disconnecting and reconnecting appliances
11 and/or utilities (including the modification of existing gas or electrical service to
12 accommodate the manager's existing appliances); fees related to the purchase or sale of
13 a residence (including, but not limited to, attorney's fees loan origination fees, abstract
14 fees, title insurance premiums, appraisal fees, credit report fees, and government
15 recording and transfer fees); fees for inspections or other services required by state law
16 or local ordinance; the cost of insurance for property damage during the move; the cost
17 of moving up to two (2) automobiles; or other direct costs associated with the rental or
18 purchase of a new residence.

- 19 • Reimbursable miscellaneous expenses do not include, among others, rental of the
20 manager's permanent residence, costs of improvements to either the old or the new
21 home, real estate taxes, mortgage interest differential, points, assessments,

1 homeowner association fees, homeowner's or renter's insurance, mortgage insurance,
2 hazard insurance, automobile or driver's license reissue fees, utility or other refundable
3 deposits, long-term boarding of pets and the purchase of new furnishings or personal
4 effects.

- 5 • The cost of moving a mobile home if the mobile home is the manager's primary
6 residence.
- 7 • Temporary living expenses for the manager under the provisions of Chapter 15, Expense
8 Reimbursement, using one of the following options, which shall be chosen by the
9 Appointing Authority after consultation with the manager.
 - 10 ○ Option 1 - Reimbursement for travel expenses, including meals and mileage, for
11 travel between the old residence and new work location on a daily basis for up to
12 ninety (90) days or until the date of the move to the new permanent residence
13 occurs, whichever comes first, or
 - 14 ○ Option 2 - Reimbursement for actual lodging, meal and other standard travel
15 expenses at the temporary residence and the cost of return trips to the old residence
16 once a week, for a period ending when the manager moves into their new
17 permanent residence, or ninety (90) calendar days after the effective date of the
18 appointment making the manager eligible for relocation, or on a date specified by
19 the Appointing Authority, whichever comes first, or
 - 20 ○ Option 3 - Reimbursement for actual lodging, meal and other standard travel
21 expenses at the temporary residence and the cost of return trips to the old residence

1 once a week until the manager moves into their new residence, not to exceed an
2 amount established by the Appointing Authority. The Appointing Authority shall not
3 establish an amount that exceeds the cost of ninety (90) days of reimbursement for
4 meals and reasonable lodging. Reimbursement shall be on the basis of receipts for
5 actual expenses.

6 Managers may receive reimbursement for expenses under more than one of these
7 options during one relocation with the prior approval of the Appointing Authority, as
8 long as only one option applies to any one (1) week of relocation status. The Appointing
9 Authority may extend the period of reimbursement up to an additional ninety (90) days.

10 Managers receiving reimbursement for temporary living expenses under either Option 2
11 or Option 3 may be reimbursed for the short-term rental of an apartment, house or
12 other residence instead of reimbursement for hotel or motel room rental, with the
13 approval of the Appointing Authority, provided that the rental rate for the alternative
14 housing is less than or comparable to hotel or motel rates and provided that the rental
15 residence is available to all potential renters. When reviewing requests for rental of
16 alternative short-term housing, Appointing Authorities may take into account the lower
17 cost of groceries for the manager compared to reimbursement for restaurant meals.

18 Managers receiving reimbursement under Options 2 and 3 shall not receive
19 reimbursement for daily commuting to work from the temporary residence, however,
20 they may be reimbursed for "local miles" driven while searching for a new residence.

- 1 • Travel expenses for the manager's spouse to travel twice between the old and new work
2 locations prior to the time of the move, including meals, mileage and lodging, not to
3 exceed a total of seven (7) calendar days.

- 4 • Travel expenses for the manager's family from the old work location to the new work
5 location at the time of the move, consistent with the provisions of Chapter 15 on
6 Expense Reimbursement.

- 7 • At the option of the Appointing Authority, up to seven hundred fifty dollars (\$750.00)
8 for employment assistance provided to the manager's spouse by an outside job
9 placement agency or resume preparation service, if the spouse was employed in the
10 origin city at the time of the relocation. Services include:
 - 11 ○ Skills assessment
 - 12 ○ Resume preparation
 - 13 ○ Coaching in interview techniques
 - 14 ○ Job placement assistance

15 **Chapter 17 – Housing**

16 **Rental Rates.**

17 An Appointing Authority shall not require a manager to pay rent when occupying a State-owned
18 residence as a condition of employment. A manager who is not required by the Appointing
19 Authority to live in a State-owned residence as a condition of employment shall pay the rental
20 rate established by the Commissioner of Administration.

1 In the event the Appointing Authority requires a manager to vacate a State-owned residence,
2 the manager shall be given not less than six (6) calendar months in which to find alternate
3 housing, except in instances where the manager leaves employment with the Appointing
4 Authority, or accepts another position in State service not requiring housing in a State-owned
5 residence.

6 **Utilities and Repairs.**

7 The manager shall pay for utilities unless the Appointing Authority requires a manager to
8 maintain an office in the State-owned residence, in which case, the Appointing Authority shall
9 determine and pay a prorated share of the utilities' costs related to the operation of the office.

10 The manager occupying the residence shall be responsible for routine maintenance. Necessary
11 decorating, painting, and repairs shall be done by the State at no cost to the manager. The
12 manager shall not alter any plumbing, wiring, or any roof, wall, or partition without express
13 written approval from the Appointing Authority working within guidelines of the Department of
14 Administration's Real Estate Management Division. The manager may be held responsible for
15 alteration or damage beyond ordinary wear.

16 **Chapter 18 – Manager Safety**

17 **Safety Promotion.**

18 Minnesota Management and Budget and the Minnesota Department of Administration strive to
19 ensure that all departments and agencies in the executive branch establish and maintain
20 effective health and safety programs for State workers. They strive to ensure that these

1 programs meet minimum employer standards and maintain compliance with federal, state, and
2 local regulations. Minnesota Management and Budget and Department of Administration
3 provide guidance to State agencies by setting achievable statewide goals and policies, assist in
4 the development and delivery of departmental programs, administer workers' compensation
5 claims, identify health and safety resources, and design effective training programs.

6 Minnesota Management and Budget and Department of Administration will strive to meet this
7 responsibility and will continue to improve our Health and Safety Program wherever possible to
8 reduce and eliminate hazards at every opportunity.

9 It shall be the policy of the Appointing Authority to provide for the health and safety of its
10 managers by providing safe working conditions, safe work areas, and safe work methods.

11 Managers shall have the responsibility to use all provided safety equipment and procedures in
12 their daily work and failure to use this equipment and procedures may result in disciplinary
13 action. Managers shall cooperate in all safety and accident prevention programs.

14 The manager's personal health and safety depend primarily on the manager. Safety is acquired
15 through constant attention to good work practices and the application of good, common sense.

16 Managers shall immediately notify their supervisor of all incidents of workplace violence,
17 unsafe equipment or hazardous job conditions.

18 **Protective Equipment.**

19 The Appointing Authority shall provide and maintain protective equipment or clothing,
20 including safety glasses, safety helmets, and safety vests whenever such equipment is required
21 as a condition of employment by State or Federal regulation.

1 **Medical Examinations.**

2 If required by the Appointing Authority as part of general health and safety programs or to
3 comply with State and Federal health and safety requirements, medical examinations shall be
4 provided at no cost to the manager. The Appointing Authority shall receive a copy of the
5 medical report.

6 **Work-Related Injuries.**

7 A manager who is injured or who is involved in an accident during the course of their
8 employment shall report the accident to their immediate supervisor as soon as possible after
9 the injury or accident occurs.

10 Computer Operations. Managers operating computer equipment for a continuous period of
11 four (4) hours shall be given a five (5) minute rest period or an alternative work assignment for
12 at least five (5) minutes, in addition to normal meal and rest periods.

13 **Chapter 19 – Workers' Compensation; Injured on Duty Pay**

14 **Injured on Duty Pay.**

15 A manager who incurs a disabling injury in the ordinary course of employment may be eligible
16 for injured on duty pay. Such injury must be the direct result of aggressive, criminal, and/or
17 intentional and overt acts of a person or be incurred while attempting to apprehend or take
18 into custody such person. To be eligible for such pay, a manager shall have been acting in a
19 reasonable and prudent manner in compliance with established policies and procedures of the
20 Appointing Authority when the injury was incurred.

1 This language is not intended to cover situations of employee-on-employee violence. However,
2 there may be exceptions when the injury is incurred as part of performing one's job duties; for
3 example, a licensed peace officer injured while apprehending an employee would receive
4 Injured-on-Duty Pay if injured by the intentional act of that employee.

5 An eligible manager shall receive compensation in an amount equal to the difference between
6 the manager's regular rate of pay and benefits paid under Workers' Compensation. Such
7 Injured-on-Duty pay shall not exceed an amount equal to three hundred (300) times the
8 manager's regular hourly rate of pay per disabling injury, and shall not affect the manager's
9 regular accrued vacation or sick leave.

10 The provisions of this Chapter shall also apply to the managers in the State Patrol, and
11 managers in the Enforcement Division of the Department of Natural Resources if the disabling
12 injury is the direct result of performing duties involving enforcement, investigation or
13 assistance.

14 **Other Job-Related Injuries.**

15 A manager incurring an on the job injury shall be paid their regular rate of pay for the
16 remainder of the scheduled work day without deduction for vacation or sick leave accruals. A
17 manager who incurs a compensable illness or injury and receives workers' compensation
18 benefits may elect to use accumulated vacation or sick leave, or both, during an absence
19 resulting from an injury or illness for which a claim for workers' compensation is made or while
20 an award of benefits is pending. Such leave may be used on the following basis:

- 1 • The manager retains the workers' compensation benefit check and receives payments
2 from sick leave and vacation leave accruals in an amount which will total their regular
3 gross pay for the period of time involved provided that the total rate of compensation
4 shall not exceed the regular compensation of the manager (M.S. 176.021, subdivision 5).
5 The manager shall notify the Appointing Authority in writing of whether and how they
6 wish to supplement their workers' compensation check through use of sick or vacation
7 leave. Sick leave must be exhausted before vacation leave is used.
- 8 • If a manager uses leave while awaiting a determination on a workers' compensation
9 claim, and the claim is subsequently approved, the Appointing Authority shall collect the
10 payroll overpayment through prior pay period adjustments, and restore to the
11 manager's balance the number of hours equal to the workers' compensation check
12 divided by the manager's hourly rate.
- 13 • Alternatively, the manager may retain the workers' compensation benefit check and
14 take an unpaid medical leave as provided in Chapter 6 during the time they are unable
15 to work.
- 16 • A manager shall return from medical leave as provided in Chapter 6 as long as the
17 manager's medical release (with or without restrictions) enables the manager to
18 perform the essential functions of the position as determined by the Appointing
19 Authority.

1 **Vacation and Sick Leave Accrual.**

2 An eligible manager receiving workers' compensation benefits supplemented by vacation
3 and/or sick leave accruals shall accrue vacation and sick leave for the total number of hours
4 compensated by workers' compensation, sick leave, and vacation leave. A manager on unpaid
5 medical leave does not accrue vacation or sick leave.

6 **Insurance.**

7 For managers who are off the State payroll due to a work-related injury or work-related
8 disability, benefits provided under Chapter 13 of this Plan shall continue as long as the manager
9 is receiving worker's compensation payments or is on an approved worker's compensation-
10 related medical leave.

11 **Chapter 20 – Americans with Disabilities Act**

12 **Purpose.**

13 The Appointing Authority has an obligation to provide reasonable accommodation to
14 individuals qualified under the Americans with Disabilities Act (ADA) so long as such
15 accommodation does not impose an undue hardship, and where possible to place employees
16 returning from workers' compensation injuries. The Appointing Authority shall provide these
17 reasonable accommodations in a fair and equitable manner.

18 **Process.**

19 While considering manager requests for reasonable accommodation, the Appointing Authority
20 shall review other options, including, but not limited to, equipment purchase or modification,

1 accessibility improvement, and scheduling modifications and/or restructuring of current
2 positions and non-essential duties.

3 **Chapter 21 – Early Retirement Incentives**

4 **Early Retirement Incentives**

5 An Appointing Authority may, at its sole discretion, offer an early retirement incentive plan to
6 certain managers. To be eligible for the early retirement incentive, managers must be eligible to
7 retire and must be: (1) employed in a position that is being permanently eliminated or reduced;
8 or (2) employed by a department in which programs or positions are being eliminated or
9 reduced. For purposes of this paragraph, a person retires when the person terminates active
10 employment in State service and applies for a retirement annuity for which the person is
11 eligible.

12 The retirement incentive shall consist of one of the following:

- 13 1. Up to twelve months of the Employer Contribution to health and dental benefits for
14 which the managers were eligible at the time of retirement, subject to any changes in
15 benefits or coverages for managers in positions equivalent to those from which they
16 retired. Eligibility for the Employer Contribution to the insurance premiums must cease
17 at the end of the month in which the manager becomes Medicare eligible or chooses
18 not to receive an annuity, whichever occurs first. Receipt of early retirement insurance
19 benefits is contingent upon completion of all the required forms and continued
20 payment of the non-State portion of the insurance premium.

1 2. One (1) or more lump sum payments to an individual Minnesota State Retirement
2 System Health Care Savings Plan. The total amount paid to such an account for any
3 individual shall not exceed the value of \$1,000 per complete year of state service, not to
4 exceed \$30,000.

5 An Agency's retirement incentive may specify additional conditions and/or lower limits on the
6 amount of the early retirement incentive.

7 **Managers Covered by the State Patrol Retirement Fund or the Correctional Employees**

8 **Retirement Plan.**

9 A. **Post-Fifty-Five Early Retirement Incentive.** This incentive is available to a manager who
10 is at least fifty-five (55) years of age and is covered by the State Patrol Retirement Fund
11 (M.S. §352B) or the Correctional Employees Retirement Plan (M.S. §§352.91 and
12 352.911) and is eligible for an annuity. A manager who meets these criteria and retires
13 during the pay period in which their fifty-fifth (55th) birthday occurs or any time
14 thereafter, shall be entitled to receive an Employer Contribution toward health and
15 dental insurance coverage in accordance with the following:

- 16 • Subject to the provisions set forth in paragraph C, a manager must have ten (10)
17 years of service in a position covered by the State Patrol Retirement Fund (M.S.
18 §352B) or the Correctional Employees Retirement Plan (M.S. §§352.91 and
19 352.911). The manager and the employer must have made the statutorily required
20 retirement contributions to the State Patrol Retirement Fund (M.S. §352B) or the

1 Correctional Employees Retirement Plan (M.S. §§352.91 and 352.911) during the
2 ten (10) year period.

- 3 • If the manager meets the criteria above, the employer shall pay the full Employer
4 Contribution for health and dental insurance, as specified in Chapter 13, until the
5 manager reaches age sixty-five (65). The manager shall be responsible for payment
6 of the employee contribution.

7 B. **Pre-Fifty-Five Early Retirement Incentive.** This incentive is available to a manager who
8 is covered by the State Patrol Retirement Fund (M.S. §352B) or the Correctional
9 Employees Retirement Plan (M.S. §§352.91 and 352.911), is eligible for an annuity, and
10 retires at or after age fifty (50) but before age fifty-five (55). Notwithstanding any
11 changes in coverage in accordance with this Managerial Plan, the Employer Contribution
12 for the Pre-Fifty-Five Early Retirement Incentive shall be equal to one hundred twenty
13 (120) times the amount of the monthly Employer Contribution for health and dental
14 insurance applicable to the manager at the time of retirement divided by the number of
15 months until the manager reaches the age of sixty-five (65). This will be the amount of
16 the monthly Employer Contribution until the manager reaches the age of sixty-five (65).
17 The manager shall pay the remaining monthly portion.

18 C. **Conditions for Eligibility to the Post-Fifty-Five Early Retirement Incentive and the Pre-**
19 **Fifty-Five Early Retirement Incentive.** The manager must be in payroll status, in a
20 position covered by the State Patrol Retirement Fund (M.S. §352B) or the Correctional
21 Employees Retirement Plan (M.S. §§352.91 and 352.911) for a minimum of five (5)

1 consecutive years prior to the time of retirement and during the five (5) years the
2 manager and the State were paying the statutorily required contributions to the State
3 Patrol Retirement Fund or the Correctional Employees Retirement Plan. However, a
4 manager remains eligible for the Post-Fifty-Five Early Retirement Incentive and the Pre-
5 Fifty-Five Early Retirement Incentive if, as the result of a workers' compensation injury,
6 they must move from a position covered by the State Patrol Retirement Fund (M.S.
7 §352B) or the Correctional Employees Retirement Plan (M.S. §§352.91 and 352.911) to a
8 state position covered by any other state retirement plan. Such a manager must retire
9 from a position in State service and is subject to all other requirements and conditions
10 of the Post-Fifty-Five Early Retirement Incentive or Pre-Fifty-Five Early Retirement
11 Incentive. The agency in which the workers' compensation injury occurred shall be
12 responsible for paying any Employer Contribution under this provision.

13 A manager exercising either of these options must be receiving an Employer
14 Contribution for health and dental coverage at the time of retirement.

15 A manager who retires with no Employer Contribution for dependent coverage or who
16 terminates dependent coverage following retirement may add a dependent in
17 accordance with Chapter 13, Insurance, Section 5B1, Changes Due to a Life Event.

18 However, that manager shall not subsequently be eligible for an Employer Contribution
19 for dependent coverage, except when the dependent is the manager's spouse and the
20 spouse, immediately at the time of his or her retirement, is enrolled in SEGIP and is
21 receiving an Employer Contribution for health and dental insurance.

1 Receipt of retirement insurance benefits is dependent on the manager completing all
2 required forms and continuing to pay any required premium.

3 A manager eligible to receive an Employer Contribution for health and dental insurance
4 coverage shall continue to receive the coverage to which the manager was entitled at
5 the time of retirement until they reach age sixty-five (65), subject to any changes in
6 coverage in accordance with this or any subsequent Managerial Plan.
