GRADUATE DEGREE EARNED AND/OR DISCIPLINE SPECIFIC GRADUATE COURSES
COMPLETED/PENDING (AS LISTED ON TRANSCRIPT & INSTITUTION):

PARTNER APPLICATION CHECKLIST:

1. Partner application form
2. Official graduate transcripts
 - a. With your permission, we can pull any transcripts from a Minnesota State College & University institution (the University of Minnesota is not part of MN State System).
3. Annotated resume
 - a. This resume should include your educational background, work experience, licenses, and teaching experience. Your resume should also include any relevant experience you have in the discipline that you are applying to teach.
4. Principal recommendation

New and replacement instructors are required to meet teaching requirements prior to teaching a course through Huskies in the High School. Generally speaking, this is a master's degree in the discipline or any master's degree with 18 discipline specific graduate credits. If you are currently working on completing requirements, please indicate your plans and courses in the discipline-specific degrees and courses section.
