

Various funding may be available subsidized eligible graduate course costs for concurrent enrollment teachers who need additional graduate coursework to meet HLC requirements. St. Cloud State University (SCSU) may further subsidize the cost of tuition and fees on eligible SCSU courses for Minnesota high school instructors partnered with concurrent enrollment programs. Eligible courses must be offered online and approved under [Pathway to 18](#). This gap scholarship is dependent on availability of scholarship funds.

INSTRUCTOR'S NAME: _____

HIGH SCHOOL: _____

COURSE: _____ **TERM & YEAR:** _____

High School Signatures	
I understand that this scholarship only covers up to tuition & fees less \$300 per credit for an eligible course. Payments will be made directly to the student's account. Individual participating instructors will be responsible for tuition costs and all applicable fees if coursework is not successfully completed with a D or higher or the course is withdrawn from after the add/drop deadline.
