HUSKIES  
**SHOWCASE**

**TUESDAY, APRIL 23, 2019**  
**ATWOOD MEMORIAL CENTER**

Dear Campus and Community Members,

It is our pleasure to welcome all of you to our 2<sup>nd</sup> Annual Huskies Showcase – a signature event for our 150<sup>th</sup> anniversary celebration year!

The Huskies Showcase celebrates the engagement of students in the many forms of high impact educational experiences that occur on our campus every day. This institutional event showcases engagement in research, service, educational, social/community activity, creative works, and outcomes from the collaboration between campus members and community partners.

We live into our commitment as “Stewards of Place” every day when our students, faculty, and staff are engaging among themselves and with our community partners in high impact educational practices that prepare our students with knowledge and skills for life and work in the 21<sup>st</sup> Century. Huskies Showcase celebrates this shared

commitment between St. Cloud State University and our community partners by showcasing the exemplary work that has taken place throughout the year.

The event is driven by the six dimensions of Our Husky Compact and provides a venue to showcase distinctive student experiences and an opportunity for the campus to support and celebrate student success.

We are committed to providing our students with opportunities to apply their learning to projects that enhance and advance both their professional aspirations and the communities in which they live and work.

We want to thank all of our students, faculty, staff and community partners for their hard work to make this event a success. We look forward to your engagement on this day of celebration!
