English Classes

Our language & culture program provides high quality English as a second language instruction. We personally select instructors that will best meet your groups' English learning needs. Your group can choose class times and days. Some visa types may limit class hours.

Room & Board

Stay on St. Cloud State's campus during your stay. You will be close to classes, support staff, dining options, transportation, and downtown St. Cloud. Enjoy the view of the Mississippi River from campus. Room & board options depend on program dates, campus availability, and your budget.

Campus Safety

Campus is patrolled 24/7 by our Public Safety team. They are available anytime for on-campus assistance.

ACTIVITY MENTORS

A great feature of our language and culture programs are our Activity Mentors. The Activity Mentors are current SCSU students that will be assigned to 5-6 group members. They lead activities, attend field trips, and are your "cultural guides" during your stay.
