Subject: Email/Microsoft Office 365 Update Coming Summer 2019

EMAIL/O365 UPDATE: AUG. 8-11

Dear students,

St. Cloud State University's email and Office 365 services are moving to Minnesota State's Shared Tenant as a part of a system-wide effort to combine Microsoft features and services.

The transition will begin on Aug. 8, following the completion of summer session two.

Key Benefits:

- Single account for accessing system-wide resources, providing a smoother experience for faculty, staff and students connected to multiple campuses
- Common user experiences and easier collaboration between campuses through shared Office 365 tools and services

Important Notes:

- Your StarID and password will stay the same
- Your login for email and Office 365 will change to your StarID@go.minnstate.edu
- Your email address will change from @stcloudstate.edu to @go.stcloudstate.edu
- You will still receive emails sent to your old email address, as they will be forwarded to your new email address
- The transition is expected to last up to four days (Aug. 8-11, 2019)
- Email and Office 365 will be unavailable during the transition period
- Minnesota State's System Office's board initiative is to have all campuses on the Shared Tenant service by the end of 2019

You do not need to take any action at this time. Further instructions will be communicated as we get closer to the transition date.

See St. Cloud State University's [Office 365](#) page or contact HuskyTech for more information.
