Office 365 Login and Email Changes
More collaboration. Better experience.

To the campus community:

St. Cloud State University's email and Office 365 services are moving to Minnesota State's Shared Tenant as a part of a system-wide effort to combine Microsoft features and services.

The transition will begin on Aug. 9, following the completion of summer session two, and is expected to last approximately three days. ***Email and Office 365 will be unavailable during this time period.***

Open Sessions

For more information about the transition, including how these changes will affect you, please attend an open session. All St. Cloud State faculty, staff, students and emeriti are welcome.

- 1-2 p.m. **Tuesday, April 16** in MC 122 ([Add to calendar](#))
- 11 a.m.-Noon **Wednesday, April 24** in MC 122 ([Add to calendar](#))

Summary of Changes

Following the transition:

- Faculty, staff and emeriti will login using StarID@minnstate.edu
- Students will login using StarID@go.minnstate.edu
- Student email addresses will change to email@go.stcloudstate.edu

All other applications that use StarID to login will not be affected during or after the transition (e.g. computer login, Wi-Fi, D2L Brightspace, E-Services, network shared files, etc.).
