LaJolla, California

Dear Miss Mitchell:

As you know, we are in the process of constructing a dormitory for women on First Avenue just north of our library. A committee of the faculty will select a name for this building. I would like very much to see it named after your father who served the City of St. Cloud and the State Teachers College so ably for many years. Would it please you and other members of your family to have the building named after your father? I would not want to make the suggestion without first having your approval. If you do approve, would you be kind enough to send me some information about your father which I may use in presenting this request to the committee?

I look forward to hearing from you. Although I have not met you I feel that I know you because Helen Hill has spoken of you so often.

Cordially yours,

George F. Budd
President
