Alumni, boosters, family and friends of SCSU and the Huskies are invited to a special indoor tailgate party before the final home game. Special guest at this event will be former SCSU president Brendan McDonald.

During the game, the main ice rink inside the National Hockey Center at St. Cloud State University will be officially named the Brendan J. McDonald Ice Rink at a dedication ceremony between the second and third periods. The ice rink will be dedicated in recognition of Dr. McDonald's long service to higher education and special interest in intercollegiate athletics.

The tailgate picnic will include a generous buffet of hot and cold food as well as a cash bar and door prize drawing.

Tickets for the hockey game may be purchased by calling the ticket office. **Tickets are limited so please call immediately.**
