Wahl Construction Company of St. Cloud was the apparent low bidder as general contractor for a residence hall addition at St. Cloud State College when bids were opened Thursday (Aug. 8) at the college.

Construction on the 200-bed north wing of Helen Hill Hall will begin after the State College Board studies bids at a meeting Aug. 16 and contracts are awarded.

Wahl's bid of \$468,288 was the lowest among 11 submitted, according to Howard Walton, director of physical resources at the college. Johnson Plumbing and Heating of St. Cloud was the apparent low bidder among five submitted for mechanical installation. The Johnson figure was \$73,922.

The apparent low bid for electrical installation was \$47,800 submitted by Allecity Electric Company of Willmar. Two other bids were opened.

Architect for the project is Jackson-Hahn Associates, Inc., of St. Cloud. Consulting engineers are Orr-Schalen-Mayeron and Associates, Inc., of Minneapolis.
