## ST. CLOUD STATE COLLEGE

ST. CLOUD, MINNESOTA 56301

### FOR IMMEDIATE RELEASE

Up went the name plate and down came the scaffolding on St. Cloud State College's new \$2,035,094 Performing Arts Center this week. Located directly west of Atwood Memorial College Center, the Performing Arts center will be ready for occupancy by music and drama departments next fall. The 69,000 square foot structure seats 470 in its theatre and 200 in the recital hall and offers class and rehearsal space for the performing arts in music and drama. The basement and first floor structure will be dedicated during the college's centennial celebration next October along with the new business building and a cornerstone ceremony for the new \$3 million learning resource center.
