

St. Cloud State University Math Contest

April 9, 2026

Activities – 10:45 am–1:15 pm

Atwood Center

- 2nd Floor: **Admissions Info**, 10:45am-1:15pm, Outside Voyagers Room. Learn about studying at SCSU. Get questions answered at the information table.
- 1st Floor: **Husky Swag**, Bookstore. Open from 9:00am-4:00pm. Purchase your Huskies gear here.
- Basement South: **Bowling, Billiards, Ping Pong, Pinball**, The Underground, 10:45am-1:15pm, 100 students at a time, but with one adult for every 25 students. Activities available with low hourly rates.
- Basement East: **Video Games**, Esports Arena, 10:45am-1:15pm, 30 minutes, 20 students at a time. You will be able to play Rocket League, Minecraft and Fortnite among other titles. You will learn skills in teamwork, communication, leadership and problem solving. Please make sure that you have an active account ready before coming so you can just log in and play!

Hallenbeck Hall

- 1st Floor South: **Open Recreation**, Field House, 10:45am-1:15pm, 200 students at a time. The Department of Campus Recreation will provide recreation in the Fieldhouse. Basketball, pickleball, and much more!

Integrated Science and Engineering Laboratory Facility (ISELF)

- 2nd Floor (205): **Brain-Computer Interface Experience**, Brain-Computer Interface Lab, Room 205, 10:45am-1:15pm, 10 minutes. Make your dreams come true. Now, you can read minds! With Brain-Computer Interface, you will have the firsthand opportunity to experience reading brain waves and see how easy it is to achieve anything you want with your mind, from remotely controlling your avatar as a flying drone to a humanoid NAO6 device. Your mind has the power.

Miller Center

- 1st Floor (West End): **Tabletop Games & Lounge**, Study Area and the World News Commons, 10:45am-1:15pm. The University Library's collection of Tabletop Games is available. Come challenge your friends to Giant Jenga, Pandemic, CodeNames, chess, Twister, Battleship and many other options. Smartphone / tablet charging stations will be available, as well as snack and beverage vending machines.
- 2nd Floor: **Tour of Podcasting and Digitalization Studios**, 10:45am-1:15pm, 30 minutes, 15 students at a time.
- Creativity Commons: Tour the new podcasting and digitization studios. In the crafting area, try your hand at metal detecting or make a custom in back button.

Wick Science Building

- 2nd Floor (287): **Animals Through Time**, Room 287, 11:00am-1:00pm, 20 minutes. Interact with stations that showcase how animals have evolved from the past to the present, using fossils and other specimens to illustrate key changes over time.
- Basement (24): **Tour of the Night Sky**, Planetarium, Room 24, Showings at 11:45am and 12:25pm, 30 minutes. Each session will feature a tour of the current night sky courtesy of our beloved planetarium starball. Sit back, relax, and gaze up at the sky as it appears in your location; you'll learn how to orient yourself, finding near- and deep-space objects, using familiar (and perhaps new-to-you) constellations that are visible this month. Capacity of 55 with one adult for every 12 students younger than 13. Please wait for the planetarium doors to open – the equipment is very sensitive.
- Basement (20): **Streams in Action**, Wet Lab, Room 20, 10:45am-1:15pm, 20 minutes. Visit the Wet Lab to play with water and witness its awesome power! Participate in a hands-on Stream Table demonstration. You will witness the power of moving water and observe interactions between water and various landforms. You will create river and stream channels, turn on flowing water, and observe various flow features like erosion, sediment transport, and stream channel evolution. You will also have the opportunity to simulate flood conditions on the stream table and do your best to protect communities (or destroy them). Room for 12 students at a time.

Luncheon – 11:00 am–1:00 pm

Students with Garvey lunch tickets: Cafeteria lunch will be available in [Garvey Commons](#).

Students without tickets are welcome to purchase lunch at one of [Atwood Center's food vendors](#) or to bring a lunch.

Awards Ceremonies

NOTE: FOOD AND/OR BEVERAGES ARE NOT ALLOWED IN ANY AWARD CEREMONY

- 7th-8th Grades: **1:30 pm, Hallenbeck Hall Gymnasium**, 1:30-2:00. Students should be seated by 1:20 pm for this award ceremony.
- 9th-12th Grades: **1:30 pm, Atwood Ballroom**, 2nd Floor, 1:30-2:00.
