Be sure to fill out Page 2 of this form. Your registration will not be considered complete until all the requested information has been submitted.

The total number of teachers/adults who will accompany and supervise the contestants: _____

Between the end of testing and the beginning of the awards ceremony, advisers will be assigned to monitor a designated building for one and a quarter hour while students are attending various activities. These duties are a vital part of your participation in the SCSU Math Contest and help to ensure the safety of the students attending the contest.

To facilitate the assignment of adviser duties, please respond to each item below. We ask that you give special consideration to supervising students in the Halenbeck Hall fieldhouse. In accepting this assignment, you may be asked to briefly meet with a university representative for instructions and suggestions.

1. Are you willing to help supervise students between the end of testing and the beginning of the awards ceremony? Place a checkmark in the appropriate blank.

Yes.

- No, we take our students off campus and will not be available to help supervise others.
- No, but we will be supervising our own students while they are on campus.
- No. Reason:_____
- 2. If you answered Yes to the question above, we would like to gather some information about your assignment preferences.
 - a. Each school will be assigned to only ONE of the time periods below, but please place a checkmark in EACH blank corresponding to a time period in which you would be willing to supervise.
 - ☐ We are willing to supervise students during the time period: 10:45-12:00
 - ☐ We are willing to supervise students during the time period: 12:00-1:15
 - b. Each school will be assigned to only ONE location, but please place a checkmark in EACH blank corresponding to a location at which you would be willing to supervise. Since Halenbeck Hall and the Atwood Memorial Center tend to be the busiest locations, we are especially interested in finding advisers that are willing to supervise in these locations. If neither option below is checked, you will be assigned to another building on campus.
 - We are willing to supervise students in Halenbeck Hall
 - 🗌 We are willing to supervise students in the Atwood Memorial Center

We will do our best to honor your wishes above in the assignment of adviser duties. However, to ensure adequate supervision at all times and in all places, it may be necessary to assign some advisers contrary to the preferences expressed above.
