CGI U 2022 Program Offerings

CGI U 2022 Program

In CGI U's cornerstone program, students make Commitments to Action to address pressing local or global challenges in education, environment and climate change, peace and human rights, poverty alleviation, and public health. Students selected for CGI U 2022 are matched with CGI U alumni mentors, participate in a social impact curriculum, and receive an invitation to the virtual annual meeting hosted by **President Bill Clinton** and **Chelsea Clinton**.

Extension Programs

Verizon Forward for Good Challenge

Students selected for the Challenge participate in intensive summer-long entrepreneurial training with accelerator partner, VentureWell, and receive seed funds and living stipends.

Peterson Foundation Up to Us Campus Competition

A program for students in the U.S. to lead campaigns on their campus that emphasize building a more sustainable economic and fiscal future for the next generation.

IBM Call for Code Education Innovation Case Competition

A program for students who are advancing equity in education through an international tech-driven case competition.

Students can prepare their submissions and apply to these programs at:
