

## *Buzan Mind Mapping... 60 Second Brainstorming*

FIRST... In the center of the circle, write the names of three well-known individuals you think are considered as **CONTEMPORARY ROLE MODELS**.

NEXT... On the lines outside of the circle, quickly write the first **SIX ASSOCIATIONS** that come to mind when you think of the concept of a **ROLE MODEL**.

FINALLY... After writing the six words, record a number in the small box to predict how many of the six words from your list will be common to all members.
