

Women's Center Lactation Room (Baby Café)

The Women's Center is located on the far North-West corner of campus. It is in a house located at the corner of 5th Avenue and 6th Street across the street from the Miller Resource Center (library). The back entrance is not available for use, so you must enter through the front door of the building.

Upon entering the building, Women's Center staff will greet you from the greeting room located to the right. They will assist in helping you to the lactation room.

To enter the lactation room, enter the meeting room that is located to the left of the building entrance.

Walk through the meeting room into the Women's Center library. The lactation room is located to the left of the bathroom on the far end of the room; it is marked with a red sign.
