POLICY/PROCEDURE:

The university's effort to improve its academic programs, student learning and student services includes periodic measurement of student perception and intellectual/personal growth.

- All students are expected to participate in this assessment program.
- It may include examinations in general education, intellectual skills, and the major/minor fields of study. It also may include opinion surveys regarding specific services and/or the total university experience.
- The information obtained through the assessment program measures student competency, academic achievement and satisfaction and is used to improve the quality of the teaching and learning experience for current and future students.
