ADVISING AND
STUDENT TRANSITIONS

Thank you for your interest in the Bachelor of Electives Studies degree option. As a B.E.S. degree requirement, please complete the following program proposal. Use the space below to describe your reasons for choosing the Bachelor of Elective Studies degree option. Each response should be thoughtful and articulate. It is expected that each response be approximately 2-3 paragraphs in length. If extra room is needed, please attach responses separately. This program proposal will be referenced in future advising sessions during the degree completion to ensure goals and objectives are being met.

1. Program Rationale

Outline and define the reasons you choose to pursue the Bachelor of Elective Studies degree option. This explanation should include references to your past and current coursework, educational interest, and career/occupational goals.

2. Program Plan

Describe the general area or areas in which you plan to incorporate into your B.E.S. degree. Imagine describing your education journey and degree program to a prospective employer. How do these areas complement one another, integrate the Liberal Education Program (LEP), and fulfill your vision of how you will utilize this degree.

Next Steps:
