

Honorary Doctorate Nomination Form

(If information is not known, please leave blank)

The St Cloud State University Honorary Doctorate degree is awarded to honor an individual who has made an outstanding contribution in some field and has achieved distinction through professional contributions and/or volunteer services rather than matriculating and earning a degree based on studies at the university.

Specifically, the honorary doctorate degree is to:

- Recognize and honor persons who have made exceptional contributions to a specific field or society in general.
- Establish a public association between St. Cloud State University and such exceptional persons, thereby providing testimony to the value and quality of the university.
- Assist St. Cloud State University in achieving the goals and objectives of its educational programming, service and outreach missions, and institutional advancement.
