RECOVERY COMMUNITY SUPPORT SERVICES:

- Students participate in weekly meetings that focus on living dynamics, celebrating accomplishments and receiving support
- A live-in graduate assistant in recovery provides ongoing support and guidance
- New students have weekly individual sessions with an assigned clinician at the University Counseling Center
- Dedicated staff members provide support for community development, help with campus and community resources and coordinate sober activities and programs weekly

REQUIREMENTS:

- Be committed to recovery with at least 6 months of continuous sobriety
- Attend at least two recovery-based support group meetings each week
- Maintain a relationship with a sponsor or a recovery mentor

MISSION:

The St. Cloud State Recovery Community provides a safe and welcoming environment where students in recovery can receive support while working to obtain a college degree. Our residentially-based program applies best practice strategies that assist students in developing the behaviors and skills necessary to allow them to succeed academically, personally and professionally while in recovery.
ST. CLOUD STATE RECOVERY COMMUNITY

Our collegiate recovery community supports those who have struggled with substance dependence and now recognize the need to completely abstain and make a commitment to quality sobriety as they pursue a college education at St. Cloud State University or St. Cloud Technical and Community College. Students who participate in a collegiate recovery community programs emerge as vibrant campus leaders, typically achieving higher GPAs than their campus peers.

THE BENEFITS OF ST. CLOUD STATE RECOVERY COMMUNITY:

• Recovery Community participants receive $1,000 in scholarship funds each year
• St. Cloud State is among the top 3 percent of the most affordable universities in Forbes “America’s Top Colleges” ranking for 2014
• St. Cloud State is a 100-acre campus located on the banks of the Mississippi River

THE RECOVERY COMMUNITY OFFERS:

• Safe, supportive on-campus housing
• Weekly support group meetings
• Clinical services
• Sober social events and activities
• On-site support staff
• Peer-to-peer support
• Campus and community information, referrals and advocacy
• Community service opportunities
