<i>Faculty/staff requests will be honored after all student requests have been fulfilled</i>	

Parking permits are binding agreements and may not be cancelled without approval of the Director of Residential Life, or designee.

Parking permits are only available to residents of Coborn Plaza Apartments and each resident is only allowed to purchase one permit.

Permits are for the vehicles not for parking spaces. Parking spaces should not be used for storage of personal items or additional vehicles.

Motorcycles, scooters and mopeds follow the same permit process and parking regulations as vehicles.

Parking permit is only valid for parking at Coborn Plaza Apartments in designated areas. Limited parking is also available on the SCSU main campus for certain lots during certain time periods.

Parking garage preferences are assigned based upon availability and date of completed application, with preference going to students.

Permits and entry fobs are not transferrable. Failure to adhere to this policy can result in permit cancellation and forfeiture of all fees. If a permit holder has a temporary or permanent change in vehicle, he/she must notify the staff in order to update registration information.

Unauthorized transfer of an entry fob for the purpose of allowing a non-permit automobile access to a parking garage will result in a permit cancellation, and possible Student Code of Conduct violation.

Vehicles that do not properly display a permit, and/or have accessed a parking garage without authorization are subject to be towed at the owners' expense.

The University and Great Lakes Management are not responsible for stolen or damaged property in the parking garages. Owners are advised not to leave expensive personal items in their vehicles.

In compliance with Minnesota Law, use of accessible parking stalls is restricted only to those vehicles bearing state issued accessible license plates or a displayed state issued certificate. Individuals with disabilities should apply to the State Department of Public Safety. Temporary arrangements can be made by contacting a staff member through the reception desk. Requests to obtain a temporary permit must be accompanied by a physician's statement defining reason for request of temporary disability parking. If the request is from a person not currently paying for a permit, there may be a fee to obtain a temporary permit.

Permit holders must register their vehicle each year.

Visitors may inquire at the reception desk regarding locations to park at the complex. Residents and guests may not use the surface parking spaces designated for the Coborn Plaza retail shops and University Welcome Center.

Failure to abide by all policies and regulations can lead to permit cancellation and forfeiture of all fees.
