

## RECOVERY COMMUNITY SUPPORT SERVICES:

- Students participate in weekly meetings that focus on living dynamics, celebrating accomplishments and receiving support
- A live-in graduate assistant in recovery provides ongoing support and guidance
- New students have weekly individual sessions with an assigned clinician at the University Counseling Center
- Dedicated staff members provide support for community development, help with campus and community resources and coordinate sober activities and programs weekly

## REQUIREMENTS:

- Be committed to recovery with at least 6 months of continuous sobriety
- Attend at least two recovery-based support group meetings each week
- Maintain a relationship with a sponsor or a recovery mentor

## MISSION:

The St. Cloud State Recovery Community provides a safe and welcoming environment where students in recovery can receive support while working to obtain a college degree. Our residentially-based program applies best practice strategies that assist students in developing the behaviors and skills necessary to allow them to succeed academically, personally and professionally while in recovery.

## ST. CLOUD STATE RECOVERY COMMUNITY

Our collegiate recovery community supports those who have struggled with substance dependence and now recognize the need to completely abstain and make a commitment to quality sobriety as they pursue a college education at St. Cloud State University or St. Cloud Technical and Community College. Students who participate in a collegiate recovery community programs emerge as vibrant campus leaders, typically achieving higher GPAs than their campus peers.

### THE BENEFITS OF ST. CLOUD STATE RECOVERY COMMUNITY:

- Recovery Community participants receive \$1,000 in scholarship funds each year
- St. Cloud State is among the top 3 percent of the most affordable universities in Forbes "America's Top Colleges" ranking for 2014
- St. Cloud State is a 100-acre campus located on the banks of the Mississippi River

### THE RECOVERY COMMUNITY OFFERS:

- Safe, supportive on-campus housing
- Weekly support group meetings
- Clinical services
- Sober social events and activities
- On-site support staff
- Peer-to-peer support
- Campus and community information, referrals and advocacy
- Community service opportunities
