

Anoka-Ramsey Community College (ARCC) to SCSU

Bachelor of Science – Community Health - Transfer Guide

Transfer Process

All transfer students seeking a Bachelor of Science degree in Community Health should follow the admission procedures located on the following website in order to be admitted to St. Cloud State University:

www.stcloudstate.edu/transfer. A student must first be accepted to St. Cloud State and then may apply to the Community Health major after meeting the major’s admission requirements.

The following Community Health major courses transfer from ARCC to SCSU

| Anoka Ramsey Community College Course | | SCSU Course |
|---|---|--|
| HPER 1110 – Personal and Community Health | → | HLTH 215 - Personal and Community Health |
| HPER 1112 – Nutrition | → | HLTH 210 – Principles of Nutrition |
| No equivalent offered at ARCC. Do not take at ARCC. | → | HLTH 225 – Theory and Foundations |
| HPER 1109 – Public Health | → | HLTH 325 – Public Health |
| No equivalent offered at ARCC. Do not take at ARCC. | → | PESS 249 – Anatomy and Kinesiology* |
| BIOL 2113 – Human Anatomy & Physiology | → | BIOL 202* |
| HPER 1102 – Drugs, Alcohol, and Tobacco | → | HLTH 405 – Mood Modifying Substance |
| No equivalent offered at ARCC. Do not take at ARCC. | → | STAT 239** |
| SOCS 1108 – Introductory Applied Stats 1 | → | SOC 304** |

*Students must take either PESS 249 or BIOL 202 or an equivalent to fulfill the anatomy requirement in the major.

**Students must take either STAT 239 OR SOC 304 or an equivalent to fulfill the statistics requirement in the major.

Program Information:

HLTH 210, HLTH 215, HLTH 225, and HLTH 325 are the introductory courses in the Community Health major. All students must complete these courses, and PESS 249 or BIOL 202, to apply to the major and continue into higher level major courses.

Students are required to take an anatomy course, equivalent to SCSU’s PESS 249 or BIOL 202, as a major requirement. Consider completing this requirement before transferring.

Students are required to take a statistics course, equivalent to SCSU’s STAT 219 or SOC 304, as a major requirement. Consider completing this requirement before transferring.

Plan to connect with a Community Health advisor before registering for your first semester of classes to discuss transfer classes and course sequencing at St. Cloud State University.

(over)

Notes:

- Visit the website for more information on Community Health:
<http://www.stcloudstate.edu/kinesiology/default.asp>.
- Students are required to complete the 10 goal areas in the Minnesota Transfer Curriculum (MnTC), known as the Liberal Education Program at SCSU.
- Students must complete a minimum of 40 upper-division credits (300-400 level coursework) to graduate from SCSU.
- If a student completes a goal within the MnTC, the same goal will be completed at SCSU once transferred.
