#### Program Information:

- HLTH 210, HLTH 215, HLTH 225, and HLTH 325 are the introductory courses in the Community Health major. All students must complete these courses, and PESS 249 or BIOL 202, to continue into higher level major courses.
- \*Students are required to take an anatomy course, equivalent to SCSU's PESS 249 or BIOL 202, as a major requirement.
- \*\*Students are required to take a statistics course, equivalent to SCSU's STAT 219 or SOC 304, as a major requirement.
- Connect with a Community Health advisor before registering for your first semester of classes to discuss transfer classes and course sequencing at St. Cloud State University.

## Additional Notes:

- Visit the website for more information on Community Health:  
<http://www.stcloudstate.edu/kinesiology/default.asp>.
- Students are required to complete the 10 goal areas in the Minnesota Transfer Curriculum (MnTC), known as the Liberal Education Program at SCSU.
- Students must complete a minimum of 40 upper-division credits (300-400 level coursework) to graduate from SCSU.
- If a student completes a goal within the MnTC, the same goal will be completed at SCSU once transferred.
