St. Cloud Technical and Community College to St. Cloud State University Community Psychology B.S. Transfer Guide

Transfer Process

All transfer students seeking a Bachelor of Science degree in Community Psychology should first follow the admission procedures to be admitted to St. Cloud State University. This information can be found at: www.stcloudstate.edu/transfer.

The following SCTCC courses will fulfill requirements in SCSU's Community Psychology B.S. degree:

St. Cloud Technical and Community College Course		SCSU Course
PSYC 1304 – Life Span Developmental Psych	→	PSY 240 <i>or</i> CEEP 262 – Developmental Psychology
PSYC 1300 – Intro to Psychology	→	PSY 115 - Intro to Psychology
MATH 1350 – Intro to Statistics	→	STAT 193 - Statistical Thinking <i>*pre-requisite for STAT 219 if needed</i>

Notes:

- For more information on Community Psychology, visit www.stcloudstate.edu/cpcf
- Students are recommended to complete the above courses as part of the MnTC, if possible.
- If a student completes a goal area within the MnTC, the same goal area will be completed at St. Cloud State University once transferred. If a student completes the MnTC or earns an Associate of Arts (AA) degree, all liberal education requirements will be fulfilled at St. Cloud State University.
- The information in this guide is subject to change without notice. Please consult with your SCTCC advisor and an advisor at SCSU for more detailed information.
- Transfer course equivalencies can be found at www.transferology.com.
