North Hennepin Community College (NHCC) to SCSU

Bachelor of Science in Nursing Transfer Guide

Transfer Process
All transfer students seeking a Bachelor of Science degree in Nursing should follow the admission procedures located on the following website in order to be admitted to St. Cloud State University: www.stcloudstate.edu/transfer. Being admitted to SCSU is a separate process than that of being admitted into a major program. A student must first be accepted to SCSU and then may apply to the nursing major after the pre-nursing courses have been completed.

The following Pre-Nursing courses transfer from NHCC to SCSU:

Requirements for Admission to the Nursing Major
- Completion of 30 credits or more in the following prerequisite courses: ENGL191, CMST 192, MATH/STAT 193, PHIL 194, PHIL 212, PSY 240, SOC 160, CHEM 141, BIOL 202, BIOL 204, and BIOL 206.
- Students are required to successfully complete all prerequisite courses with a grade of C (2.00) or better and have an overall prerequisite course GPA of 2.75 or higher (the average GPA of those admitted into the program is about a 3.48).
- A formal application is required for admission to the major; admission to the nursing major is highly competitive.
- The deadline for completed applications is June for admission beginning the following spring semester and January for admission beginning the following fall semester. Please see www.stcloudstate.edu/nursing for upcoming deadlines.

Notes:
- Admissions to St. Cloud State University does not guarantee admission to the Nursing major.
- The GPA of any pre-requisite course(s) transferred to SCSU will count in the admission process.
- It is recommended that students take the above courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree.
- If a student completes a goal area within the MnTC, the same goal will be completed at St. Cloud State University once transferred.
Students are required to complete 10 goal areas (40 credits) in the MnTC (known as the Liberal Education Program at SCSU).

Students must complete 40 upper-division credits (300-400 level coursework) to graduate from SCSU.
