Pre-Nursing Transfer Guide (individuals without a previous degree)

Transfer Process
All transfer students seeking a Bachelor of Science degree in Nursing should follow the admission procedures located on the following website in order to be admitted to St. Cloud State University: www.stcloudstate.edu/transfer. Being admitted to SCSU is a separate process than that of being admitted into a major program. A student must first be accepted to SCSU and then may apply to the nursing major after the pre-nursing courses have been completed. A transcript evaluation is completed once the student has been admitted to SCSU. Please allow 2-3 weeks for the evaluation process. The student’s DARS report will show how credits transfer to SCSU and what requirements they might fulfill.

Requirements for Admission to the Nursing Major
- Completion of 30 credits or more of prerequisite courses: ENGL191, CMST 192, MATH/STAT 193, PHIL 194, PHIL 212, PSY 240, SOC 160, CHEM 141, BIOL 202, BIOL 204, and BIOL 206 (If one of these courses is not listed below, there is not currently a transfer equivalent available).
- Students are required to successfully complete all prerequisite courses with a grade of C (2.00) or better and have an overall prerequisite course GPA of 2.75 or higher (the average GPA of those admitted into the program is about a 3.48).
- A formal application is required for admission to the major; admission to the nursing major is highly competitive.
- The deadline for completed applications is June for admission beginning the following spring semester and January for admission beginning the following fall semester. Please see www.stcloudstate.edu/nursing for upcoming deadlines.

The following Pre-Nursing courses transfer from SCTCC to SCSU:

<table>
<thead>
<tr>
<th>St. Cloud Technical and Community College Course</th>
<th>SCSU Course</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1302 – Analytical Writing</td>
<td>ENGL 191</td>
</tr>
<tr>
<td>CMST 1320 - Intro to Communication Studies</td>
<td>CMST 192</td>
</tr>
<tr>
<td>MATH 1351 – Intro to Statistics (4 cr.)</td>
<td>STAT 193</td>
</tr>
<tr>
<td>PHIL 1340- Intro to Logic</td>
<td>PHIL 194</td>
</tr>
<tr>
<td>PHIL 1320 – Ethics</td>
<td>PHIL 212</td>
</tr>
<tr>
<td>PSYC 1304 – Lifespan Developmental Psych</td>
<td>PSY 240 or CEEP 262</td>
</tr>
<tr>
<td>SOC 1310 – General Sociology</td>
<td>SOC 160</td>
</tr>
<tr>
<td>BLGY 2330 - Microbiology</td>
<td>BIOL 206</td>
</tr>
<tr>
<td>BLGY 2310 - Human Anat/Phys I</td>
<td>BIOL 202</td>
</tr>
<tr>
<td>BLGY 2320 - Human Anat/Phys II</td>
<td>BIOL 204</td>
</tr>
</tbody>
</table>

The GPA of any pre-requisite course(s) transferred to SCSU will count in the admission process. It is recommended that students take these courses as a part of the Minnesota Transfer Curriculum (MnTC) or Associate in Arts (AA) degree. If a student completes a goal area within the MnTC, the same goal will be completed at St. Cloud State University once transferred.

Additional Requirements to Consider when Degree Planning
- Completion of 10 goal areas (40 credits) in the MnTC (known as the Liberal Education Program at SCSU).
- 40 upper-division credits (300-400 level coursework) required to graduate from SCSU.
  - The major requirements are organized sequentially into 5 total semesters.
